Today's officer has little time for amateurs. A professional himself he looks for professionalism in others.

That's why so many officers now have an account with Holt's Branch of Williams & Glyn's Bank. Holt's have been Army Agents for over 160 years and Royal Air Force Agents since the service was born. They know the money, insurance, tax and pensions problems of servicemen from long experience. And their specialist advice to help handle these problems is unique.

Now they can also offer the full civilian services of a go-ahead national bank – with a hot line to expert investment, taxation and insurance departments and to the merchant banking skills of Williams, Glyn & Co. in the City.

The Navy List is compiled and published by order of the Defence Council for the convenience of the Naval Service, but as errors may occasionally occur the Council must expressly reserve the right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.

NOTES

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

The Editor of the Navy List,
Ministry of Defence (N.P. 2),
Old Admiralty Building,
Whitehall,
London, S.W.1,

mentioning the ship and page in question. Communications should be marked " On Her Majesty's Service," and need not be stamped.

The Navy List is published three times a year—in the Spring, Summer and Autumn.

The Spring edition is the full edition, on sale to the public, and is published in March. The other editions are abridged and contain only the alphabetical list of officers of the R.N., R.M. etc., the list of ships and air squadrons, etc., with their key officers and a few other pages, but the Autumn edition also contains the seniority lists of R.N., R.M., Q.A.R.N.N.S., W.R.N.S. officers. The Summer and Autumn editions are published in June and October respectively.

To ensure earliest insertion, amendments should be sent to arrive before 28th February for Summer edition, 30th June for Autumn edition and 31st October for Spring edition.

The Navy List of Retired and Emergency List Officers is published in November every other year, the next edition being 1973.

The rates of pay, regulations, &c., are contained in a special sale publication entitled "Appendix to the Navy List," which is published annually in August.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the Editor in order that the necessary alterations may be made in the Navy List and official records.

The degrees shown after Officers' names in the Navy List are not necessarily a complete list of those held, but, generally speaking, are confined to degrees of an honorary nature conferred specially upon an Officer, and those which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

This edition of the Navy List is corrected to include those promotions, appointments, etc., promulgated on or before 31st October, 1971 as becoming effective on or before 31st March, 1972.

The above list is issued for the information of Captains of Her Majesty's Ships with reference to the provisions of Article 1252 of the Queen's Regulations for the Royal Navy under which they are authorised to ascertain whether British Merchant Ships (including Fishing Vessels) flying the Blue Ensign of Her Majesty's Fleet are legally entitled to do so.

2. British merchant ships and fishing vessels are allowed to wear the plain Blue Ensign under the authority of a special Warrant, subject to the following conditions being fulfilled:

(*a*) The officer commanding a ship other than a fishing vessel must be an officer on the Retired or Emergency Lists of the Royal Navy or a Commonwealth Navy, or an officer on the Active or Retired Lists of any branch of the Reserves of such navies. If the rank held on one of these Lists by the officer commanding the ship is below that of Commander, at least one other officer in the ship's company must be an officer on one of the Lists mentioned.

(*b*) The skipper of a fishing vessel must be an officer on the Active or Retired Lists of the RNR List 2/Patrol Service who holds or has held the substantive rank of Lieutenant or Skipper Lieutenant or above, and the crew must include four reservists. Men of the Royal Naval Reserve or of a Commonwealth Naval Reserve, time-expired ratings who have completed 20 years' service in the Royal Naval Reserve, members of the Royal Fleet Reserve, Royal Naval Pensioners and Royal Marine Pensioners may be included in reckoning the number specified.

3. Before hoisting the Blue Ensign, the officer commanding the ship must be in possession of a warrant.

4. The officer in command of a ship who fails to fulfil these conditions, unless failure is due to death or other circumstances over which he has no control, will no longer be entitled to hoist the Blue Ensign in the ship. The Blue Ensign is in no circumstances to be worn if the officer to whom the warrant was issued is not in command of the ship or if the ship changes to foreign ownership.

5. Article 1252 of Queen's Regulations for the Royal Navy prescribes the action to be taken by the Commanding Officer of one of Her Majesty's Ships if a merchant ship is found to be wearing the Blue Ensign without the Warrant or otherwise not complying with the foregoing regulations.

KING EDWARD VII's HOSPITAL FOR OFFICERS

BEAUMONT HOUSE, BEAUMONT STREET, LONDON, W.1

All officers of the three Services (including women officers) serving and retired, who have held regular or temporary commissions, their wives and widows, are eligible for admission. The Hospital has both private rooms and small wards.

The Council has as its object the provision of the best medical and surgical facilities at the lowest possible cost. Serving officers are entitled to free nursing and maintenance in the shared rooms. Otherwise patients are asked to pay at the rate of £42 a week for a private room or £28 a week for a shared room or a ward bed. These charges do not include professional fees but the ability of the patient to pay is always considered and there is a generously administered Samaritan Fund for those in straitened circumstances. Where, however, through insurance or because he can afford it, a patient can pay a sum nearer to the actual cost to the Hospital of his maintenance, now £82 a week, this is much appreciated.

The hospital has its own Consultant Staff, whose fees are a matter for personal arrangement between the patient and Consultant concerned. It is necessary for all patients to be placed by their general practitioners (who may still continue to attend them) in the care of a member of the Hospital's Consultant Staff, a list of whom will be sent to the patient's doctor on application. The Hospital has its own Resident Medical Officers, X-ray, Pathology and Physiotherapy Departments.

Whilst it is not necessary to subscribe in order to use the Hospital, Sister Agnes's is outside the National Health Service and therefore entirely dependent on voluntary aid. Subscriptions, donations and covenants are the mainstay of our income and detailed information can be obtained from the Appeals Secretary, 6 Buckingham Place, London, S.W.1.

Matron: Miss M. M. Dalglish (to whom application for admission should be made through the patient's doctor) Telephone 01–486 4411.

No fees are charged for boarding or clothing. The current fee for tuition is £120 a year. Parents and guardians are responsible for maintenance during the School holidays, for fares to and from School, and for reasonable pocket money. Serving personnel may be eligible for Navy Education Allowance, details of which can be obtained from Supply Officers. Parents who are leaving the Service (or who have left it) are entitled to apply to their Local Education Authority for assistance with tuition fees.

The School is an independent civilian School with two grammar school streams and three secondary modern streams offering a full secondary school curriculum on the basis that all boys will complete a five-year course and during the Summer term of their fifth year will take the appropriate nationally recognised first School Leaving Examination, i.e. G.C.E. 'O' level for boys in the grammar school streams and C.S.E. for boys in the secondary modern streams.

Some boys then leave to start their careers, but for boys nominated on the basis that they are likely to profit by them, the following further courses are available:—

either

(*a*) for boys of requisite ability the standard VIth form course of two (or in some cases three) years leading to G.C.E. 'A' level examination, success in which qualifies boys academically for entries to the Universities and Professions and for Cadetships in the Armed Forces;

or

(*b*) for boys from all streams, a one-year course affording the opportunity to aim at certain G.C.E. 'O' level subjects in which they will at any rate be able to profit by, and participate fully in, the academic courses involved.

Despite the School's strong naval traditions, boys are quite free to aim at the career of their choice, and the fullest careers guidance is given to all.

RATES OF PAY FOR NAVAL RATINGS (INCLUDING MEMBERS OF THE WOMEN'S SERVICES) AND ROYAL MARINES (OTHER RANKS)

The basic rates of pay in all branches depend on the period for which a man is committed to serve. Those on engagements for periods of nine years or more receive the "standard rate of pay," those serving on engagements for four years receive the "Four year rate of pay" and Reservists undergoing training and ratings serving on NCS engagements receive the "Seven year rate of pay". In deciding which scale a man is to receive, account is taken of his previous service. Pay also varies according to the qualifications held, the classification being denoted alphabetically in the following tables.

Single personnel in shore establishments are charged for food and accommodation but married personnel are not generally required to pay these charges.

(*Note.*—On and after 1st April, 1964, the powers conferred on the Admiralty by relevant Orders in Council are exercisable by, or on behalf of, the Secretary of State for Defence.)

Scope of Regulations.

1. The provisions of this Section relate with effect from 1st August 1971 to officers holding permanent or 16-year pensionable commissions in the Royal Navy or Royal Marines, who retire from the active list on or after 1st August, 1971. Subject to the provisions of the Forfeiture Act, 1870, and the Admiralty Pensions Act, 1921, they relate also to retired officers whose commissions are terminated or whose names are removed from the List of Retired Officers because of misconduct. They do not apply to officers holding temporary or short service commissions or officers on the Supplementary List who have not been granted pensionable or permanent commissions.

Retirement for age or non-employment.

2. An officer retiring on or after attaining the age limit fixed for service in his rank and branch, or, it having been decided that further employment is not available for him, retired compulsorily before attaining that age limit, may be granted retired pay, provided that, unless the special provisions set out in paragraph 6 are relevant he has completed at least 16 years' reckonable service as defined in paragraphs 27 to 31 below. In the event of eligibility for full pay continuing after formal retirement, the award will take effect from the day following that in respect of which full pay was last payable.

Rank

3. The rate of retired pay will be based on the officer's rank for retired pay purposes, as defined in paragraphs 22 to 26, and on the length of his reckonable service calculated in accordance with paragraph 31.

Rates of retired pay.

4. Subject to the provisions of this Section, retired pay may be awarded at the following rates:—

Interpolation

5. When an officer's reckonable service exceeds a given number of years (up to and including 33 years) by one or more complete quarters of a year, his retired pay will be increased by that number of quarters of the difference between the rate for the number of years completed and the rate which would have been awarded had a further complete year been served.

Late entrants

6. (*a*) If an officer was appointed to a permanent commission before 1st April, 1960, at an age later than that of the normal entrant and, in consequence of his late entry, has not completed sixteen years' reckonable service at the time of compulsory retirement for age or non-employment, as provided in this Section, retired pay may nevertheless be granted at the discretion of the Ministry of Defence provided he has completed at least 15 years' qualifying service.

(*b*) Retired pay will be awarded at the rate appropriate to 16 years' reckonable service with one deduction at the appropriate rate shown below for each year, and proportionately by quarters of a year, by which his reckonable service is less than 16 years:—

Voluntary Retirement.

7. An Officer with at least 16 years' reckonable service, i.e. full pay service from age 21 as defined in paragraph 31 (*a*) below, who retires at his own request on or after reaching the age of 40 years and before reaching the age of 50 years may be granted retired pay at the rates set out in paragraphs 4 and 5 abated by 7½ per cent. At other ages the retired pay will be as indicated in paragraphs 4 and 5. An officer who has not served for at least five years after the grant of his permanent or pensionable commission will not be eligible for retired pay on voluntary retirement, but may be awarded any service pension or gratuity for which he may be eligible by virtue of rating's service. Officers contemplating voluntary retirement who are in doubt about their eligibility (for example, because service has not been continuous) may obtain a forecast of their non-effective benefit settlement on application in writing direct to:—

Invaliding

8. (*a*) An Officer with at least 16 years' reckonable service will, on invaliding, be granted retired pay at the rate set out in paragraphs 4 and 5.

(*b*) An officer invalided with less than 16 years' reckonable service, but with at least 10 years' qualifying service, will be eligible for an award of retired pay calculated as the proportion of the appropriate 16-year rate which his reckonable service, measured in complete periods of three months, bears to 16 years.

Retirement for Incapacity, Unsuitability or Inefficiency

9. (*a*) *Not within an officer's control.*—An officer who is retired for incapacity, unsuitability, or for inefficiency, not due to causes within his own control, and having at least 16 years' reckonable service, may be granted retired pay as for a compulsory retirement on account of non-employment.

(*b*) *Within an officer's control.*—An officer who is retired for incapacity, unsuitability or inefficiency due to causes within his own control, but not amounting to misconduct, and having at least 16 years' reckonable service, may be granted an award of retired pay at such rate as the Ministry of Defence may determine, but not in any event exceeding the rate which would have been admissible had he retired voluntarily.

Retirement, etc. for misconduct

10. (*a*) An officer who is retired for misconduct with at least 16 years' reckonable service, may be granted retired pay at such rate as the Ministry of Defence may determine, but not in any event exceeding 90 per cent of the rate of retired pay which would have been admissible had he retired at his own request.

(*b*) *Dismissal, etc.*—An officer with at least 16 years' reckonable service who is dismissed the Service or dismissed with disgrace by sentence of Court Martial or whose name has been removed from the List of Officers or who has been allowed to resign his commission to avoid trial by Court Martial, may be granted a compassionate allowance at Ministry of Defence discretion, but not in any event exceeding 90 per cent of the rate of retired pay which would have been admissible had he retired at his own request.

11. The Ministry of Defence may, in the exercise of their discretion under sub-paragraph 9(*b*) and paragraph 10, grant a gratuity, or compassionate gratuity, in place of retired pay or compassionate allowance.

Special rules relating to officers promoted from the lower deck.

12. An officer promoted to a permanent commission while serving on a normal regular engagement may, on retirement be granted either:

(*b*) Except as provided in paragraph 48, an officer can qualify only once for a grant.

(*c*) The grant will be free of income tax.

14. A terminal grant under paragraph 13 shall not be admissible in the case of an officer to whom sub-paragraph 10(*b*) applies, but a tax-free compassionate grant not exceeding three times the annual amount of the compassionate allowance may be awarded at the discretion of the Ministry of Defence.

15. In the event of eligibility for full pay continuing after formal retirement, payment of terminal grant will not be made before the day following that in respect of which full pay was last payable.

An officer who has not served for at least five years after the grant of his permanent or pensionable commission will not be eligible for a gratuity on voluntary retirement, but may, if he had previous rating experience, be awarded any gratuity for which he may be eligible under the conditions relating to the award of gratuities to ratings.

(*b*) On invaliding with less than the ten years' service required to qualify for retired pay, a gratuity at the rate of £310 for each complete year of qualifying service.

(*c*) If retired for incapacity, unsuitability or inefficiency or other cause within his own control, but not amounting to misconduct, a gratuity of such amount as the Ministry of Defence may determine but not in any event exceeding the amount which would have been admissible under sub-paragraph (*a*) above had the officer retired at his own request.

20. Any officer who has served on a rating's engagement, conferring eligibility for a rating's gratuity on completing at least ten years' service after age 18, will have a reserved right to an award under paragraphs 17 and 19, on completion of ten years' such service instead of twelve years'.

21. If invalided with less than ten years' qualifying service a gratuity at the rate of £260 for each complete year of qualifying service may be granted.

SECTION IV
RANK AND SERVICE

Rank for Retired Pay Purposes

22. Subject to the following paragraphs, the rank for retired pay purposes shall be the substantive rank held by the officer on his retirement, provided that, unless the officer is invalided, the rank had been held on the active list for the following minimum period:—

(1) Admiral; General, Royal Marines	1 year
(2) All other officers	2 years

If the substantive rank has been held for less than the period specified, the rank for retired pay purposes shall be the highest substantive rank which (with periods spent in higher substantive rank) satisfies the condition. On invaliding, the rank for retired pay purposes shall be the substantive rank held by the officer on his retirement.

23. Service as Acting Captain, Royal Navy, may be reckoned towards the requirement of six years' service as Captain irrespective of the date of substantive promotion.

Additions to Retired Pay for Service in Paid Acting Rank

24. Subject to the general conditions in paragraph 25 below, paid acting and temporary rank held by officers of the Royal Navy, Royal Marines and Women's Royal Naval Service and members of Queen Alexandra's Royal Naval Nursing Service may reckon for increase of retired pay as follows:—

(*a*) For each complete year (subject to a maximum of three) for which the paid acting or temporary rank was held, there may be added one-third of the difference between the retired pay for which the officer is eligible and the retired pay for which he would have been eligible had his rank for retired pay been one rank above his substantive rank.

(*b*) Where an officer has failed to complete two years in a substantive rank required to qualify him for the retired pay of the rank, such service may reckon for retired pay as if it had been acting or temporary rank.

Digitized by Google

General Conditions

25. (1) Only paid acting or temporary rank held on or after 3rd September, 1939 will count.

(2) In no case shall service in an acting or temporary rank earn a rate of retired pay higher than would have been earned if the acting or temporary rank had been substantive.

(3) The "complete years" referred to in sub-paragraph 24(*a*) need not be continuous in time but may be made up of broken periods.

26. The Ministry of Defence may fix a date after which periods in acting or temporary rank will no longer be reckoned for additions to retired pay.

Definitions of Service

27. The following periods may be included in assessing qualifying and reckonable service for the purpose of the foregoing paragraphs:—

(*a*) Subject to paragraph 30, full pay service (including mobilised or embodied service or full paid service for the purpose of training) as an officer, rating, or other rank of the Royal Navy, the Royal Marines, the Army or the Royal Air Force, or of the Auxiliary and Reserve Forces, and of the former Armed Forces of India or Burma, or of the Armed Forces of the Commonwealth or a Colony, provided, where appropriate that such service would be reckonable as qualifying service under Army or Royal Air Force regulations; except broken periods each of less than six months' duration.

(*b*) While a permanent regular officer, periods in appointments not remunerated from Navy Votes which the Ministry of Defence consider can reasonably be regarded as part of an officer's career as such. They shall be appointments to which the officer brings his naval knowledge and from which he acquires additional experience and which have been officially offered to him as part of his naval service.

(*c*) Periods on unemployed pay, or on half pay not following the sentence of a Court Martial, will reckon as service in full up to a maximum of six months in any one period or two years in all. Service in excess of these limits will reckon as a third, subject to a minimum of six years such service reckoning as two years. Any period on half pay following a sentence of Court Martial will reckon as a third.

28. Loss of seniority or time forfeited by sentence of Court Martial or Disciplinary Court will not involve loss of service for retired pay or gratuity.

29. Service preceding a five-year interval in service shall not be included unless specially allowed by the Ministry of Defence, and eligibility to reckon such previous service will normally be determined at the time of resumption of service. Where, during a break in service the officer has been a member of the Royal Naval Reserve, the Royal Naval Volunteer Reserve, or other reserve of any of the Forces, undertaking or liable for periodical training, the period of such membership will not be considered an interval in service for the purpose of deciding whether the previous service is admissible.

Previous service for which a non-effective award has been received

30. (*a*) In the case of previous service in respect of which the officer received a service gratuity, or in any case of previous service other than in the Royal Navy, the Royal Marines, the Army, or the Royal Air Force, it may be stipulated as a condition for allowing such service to reckon for retired pay, that the officer shall make a payment to Naval Funds, either in a lump sum or otherwise. In default of such payment as may have been stipulated, the previous service will not be allowed.

(*b*) If an officer has continued to draw concurrently with full pay the retired pay or other analogous award payable in respect of previous service, the further service will normally not confer eligibility for improved benefits on final termination of employment.

31. *Counting of service*

(*a*) *Reckonable Service.* All service as defined above from the age of 21 will count in full as reckonable service.

(*b*) *Qualifying Service.* All service as defined above from the age of 18 will count in full as qualifying service.

Effect of National Retirement Pensions on Retired Pay

32. Officers who (*a*) enter the Royal Navy on or after the 1st July, 1949 (except Dartmouth Cadets who, although not actually in the Service on the 1st July, 1949, nevertheless had at that date had an undertaking given on their behalf that they would make the Royal Navy their career) and (*b*) re-enter on or after the 1st July, 1949, after a break in service, except those who re-enter within 12 months of being invalided or those who have already been granted service retired pay before re-entry, will have a deduction made from their service retired pay at the rate of £0·017 a week for each year of reckonable service, subject to a maximum of £0·80 a week; which will take effect from the date on which an Officer attains the age of 65 and becomes entitled to a National Insurance Retirement Pension. No adjustment of service retired pay will, however, be made in the case of Officers living permanently outside the United Kingdom and not in receipt of National Insurance Retirement Pensions or a corresponding award payable under reciprocal arrangements with the country of domicile.

An officer entered on a 3-year commission who has applied before 1st September, 1963 to extend his service by 2 years will be eligible for a gratuity of £3,000. Those applying for such extensions on or after 1st September, 1963, irrespective of whether their original 3-year commission began before or after that date, will be eligible only for a gratuity of £2,500 on completion of 5 years' service. An officer entered on a three-year commission who could, by a two-year extension of service, qualify for a gratuity of either £3,000 or £2,500 may, if his further service beyond three years falls short of two years, be awarded an addition to his gratuity at the rate of £300 a year in respect of his further service. Officers permitted to extend their service beyond 5 years, and whose extension of service begins on or after 1st April, 1968, will be eligible for an addition calculated at the rate of £400 a year for service in excess of 5 years. Otherwise the addition for further service beyond five years will be calculated at the rate of £300 a year.

36. An officer appointed to a short service commission in the Medical or Dental Branches of the Royal Navy whose professional training has been completed with assistance from Navy Department funds under a scheme for the entry of student doctors and student dentists may, on satisfactory completion of Active List service subsequent to full registration, be granted a gratuity calculated as follows:

(i) in respect of service on the Active List completed after full registration as set out in paragraph 35 above; with an addition

37. Women Medical and Dental Officers leaving on marriage or for compassionate reasons where the Secretary of State for Defence is satisfied that such reasons necessitate retirement may be awarded a gratuity proportionate to the length of Active List service actually completed.

Gratuities in respect of other Short Service Commissions

38 An officer holding a Short Service Commission or a Commission on the Supplementary List in the Royal Navy under terms which provide for a payment of gratuity may, on satisfactory completion on or after 31st July 1971 of the service, including any extension of service he has undertaken, be granted a gratuity at the following annual rates:—

(*a*) Air Traffic Control Officers £275
(except that service below the rank of Acting Sub-Lieutenant will reckon only at the rate of £105 a year).

(*b*) Other Officers £275

General Conditions attaching to the award of Short Service Gratuities

39. Should an Officer fail to complete the full period of Active List service which he has undertaken, an award may nevertheless be made as follows:—

(*a*) If his service is terminated on account of disability not due to causes within his own control, he will be granted a gratuity proportionate to the length of Active List service he has actually completed.

(*b*) If his service is terminated for non-employment, or for incapacity, unsuitability or inefficiency not due to causes within his own control, or if he is permitted voluntarily to terminate his service within six months of the completion of the full period of Active List service he has undertaken, he may be awarded either a gratuity proportionate to the length of Active List service he has actually completed or a reduced gratuity at such rate as the Secretary of State for Defence may determine.

(*c*) If he is permitted voluntarily to terminate his service more than six months before the conclusion of the period he has undertaken, no gratuity will be payable to a Pilot or an Observer unless he has completed at least eighteen months'satisfactory service and is in possession of the flying badge, nor to an officer of any other Branch unless he has completed at least one year's satisfactory service. Thereafter he may be allowed, at the discretion of the Secretary of State for Defence, such gratuity as may be determined, but not in any event exceeding three-quarters of the amount proportionate to the length of his actual service on the Active List.

(*d*) If his service is terminated owing to disability due to causes within his own control or to inefficiency or other cause within his own control but not amounting to misconduct, he may be allowed, at the discretion of the Secretary of State for Defence, such gratuity as may be determined but not in any event exceeding the amount which would have been admissible had he been allowed to terminate his service voluntarily.

(*e*) If his service is terminated on account of misconduct, the special payment of a compassionate gratuity shall be within the discretion of the Secretary of State for Defence according to the circumstances of his case, but the award will not in any event exceed 90 per cent of the gratuity which would have been admissible had he left voluntarily.

(*f*) In the case of aircrew officers other than helicopter pilots, proportionate gratuity will be calculated as follows:—

(i) For service short of 8 years:
For the first 18 months' service at the rate of £205 a year; For service beyond the first 18 months: at the rate of £315 a year;
Subject to a maximum of £2,345

(ii) For service between 8 and 12 years:
£2,345 in respect of the first 8 years and at the rate of £605 a year for the remaining period, subject to a maximum of £5,000.

(*g*) In the case of helicopter pilots, proportionate gratuity will be calculated as follows:—

(i) For service short of 8 years: at the rate of £275 a year;

(ii) For service between 8 and 12 years; £2,375 in respect of the first 8 years and at the rate of £605 a year for the remaining period.

(*h*) In the case of professionally qualified Electrical Officers, proportionate gratuity will be calculated as follows:—

At the rate of £275 a year for the first 5 years and at £425 a year in respect of service between 5 and 10 years.

40. No part of a short service gratuity will be payable to the officer's estate or otherwise in the event of his death before completion of the period of Active List service he had undertaken.

41. If an officer serving on a short service commission continues on full pay beyond the period of Active List service which he had undertaken, payment of the gratuity will be deferred until the end of such further service.

42. A Short service commission officer who was transferred to that commission from a pensionable commission solely because of failure to complete training due to causes outside his control including medical unfitness may, in addition to the gratuity in respect of his short service, be awarded on final satisfactory completion of service a gratuity at the rate provided for in Section III 16c(2).

43. A short service commission officer who is granted a permanent commission will not be eligible for any gratuity in respect of his service on a short service commission, but his service on that commission may count towards an ultimate award of retired pay or gratuity as a permanent officer. If, after receipt of a gratuity in respect of short service, an officer is granted a permanent commission, his previous service will not be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer, unless satisfactory arrangements are made for the refund of the short service gratuity.

44. Service on a short service commission in the medical, dental or education branches of the Royal Navy may in certain circumstances, be treated as contributory service under the National Health Service (Superannuation) Regulations or under the Teachers' (Superannuation) Act, as appropriate. Where service is so treated, both the employer's and the officer's contributions will be advanced by the Ministry of Defence, and the total amount so advanced will be deducted from the gratuity for which the officer is eligible under the provisions of this Section. When contributions have been so advanced but, as a result of being transferred to a permanent or pensionable commission, the officer does not qualify for a gratuity under this Section, no refund of the employer's contributions will be required from the officer, but in order that his previous service may be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer, he will be required to refund the employee's contributions advanced on his behalf by the Ministry of Defence. Service which counts for service retired pay or gratuity may not also count as reckonable service for purposes of pension under the appropriate civil superannuation scheme.

SECTION VI

RETIRED PAY, GRATUITIES AND SPECIAL COMPENSATION FOR OFFICERS RETIRED UNDER REDUNDANCY SCHEMES

Officers holding permanent or 16-year Pensionable Commissions in the Royal Navy or Royal Marines who have given at least ten years' qualifying service

45. Officers in this category will be eligible on redundancy for retired pay, terminal grant and a tax-free special capital payment assessed as follows:—

(*a*) *Retired Pay and Terminal Grant*—A redundant officer serving on a permanent or pensionable commission will, provided he has given at least 10 years' qualifying service, be eligible for retired pay assessed as though he had been invalided. (The current rates can be seen by reference to paragraph 4 for those with 16 years' or more reckonable service and paragraph 8(*b*) for those with under 16 years' reckonable service. Terminal grant will be three times the annual rate of retired pay so awarded).

(*b*) *Special Capital Payment.*—The amount of special capital payment for a redundant officer serving on a permanent or pensionable commission with at least 10 years' qualifying service will start at 12 months' basic pay for 10 years' service, rising to a plateau of 21 months' pay for 13 or more years' service but with 5 or more years of uncompleted service to go to normal retiring age and thereafter decreasing as the uncompleted service falls short of 5 years. Basic pay will be the daily rate, excluding all forms of additional pay and allowances, in issue for the paid rank held on conclusion of the last active appointment before retirement or in issue on the last day of full-pay service, whichever is the greater. A month's pay will be calculated by multiplying the daily rate by 365 and dividing by 12. The scales of capital payments are set out in the two following tables:—

Note.—The payments shown in the tables above are for whole years of service or uncompleted service, as the case may be. Where the period of service completed or remaining uncompleted is not a whole year or a whole number of years, an adjustment will be made, in respect of each further calendar month of completed or uncompleted service, of one-twelfth of the difference between the payment for the whole year or years of completed or uncompleted service and the payment for the next higher whole year or years appearing in the tables. Where an officer on a 16-year pensionable commission has given more than 12 years' qualifying service but less than 13 years, the payment for the next whole year will be determined by reference to the length of uncompleted service as per Table 2.

Officers holding permanent or 16-year pensionable commissions in the Royal Navy or Royal Marines who have given less than ten years' qualifying service

46. Officers in this category will be eligible on redundancy for a tax-free service gratuity in respect of their completed service plus a tax-free special capital payment of up to a maximum of 20 and 11/12ths months' pay assessed as follows:—

(*a*) *Service Gratuity.*—An officer serving on a permanent or pensionable commission made redundant with less than 10 years' qualifying service will be eligible for a gratuity at the rate of one tenth of the gratuity payable to a pensionable officer on compulsory or voluntary retirement with 10 years' qualifying service (currently £1,840) for each complete year of qualifying service.

(*b*) *Special Capital Payment.*—The rate of the special capital payment for redundant pensionable officers with less than 10 years' qualifying service will be as provided for in Table 3 below. Basic pay and a month's pay will be as defined in paragraph 45 (*b*) above.

Note.—The payments shown in the table above are for complete years of service. In addition, each further calendar month of service will attract a payment of one-twelfth of the extra compensation for a further complete year, ten years' service being taken as attracting 21 months' basic pay. The service gratuity (sub-paragraph 45(*a*)) will, however, be assessed only on complete years of qualifying service.

Officers on Short Service Commissions

47. Officers in this category will be eligible on redundancy for a proportionate short service gratuity plus a tax-free special capital payment assessed as follows:—

(*a*) *Service Gratuity.*—A redundant short service officer will be eligible for the gratuity that would have been awarded had he been invalided. (Current rates are to be found in Section V.)

(*b*) *Special Capital Payment.*—A redundant short service officer will be eligible for a tax-free special capital payment calculated in accordance with the following formula:—

(1) One month's basic pay for each year of service completed;
or
(2) One month's basic pay for each complete year by which service is fore-shortened, plus one month's basic pay;
whichever is the less.

This formula in the case of a 10-year short service commission produces the following table:—

Note.—Basic pay and a month's pay will be as defined in paragraph 45(*b*) above. For each further calendar month of service, in addition to complete years, an adjustment will be made of one-twelfth of the difference between the payment for the next complete year for purposes of the special capital payment only. The short service gratuity will be calculated in years and days.

SECTION VII

RETIRED OFFICERS OF THE ROYAL NAVY AND ROYAL MARINES

Re-employment in Peace-time

48. Except as provided in paragraphs 53 and 54, an officer who is on retired pay may, while re-employed for training or on any authorised naval duty for periods not exceeding six consecutive months or aggregating six months or less in any twelve months, continue to draw his retired pay concurrently with any pay to which he is entitled, but payment of retired pay may be suspended when there is doubt about the duration of the period of re-employment. No retired pay will be payable when the period of re-employment exceeds six months, and where the retired officer has commuted any part of the retired pay which would have been liable to suspension had he not commuted, a deduction equivalent to the amount commuted will be made from his pay.

49. An officer whose service retired pay has been suspended under paragraph 48 and who, having been placed on the retired list before 1st August, 1971, is re-employed on or after that date without an actual break in service, will be eligible on reversion to the retired list for awards of retired pay and terminal grant under the provisions in Sections I and II as appropriate for officers retiring on or after 1st August, 1971, assessed on the basis of former service added to re-employed service.

50. An officer whose service retired pay has been suspended under paragraph 48 and who, having had a break in service, is in re-employment on or after 1st August, 1971, may receive on reversion to the retired list an award of retired pay assessed on the basis of former service added to re-employed service as follows:—

(*a*) Under the provisions in Section I as appropriate for officers retiring on or after 1st August, 1971, provided that (i) the period of re-employment is not less than three years, or (ii) the officer is invalided from re-employment, or (iii) he originally retired on or after that date.

(*b*) If the officer originally retired before 1st August, 1971, and the period of re-employment is less than three years and he is not invalided, under the provisions of the retired pay code under which his retired pay was originally assessed.

If, during the period of re-employment, an officer has served in a rank higher than that held before original retirement and has received the pay and allowances appropriate to that rank, this service may be allowed to reckon for assessment of a revised rate of retired pay on a similar basis to that laid down for an Active List officer in paragraphs 24 and 25.

If the officer had originally retired at his own request, re-assessed retired pay under either (*a*) or (*b*) above will be on the basis of voluntary retirement, unless he is invalided from re-employment.

51. An officer whose retired pay has been suspended under paragraph 48 may receive, on reversion to the Retired List on or after 1st August, 1971, terminal grant or additional terminal grant calculated as follows:—

(*a*) If retired pay has been re-assessed under (i) or (ii) of sub-paragraph 50(*a*) above, the award shall be, for each complete year of re-employment service, one-tenth of the difference between three times the annual amount of retired pay awarded on termination of re-employment and the terminal grant (if any) previously awarded.

(*b*) If retired pay has been re-assessed under paragraph 50(*b*) above, and the officer originally retired before 1st January, 1956, as in sub-paragraph (*a*) above.

(*c*) If retired pay has been re-assessed under (iii) of sub-paragraph 50(*a*) or under sub-paragraph 50(*b*) and the officer originally retired on or after 1st January, 1956, the difference between the terminal grant previously awarded and three times the amount of retired pay awarded on termination of re-employment.

52. An officer who originally retired at his own request with a gratuity only, may receive an additional gratuity of £275 for each completed year of re-employed service.

Re-employment in Emergency

53. On recall for service at a time of imminent national danger or of great emergency, or when re-employed with the armed forces on general mobilisation, one-half of the retired pay of a retired officer will remain in issue concurrently with the pay and allowances appropriate to his rank on re-employment. Any portion of the retired pay that has been commuted will be recovered from the retired pay remaining in issue, or, when this is insufficient to meet the liability, from his pay to the extent of the deficiency.

54. For the purpose of applying the provisions of paragraph 53 to a retired officer compulsorily recalled at a time of national emergency when general mobilisation has not been announced, the operative period will be determined by the Ministry in consultation with the Civil Service Department.

PROCEDURE FOR PLACING OFFICERS ON HALF OR RETIRED PAY

1. The authority for the payment of Half-pay, or Retired Pay, to an Officer entitled thereto is given to the Paymaster-General, without preliminary application on the Officer's part. At the time this authority is issued, the Officer is informed of the award and is provided with a form of application for payment, which should be completed and forwarded to the Paymaster-General, Crawley, Sussex. The appropriate payment forms will then be issued from time to time. Special arrangements are made by the Paymaster-General where Officers propose permanently to reside abroad.

2. All enquiries about the method of payment of retired pay or about income tax deductions should be addressed to the Paymaster-General and not to the Ministry of Defence.

RETIRED PAY OF RETIRED OFFICERS OF ROYAL NAVY AND ROYAL MARINES SERVING IN CERTAIN SPECIAL APPOINTMENTS

1. The following special regulations are applicable to the Retired Pay of Officers of the Royal Navy and Royal Marines serving in:—

(*a*) certain posts on the staff of the Hydrographic Department and Directorate of Weapons, Compass (Naval) at the Ministry of Defence.

2. Service in any of the aforesaid appointments before retirement from the R.N. or R.M. will count for increase of retired pay under the ordinary regulations from time to time in force for Officers on the Active Lists of the R.N. and R.M., and increased retired pay under these regulations will accrue only in respect of service rendered in any of the appointments after retirement from the R.N. and R.M.

3. The retired pay of all retired Officers of the R.N. and R.M. serving in any of these appointments will be suspended during such service, and their service will count for increase of retired pay on the scales and subject to the conditions set forth hereunder, subject, however, to the provisos that:—

(*a*) an Officer who has been retired from the Active List of the R.N. or R.M. with a special rate of retired pay higher than that permissible under the ordinary regulations in force at the date of retirement for an Officer of like age, rank and service, shall not on the final cessation of his service in any of the above-mentioned appointments receive retired pay in excess of the greater of the two following sums:—

(1) the retired pay for which he would have been eligible had he on retirement from the Active List of the R.N. or R.M. been awarded the rate of retired pay permissible under the ordinary regulations in force at the date of such retirement for an Officer of like age, rank and service and permitted to count the whole of his subsequent service for increase of retired pay under Rules 5 and 6 hereof, or

(2) the actual rate of retired pay awarded to him on retirement from the Active List without any addition for subsequent service.

(*b*) an Officer of the R.M., who at the date of his retirement from the R.M. had earned retired pay in excess of the maximum at that date permissible in the case of a Lieutenant-Commander, R.N., shall not count his further service for increase of retired pay.

4. All Officers in any of the appointments referred to in these regulations who have not previously been discharged to retired pay at their own request or for some other reason, may be retained on pensionable terms at the discretion of the Defence Council or Admiralty Board, up to age 65.

5. An Officer who is discharged to retired pay at his own request, or on completion of any period for which he may have been appointed or as unfit for further employment from any cause other than those specified in rule 6, may have the retired pay earned by his service before retirement from the R.N. or R.M. increased by one-sixtieth of the pay and allowances of the appointment held on discharge for each complete year of service after retirement in any of the appointments to which these regulations relate.

6. An Officer who is discharged to retired pay on account of age, or medical unfitness, or abolition of office, or reduction or reorganisation of establishment may have the retired pay earned by his service before retirement from the R.N. or R.M. increased:—

(*a*) if with 10 or more years' service after retirement in any post to which these regulations relate, by one-sixtieth of the pay and allowances of the appointment held on discharge for each complete year of service after retirement;

(*b*) if with less than 10 years' service after retirement in any post to which these regulations relate, by one-fiftieth of the pay and allowances of the appointment held on discharge for each complete year of service after retirement, provided that the total addition shall not exceed ten-sixtieths of such pay and allowances.

7. Officers on the Active List of the R.M. who are appointed to any of the posts to which these regulations relate, shall be seconded from the corps of the R.M. until they reach the rank of Lieutenant-Colonel, when they will become supernumerary. They will be subject to the same rules as regards qualifications for promotion and retirement for age in any rank as other Officers of the R.M.

Digitized by Google

8. The widows and children of deceased Officers who have served in any of the appointments to which these rules apply, shall be eligible at the discretion of the Ministry for the award of pensions or other grants under the regulations from time to time in force for Officers of the Royal Navy and Royal Marines except that for the purpose of determining eligibility of any applicant for a pension or other grant, service on the Retired List in an appointment to which these rules apply shall be regarded as equivalent to service on the Active List. In assessing a widow's pension account may be taken of any higher rank attained by the Officer while on the Retired List if thereby the widow would receive a higher rate of pension than would otherwise be the case.

COMMUTATION OF NAVAL RETIRED PAY

General

Officers' service retired pay and the service element of disability retired pay only are commutable under the provisions of the Pensions Commutation Acts, 1871 to 1882, subject to such restrictions as may be imposed. Those eligible for this facility include commissioned, branch and subordinate officers of the Royal Navy and Royal Marines, officers of the Women's Royal Naval Service and members of Queen Alexandra's Royal Naval Nursing Service of the rank of nursing sister and above.

2. Retired pay or pension commuted is finally surrendered, in the same way that the amount received in commutation becomes the absolute property of the officer.

3. No officer will be allowed to commute any portion of his retired pay who:—

(*a*) is holding, or is about to hold, any appointment under the Crown the terms of which involve the suspension of his retired pay; or

(*b*) during time of war, is employed on active service or is eligible for such employment.

4. The Defence Council, or Admiralty Board on their behalf, have full discretionary power to accept or refuse applications. They would, for instance, be likely to be refused in cases of neglect or desertion of family; stoppage of pension by Bankruptcy orders; of persons likely to go abroad and leave their families a burden on the public; and suchlike cases.

5. These rules and the table of rates are liable to be changed without notice.

Maximum amounts commutable

6. The amounts stated in the following sub-paragraphs refer to basic service retired pay only.

(*a*) An officer who retired before 1st April 1969, and whose retired pay is £300 a year or more may commute not more than one half thereof. If his retired pay is less than £300 a year he must leave £150 a year uncommuted (in certain special cases, however, where retired pay is less than £180 a year he may be permitted to commute a sum not exceeding £30 a year provided that the amount remaining uncommuted is not reduced below £120 a year).

(*b*) An officer who retired on or after 1st April 1969, and whose retired pay is £600 a year or more may commute not more than one half thereof. If his retired pay is less than £600 a year he must leave £300 a year uncommuted (in certain special cases, however, where retired pay is less than £360 a year he may be permitted to commute a sum not exceeding £60 a year provided that the amount remaining uncommuted is not reduced below £240 a year).

(*c*) The above provisions as to limit of commutation do not apply to an officer promoted from the ranks to an emergency commission in the 1939/45 war while serving on a normal regular engagement and whose retired pay is less than £225 a year. In this case retired pay up to, but not more than, one third, may be commuted, subject to the proviso that, if the retired pay is less than £90 a year, an amount of £60 a year must be left uncommuted.

Method of applying

7. Applications should be made on the prescribed application form, which can be obtained from the Ministry of Defence, Director General of Defence Accounts, Pay and Pensions Division 3R/P HMS Centurion, Grange Road, Gosport, Hampshire, P.O. 13 9XA. An application is deemed to be made on the date on which this form, duly completed, is received at the Ministry of Defence during the hours of public business, but not before the date from which payment of retired pay commences.

8. An officer who has been adjudicated bankrupt or has had a Receiving Order made against him, or is indebted to public funds, must disclose the facts and circumstances at the time of his application.

9. If any applicant for commutation wilfully makes any false declaration in relation thereto he shall be liable to forfeit all claim to his retired pay or the value thereof, and to imprisonment, or fine, or both.

Procedure following recommendation by the Defence Council or Admiralty Board

10. If the Defence Council, or Admiralty Board on their behalf, recommends commutation, the officer will be informed, and his letter of application will be forwarded to the Pensions Commutation Board (hereinafter called the Board), 19 Old Jewry, London, E.C.2, from whom he will receive further instructions. The fact that an application has been recommended to the Board must not be taken to imply that it will necessarily be approved.

11. The Board will require the officer to give such information as to his age, health and habits as is usual in the case of persons proposing to insure their lives in insurance companies, and he will be required to submit himself for personal examination by the Medical Officer to the Board in London. Officers living in Scotland (and the English counties of Durham, Northumberland, Cumberland and Westmorland), Northern Ireland or the Republic of Ireland may, if they so desire, and if the Board see fit, be permitted to be examined by the Board's Medical Advisers in Edinburgh, Belfast or Dublin respectively. Officers abroad who desire to be examined abroad may apply to the Board accordingly, stating their reasons for making the request. The decision of the Board will be final.

12. If the applicant fails to give the desired information or to attend for a medical examination within a period of four months (six months if resident outside the United Kingdom or the Republic of Ireland) after the date of his application, such application will be treated as lapsed.

13. If the Civil Service Department are unable to approve commutation, the applicant will be informed accordingly.

14. If the Civil Service Department approve the application, either on standard terms or on the basis of "added years" (see paragraph 21), the applicant will be given notice of the amount which would be payable on commutation. A fee of one per cent on this amount will be charged, provided that such a fee is not less that £2·50 nor more than £20. After receiving the notice referred to above, an opportunity will be given to the applicant to withdraw his application on payment of a fee of £2·50 if he does not

Digitized by Google

wish commutation to take place on these terms. The period available to the applicant for the purpose of withdrawing his application is thirty days (42 days in the case of an applicant not resident in the United Kingdom or the Republic of Ireland), beginning with the day on which the Board sent him their notice, or such longer period as the Civil Service Department may allow in exceptional circumstances. If he does wish commutation to take place, he may so inform the Board without waiting for the end of the time allowed for withdrawal, and either notify them that he is desirous of having a cheque sent to him or his Agent or attend personally to collect the cheque. If the applicant does not take either of these steps within the period allowed, commutation will automatically take place on the day following the expiration of the period.

15. An applicant will continue to draw his pension until it is commuted, that is, down to whichever of the following dates is applicable in his case: the day on which a cheque is posted to him or his Agent, the day on which he collects a cheque, or the day on which commutation takes place automatically as described above.

16. It should be appreciated that if an applicant dies before the pension he has applied to commute ceases under the terms of the preceding paragraph, the pension will have expired and no capital sum will then be payable in commutation of it.

Effects of commutation

17. If an officer who has commuted a part of his retired pay is re-employed, the amount commuted will be deducted from his full pay during the period of his re-employment.

18. Officers are reminded that, under existing Pensions Increase Schemes, increases are not admissible on any part of retired pay that has been commuted, unless the commutation (i.e. the actual award of the capital sum) took place after the scheme came into operation.

19. The claim of an officer to be awarded a Naval Compassionate Pension or a Greenwich Hospital Pension will not be affected by his having commuted.

20. The widows and children of officers who commute will be granted pensions according to the normal rules provided that the widows were married, and the children were born, before the date of commutation and that they are otherwise eligible. Where marriage took place after commutation (but prior to reassessment of retired pay) widows' and children's pensions may be reduced in proportion to the decrease in retired pay resulting from commutation.

Commutation rates

21. The table for determining commutation rates is at present as follows, subject to an addition of years of age in the case of impaired lives:—

RETIREMENTS, &c.

GENERAL RULES, CONDITIONS OF RETIREMENT, ETC.

NAVAL OFFICERS

I. General

1. Officers who are not due for compulsory retirement under the following regulations may, at Defence Council or Admiralty Board discretion, be allowed to retire voluntarily or to resign as appropriate. The overriding factor in considering applications will be the requirements of the Service but special consideration will be given when compassionate grounds are advanced.

2. Officers may be retired at any age, at Defence Council or Admiralty Board discretion, if found medically unfit for further service.

3. Officers may be removed from the Active List at any time, if, in the opinion of the Defence Council or Admiralty Board, they are unfitted for further employment under the terms of the Orders in Council relating to incapacity, unsuitability or misconduct.

4. These rules do not apply to Officers employed on Inspection, Research, Design and Experimental Ordnance Duties, etc., under the conditions of service shown separately in this volume.

Note. Rules governing the award of retired pay on voluntary retirement are set out on page 18.

II. Officers on the General List

Officers of Flag Rank

1. Admirals of the Fleet are borne on the Active List for Life.

2. Other Officers of Flag rank on the General List will be placed on the Retired List either:—

(*a*) on reaching the age limit for service in the rank; or

(*b*) on it being decided that they will not be further employed,

whichever is the earlier. If serving in an appointment at the time of the decision that they will not be further employed, they may be retained on the Active List in their existing rank until relieved of the appointment.

3. The age limits for service in each rank are as follows:—

Admiral	65
Vice-Admiral	63
Rear-Admiral	60

4. Officers of Flag rank on the General List will not be retired solely by reason of the promotion of an Officer junior to them, nor by reason of their being superseded in any particular appointment.

Captains

Captains will normally be placed on the Retired List if not promoted to Flag rank on reaching 9 years' seniority as a Captain; or at the age of 55 if earlier.

Commanders

1. *Officers who entered the Royal Navy on or after 1st May, 1957*

The age for compulsory retirement of Commanders on the General List is 53.

2. *Officers who entered the Royal Navy before 1st May, 1957*

The age for compulsory retirement of Commanders on the General List is 50. However the Admiralty Board has approved that from 1st April, 1973 the compulsory retirement age will be 53. In the meantime the Admiralty Board has discretion to extend the service of General List officers up to age 53. Applications for extensions are to be made by letter through Commanding Officers to the Ministry of Defence (Naval Personnel Division 2) between going overzone for promotion and nine months before the normal retirement age. Officers still in zone at this latter date should also apply then.

Lieutenant-Commanders

1. *Officers who entered the Royal Navy on or after 1st May, 1957*

The age for compulsory retirement of Lieutenant-Commanders on the General List is 50.

2. *Officers who entered the Royal Navy before 1st May, 1957*

Lieutenant-Commanders on the General List will normally be retired compulsorily at age 50. However, they may opt to be retired at age 45. Officers must express their choice (for whichever age they wish to retire) between the time of going overzone and their 43rd birthday, or exceptionally for an officer who is not overzone on his 43rd birthday, not later than his 44th birthday. Such retirement at age 45 will not be subject to the 7½ per cent reduction in retired pay applicable to voluntary retirements between the ages 40 and 50

An officer who opts to retire at age 45 may subsequently extend his service on the Active List up to the age of 50, subject to Service requirements.

3. *Applications for Extensions of Service*

Each application is to be accompanied by:—

(*a*) A Special Report on Form S.206;

(*b*) A recommendation on the officer's suitability for further employment;

(*c*) An up-to-date medical certificate saying that the officer is fully fit to continue general Navy service in any part of the world.

PENSIONS AND GRATUITIES TO WIDOWS AND DEPENDANTS OF NAVAL AND ROYAL MARINE OFFICERS

1. The award of pensions and allowances to the widows and dependants of officers whose deaths are, or were, attributable to service after 2nd September, 1939, is governed by the regulations of the Department of Health and Social Security, which appear on page 50.

2. The following scheme of ordinary (i.e., non-attributable) pensions applies to the families of Naval and Royal Marine officers, provided that the husband was entitled to half pay or service retired pay, or if the husband dies while serving, would have been so entitled if he had been invalided on the day he died.

(*a*) For the widow—One-third of the husband's half pay or retired pay as defined in paragraph 3, or the rate provided for in paragraph 4, whichever is the more favourable.

(*b*) For each child under 18 years of age (unless motherless)—One-third of the widow's pension.

(*c*) For each motherless child—Two-thirds of the rate which the widow received or would have received.

3. For the purpose of paragraph 2 above, the rate of half pay or retired pay will be the rate (including Pensions Increase if any) which was in payment to the husband at the date of his death; or, if more favourable, the rate which would have been in payment at that date if he had not commuted any part of his half pay or retired pay and if he had already qualified for the Pensions Increase for which he would have been eligible had he reached the age of 60. When death occurs while serving, the rate will be the award which would have been made if the husband had been invalided on the date on which he died.

4. If the rates of pension calculated in accordance with paragraphs 2 and 3 above would be less than those set out below, the latter will be payable.

A child's pension will not be subject to these deductions.

General Conditions for Award, etc.

8. The marriage must have taken place before retirement (or, where there is subsequent re-employment entitling the member to a revision of his service retired pay, before the termination of the re-employment).

9. Pensions cannot be claimed as a right. In cases where the wife was separated from her husband, and in certain other circumstances, awards will be discretionary.

10. A widow's pension will cease on her remarriage, but, if she again becomes a widow, the award may be restored at the discretion of the Admiralty Board.

11. A legitimate child of an officer is eligible for a pension where the child's mother fulfilled the conditions relating to marriage contained in paragraph 9 above. In addition, illegitimate children, adopted children and step-children are, subject to certain other conditions, also eligible. Pensions will normally be payable up to age 18, but may be paid beyond that age in certain circumstances (e.g., during further education).

Gratuities to Widows, etc.

12. This is a benefit for the widows of regular Officers who die while serving on full pay on the active list (including those serving on the Supplementary List, or on short service or extended service commissions).

13. The amount of gratuity will be as follows:—

(*a*) where a Terminal Grant or additional Terminal Grant would have been payable on invaliding, the award to which the Officer would have been entitled at the time of his death.

(b) where no Terminal Grant would have been payable, the following scale to apply:—

Less than 4 years' service	£485
After 4 years' service	£640
" 5 " "	£795
" 6 " "	£950
" 7 " "	£1,105
" 8 " "	£1,265
" 9 " "	£1,420

Thence by increments of £155 for each additional year of service which would have reckoned for service gratuity.

14. Normally the gratuity will be payable in full to the widow. It may, however, be withheld or reduced where the widow was separated from her husband. Where there are children not dependent on the widow, part of the gratuity may be withheld from her and paid for the benefit of the children.

15. Where there are children but no widow, the gratuity may be paid in part or in whole, for the benefit of the children.

16. Children dependent on women members of the Forces who die while serving will similarly be eligible for gratuities in certain circumstances.

NAVAL COMPASSIONATE, GREENWICH HOSPITAL AND TRAVERS PENSIONS

OFFICERS

1. Officers wishing to be considered for these pensions should apply to:—The Director of Greenwich Hospital, 13 Devonshire Square, London, E.C.2, who will furnish application forms.

2. Naval Compassionate, Greenwich Hospital, and Travers pensions may be awarded, at the discretion of the Admiralty Board, to retired permanent regular Officers of the Royal Navy or Royal Marines.

The number and amounts of such pensions will be regulated by the funds available for the purpose.

3. In considering applications, regard will be had to the following factors:—

(*a*) good service
(*b*) need
(*c*) misfortune, or other special circumstances (e.g., infirmity due to age).

4. The amount of a Naval Compassionate pension will depend on the circumstances of the case and the funds available, but will not normally exceed £100 per annum. In very exceptional circumstances, however, a larger pension may be awarded, but in no case exceeding £200 per annum.

5. Greenwich Hospital pensions will be awarded under the same general conditions as above; they will not exceed £100 per annum.

6. Travers pensions will also be awarded under the same general conditions to retired permanent regular Officers of the Executive Branch whose last rank on the Active List was Lieutenant or Lieutenant-Commander, or such other Executive Officers retired from these ranks as the Admiralty Board may decide. A Travers pension will not exceed £100 per annum.

7. Only in special circumstances may an Officer receive a Naval Compassionate pension and a Greenwich Hospital (or Travers) pension concurrently.

An Officer may not receive a Greenwich Hospital and a Travers pension concurrently.

8. All these pensions will be subject to review from time to time. A pension may be withdrawn at any time should the conditions under which it was granted cease to apply.

PENSIONS AND GRATUITIES TO NAVAL RATINGS (INCLUDING MEMBERS OF THE WOMEN'S SERVICES) AND ROYAL MARINES (OTHER RANKS)

I.—General Regulations

1. The following Regulations are supplementary and subordinate to the Regulations for the award of Pensions or Gratuities in respect of Service or Disability published in Orders in Council.

2. All pensions are tenable only during good behaviour, and may be suspended or forfeited by reason of misconduct on the part of the pensioner, but the Secretary of State for Defence, at his discretion, may restore, either wholly or partially, any pension which has been suspended or forfeited.

3. Any pensioner who is convicted of a serious offence connected with the Service, e.g. obtaining payment of pension by false pretences, or of certain grave criminal offences, e.g. such as involve treasonable activities or embezzlement of public funds, will have his pension forfeited or suspended indefinitely. A pensioner who is convicted of any other criminal offence resulting in sentence of imprisonment exceeding 6 months will have his pension suspended during his imprisonment and restored on release, but restoration may be delayed for habitual offenders.

4. A pension may be restored and paid to, or applied for the benefit of the pensioner's wife, children, or other dependants, for the period of his imprisonment.

5. Any assignment, sale, or contract relating to a Naval or Greenwich Hospital pension is void.

6. When a pensioner who has commuted part of his pension re-enters the Royal Navy or Royal Marines and ceases to draw pension (thus counting the further time for increase of pension), he shall be required to refund the value of the commuted pension for the period of his re-employment. He shall be given the option of refunding the money by deduction from Naval pay whilst serving.

7. Pensioners in the categories enumerated below are paid quarterly in advance, but if they so desire payment may be made weekly in advance on the strict understanding that their choice of payment weekly, once made, is irrevocable:—

(*a*) Men pensioned before the 1st January, 1936.

(*b*) Continuous service ratings whose re-engagement to complete time for pension dated from not later than 30th September, 1935*; non-continuous service ratings serving on that date under an engagement which would enable them to complete 22 years' pensionable service; and all ranks of the Royal Marines who, not later than 30th September, 1935, re-engaged for a second period or completed 10 years' pensionable time by that date and declared in writing, not later than 30th September, 1935, their intention of re-engaging as soon as such re-engagement was open to them (provided, in each instance, that no break in service occurred on or after the 1st August, 1935).

8. The widows or legal representatives of pensioners to whom the provisions of paragraph 7 apply, may be allowed to receive their pensions up to the end of the quarter in which the pensioners died, provided such pensions shall not already have been paid, and provided there be no stoppage against the pension on account of maintenance in a hospital, or other reason. If any such pensioner shall have received his pension up to the end of the quarter in which he died, and his death takes place within 2 days from the end of the quarter, a month's pension may be paid to the widow on special authority from the Ministry of Defence.

9. All pensioners, other than those in the categories enumerated in paragraph 7, receive payment of pension weekly in advance. The pension of men finally entered, or re-entered, after a break of service, on or after 1st August, 1935, will cease at the end of the pension week on which death occurs but for all others the benefits mentioned in paragraph 8 may be allowed.

10. The arrangements for weekly payment in advance apply to pensioners resident in the United Kingdom, the Channel Islands and Eire. Pensioners resident abroad who do not wish, or are ineligible to receive payment of their pensions quarterly in advance, will, generally, be paid monthly in arrear.

11. Payment of a Naval Pension direct to a Bank Account is made monthly in arrear. Ratings who wish to take advantage of this method of payment should apply to the Director General of Defence Accounts, Branch 2B, for the appropriate form of application.

12. Any pensioner guilty of violence or outrage towards any person employed in paying the pensioner, shall be punished by the loss or either a part or the whole of his pension, in addition to any other punishment which the law may inflict for such offence.

13. A pensioner who neglects to draw his pension for four successive quarters, will be struck off the pension list and not replaced unless he accounts satisfactorily for such omission, and the Ministry of Defence, at their discretion, will grant or withhold the arrears, or any portion thereof, but in no case will arrears be paid for a longer period than 2 years, unless the man shall have been serving in the Navy in a rating which entitled him to receive his pension while so employed.

14. No restriction is placed on Naval pensioners proceeding abroad but, except with the special permission of the Ministry of Defence, they may not draw their pensions if they acquire foreign nationality or serve under a foreign flag.

15. In special circumstances, and with the consent of the pensioner, the Ministry of Defence may order a man's pension, or any portion of it, to be paid to or on behalf of his wife, or, if he have no wife, to or for the benefit of his child or children.

16. An advance of naval pension, not exceeding six months, may be made to a pensioner for the purpose of assisting him to emigrate to any Commonwealth country. This advance is payable only when authorised by the Ministry of Defence.

17. Naval ratings whose discharge to pension has been agreed and who require a provisional assessment of their terminal benefits for the purpose of obtaining a bank loan, should apply direct to HMS Centurion, Pay and Pensions Division, Branch 3, Grange Road, Gosport, PO 130XA, in the form of the Annex to DCI (RN) 594/70, and enclose a letter from their Bank requesting the information needed. Action will not be taken on applications received without a letter from the bank.

* This is deemed to include candidates for mechanician who had re-engaged for a second period of 12 years, and Yard Craft ratings with 10 years' pensionable service on 30th September, 1935.

PENSIONS

2. The minimum periods required to qualify for pensions are as follows:—

(*a*) *For Long Service Pension*—22 years' reckonable service from age 18.

(*b*) *For Service Pension on Invaliding*—12 years' reckonable service from age 18; to be eligible those invalided must, in addition to having rendered the minimum period of service, have also re-engaged to complete time for pension.

3. Except as provided in paragraphs 4 and 5 the rates of pension will be based on the length of reckonable service and on the highest paid rank held for an aggregated period of two years or more during the five years preceding termination of full pay service. Where the total reckonable service is not in complete years the residual period of less than a year will be reckonable in calculating the amount of pension awarded.

4. In the case of those invalided, pension may be based on the length of reckonable service and on the substantive rank held at the time of discharge, provided the higher rate was a regular roster advancement, if this is more favourable than the rule in paragraph 3.

5. Where a rating or R.M. other rank has been disrated for misconduct or reverted for inefficiency or unsuitability during the five years preceding termination of full pay service and does not regain the rank, the rank on which pension is based on final discharge will be determined by the Ministry of Defence having regard to the circumstances of the case.

6. Those whose services are terminated for misconduct or for inefficiency within their own control and who have completed not less than 22 years' reckonable service may be granted such portions of the service pension and terminal grant assessed under paragraphs 3 to 10 as the Ministry of Defence may determine, but when the services are terminated for misconduct the amount will not in any event exceed 90 per cent of the award which would have been admissible had the discharge been on other grounds.

7. Subject to paragraph 10, the rates of pension will be calculated as follows:—

Men	*Weekly* *For each of the first 22 years of reckonable service* £	*For each additional year of reckonable service* £
Able Rating/Marine	0·24	0·48
Leading Rating/ Corporal R.M.	0·30	0·60
Petty Officer/ Sergeant R.M.	0·36	0·72
Chief Petty Officer/ Sergeant R.M.	0·41	0·82
Quartermaster-Sergeant R.M.	0·44	0·88
Regimental Sergeant Major R.M./Fleet Chief Petty Officer (or commissioned officer) ..	0·45	0·90
Women		
Wren/Naval Nurse	0·21	0·42
Leading Wren/ Senior Naval Nurse	0·27	0·54
Petty Officer/Wren Assistant Head Naval Nurse ..	0·32	0·64
Chief Petty Officer Wren/Head Naval Nurse ..	0·36	0·72
Fleet Chief Petty Officer	0·40	0·80

Addition for Commissioned Service. Where a rating or R.M. other rank has had previous commissioned service, the addition that may be made to pension in respect of each year of such service is increased to £0·25 (4s. 7d.) a week up to a maximum of nine years.

8. *Addition for Aircrew Service.* For each year of reckonable service whilst employed on aircrew duties an addition may be made to the pension as calculated in paragraphs 3–7 as follows, subject to paragraph 10:—

	Weekly
Pilots and Navigators ..	£0·09
Other Aircrew Categories ..	£0·08

9. *Maximum Rates of Pension.* Rates of pension provided for in paragraph 7 above shall not exceed 50% of the maximum rate of basic pay (including length of service pay) in force at the time of discharge, appropriate to the rank used for assessing the rate of pension, except that in the case of reckonable service in excess of 37 years, the maximum rate permissible will be increased by the over 22 rate of pension appropriate to the rank on which pension is assessed for each year of such service up to a maximum of five years.

10. *National Retirement Pensions*

Men and women who (*a*) enter the Royal Navy on or after the 1st July, 1949, or (*b*) re-enter on or after the 1st July, 1949, after a break in service, except those who re-enter within 12 months of being invalided or those who have already been granted pension before re-entry, will have a deduction made from their pension at the rate if £0·01667 (4d.) a week for each year of service; subject to a maximum of £0·8000 (16s.) a week, on becoming eligible for a National Retirement Pension on attaining the age of 65, in the case of men, or on attaining the age of 60, in the case of women. No adjustment of pension will, however, be made in the case of pensioners living outside the United Kingdom and not actually receiving National Retirement Pensions.

Where men and women have been paying graduated contributions under the National Insurance Act, 1959, and are subsequently contracted out of the Scheme and cease to make such payments on undertaking to re-engage to complete time for pension, any graduated pension already earned will be payable at the due time. Service pension, however, will be abated from age 65 (60 for women) by the amount of any graduated pension earned by the contributions paid whilst in the Service as well as by part of the National Retirement Pension as provided above. Where, however, the graduated pension amounts to £0·1000 a week or less it will be ignored for this purpose.

11. *Commutation.* A pensioner who wishes to commute part of his pension may apply for permission to do so at any time, provided it is for a purpose which will be to his *distinct and permanent advantage.* Approval to commute is at the discretion of the Defence Council, or Admiralty Board on their behalf on such terms and conditions as may be prescribed. Commutation is not permitted for investment, and not normally for the repayment of a bank loan, settlement of debts or reduction of a mortgage (but see paragraph 15).

12. The pensioner must have a good expectation of life. He will normally be called on to attend an examination by a service medical board, and will be required to meet any expenses involved. If he fails to reach the required medical standard he will either be refused permission to commute, or allowed to do so at a less advantageous rate, provided all other conditions are satisfied.

13(*a*). A pensioner discharged prior to 31st March 1969 will not be permitted to reduce his basic pension below £0·7000 a week, or £1·0500 in the case of Regimental Sergeant-Major; pensioners discharged on or after 31st March 1969 will not be allowed to reduce below £2·50 a week, or below an amount at least equal to the maximum graduated pension which could be earned under the National Insurance Act, 1959, during the period of the man's reckonable service after the inception of the Scheme, whichever is the greater.

(*b*) Greenwich Hospital Special Pensions, Naval Disability Pensions, and additions to basic pensions awarded under the Pensions (Increase) Schemes cannot be commuted and cannot form part of the minimum basic pension to be retained uncommuted.

14. Pensioners discharged on or after 31st March, 1969, who make application within 6 months of leaving the Service may (subject to medical fitness) be allowed without statement of or investigation into the purpose for which the money is required within the following limits:—

(*a*) sufficient pension to realise £600·00 or
(*b*) if more advantageous 25 per cent of pension, subject to the sum realised not exceeding £1,000·00.

15. Application forms may be obtained from the Ministry of Defence, DGDA Branch 2B, Bath, Somerset. Applications from serving men are accepted only during the month preceding the date of final discharge, and no decision will be given until after discharge.

16. The commuted sum shall be calculated at a rate not exceeding that shown for this purpose in the tables below.

17. Those eligible for a service pension will be awarded a terminal grant, in addition to the pension, at a rate equal to three times the annual value of the pension, a year for this purpose being reckoned as 52 weeks.

GRATUITIES

18. Subject to the following provisions those discharged without entitlement to service pension, on or after 31st July, 1971, provided they have completed not less than 12 years' reckonable service, from the age of 18 or date of entry if later, may be awarded a service gratuity on the following scale:—

Service given before the age of 18 years may be included as if it were reckonable service, subject, where such service is allowed to count to a maximum gratuity entitlement of £270 for men and £235 for women.

Special Provision for Naval Aircrew Categories

20. R.N. ratings who render or have rendered aircrew service, who are discharged without entitlement to service pension, *provided they have completed not less than 12 years' reckonable service from age 18 or date of entry, if later, will be eligible* for special gratuities at the following rates:—

Pilots	At the rate of £92·00 a year of each year of aircrew service
Aircrewmen I	
" II	
" I (U) ..	
" II (U) ..	At the rate of £79·00 a year for each year of aircrew service
Telegraphists (Aircrew)	
Naval Airman (Aircrew)	
Seamen U.C. (Aircrew)	

21. These special gratuities are in lieu of, not in addition to, the ordinary rates of gratuity in paragraphs 19 and 20 and are also subject to the general conditions given in paragraphs 24 to 27 for the payment of such gratuities. Ratings who have rendered both aircrew and other service will be awarded either a gratuity calculated at the special rates based on the limited period during which they have rendered aircrew service or a gratuity at the ordinary rates based on the whole of their reckonable service, whichever is the more to their advantage.

22. Should a rating be invalided while on aircrew service the minimum requirement of 3 years' service under paragraph 14 will not apply and the special gratuity appropriate to the length of aircrew service rendered will be awarded.

Reckonable Service

23. In calculating reckonable service for the purpose of service gratuities all satisfactory periods of service may be aggregated, subject to the provisions of the "5 year break" rule.

Where the total reckonable service is not in complete years the residual period of less than a year will be reckonable in calculating the amount of the gratuity. The award for the residual part of a year will be calculated, according to the number of days, as a proportion of the increase for the next complete year at the appropriate point on the scale.

Voluntary Discharge

24. Men discharged voluntarily will be eligible for gratuities under the same conditions as for men discharged on completion of engagement.

Other Discharges

25. Where a rating is discharged for misconduct or for inefficiency within his own control, the award of a service gratuity and its amount will be at the discretion of the Secretary of State for Defence; but where the discharge is for misconduct any gratuity awarded shall not exceed 90 per cent of the award which would have been admissible had the discharge been on other grounds.

26. If a Naval Rating or a Royal Marine dies whilst serving no gratuity will be payable.

PENSIONS, GRATUITIES AND SPECIAL COMPENSATION FOR RATINGS DISCHARGED UNDER REDUNDANCY TERMS

Ratings engaged to serve longer than twelve years who have given at least ten years' reckonable service.

27. Ratings in this category will, on redundancy, be eligible, subject to the provisions of sub-paragraphs (*a*) and (*b*) below, for a service pension, terminal grant and a tax-free special capital payment.

(*a*) *Pension and Terminal Grant.*—A redundant rating who has served for at least ten years from the age of 18 will be eligible for service pension assessed as though he had been invalided (but ignoring the requirement for at least 12 years' reckonable service) provided that one of the following conditions is fulfilled:—

(1) he has engaged to complete time for pension;
(2) he has engaged to serve for 14 years and there is no firm evidence that he would not have sought or he would have been refused re-engagement to complete time for pension. (Where there is such evidence of a firm nature, the terms in paragraph 30 below will apply.)

In addition, he will be granted a credit of service to count as reckonable service in the assessment of the pension as follows:

4 years or sufficient service required to complete 22 years (or the engagement undertaken if longer), whichever is the less.

Pension for the credit portion of service will in all cases be assessed at the rate for the first 22 years. Terminal grant which is tax free will be three times the annual rate of pension awarded, including the credit of service portion.

(*b*) *Special Capital Payment.* The amount of special capital payment for a redundant rating who satisfies the conditions as to engagement contained in the preceding sub-paragraph will start at 9 months' adjusted pay for 10 years' reckonable service rising to a plateau of 12 months' pay for 16 or more years' service but with 5 or more years of uncompleted service to go before completion of engagement and thereafter decreasing as the period of uncompleted service falls below 5 years. Adjusted pay will be a percentage of military salary, excluding all form of additional pay and allowances but including length of service pay in issue for the paid rank held on conclusion of the last active employment before discharge or in issue on the last day of full pay service, whichever is the greater. A month's pay will be calculated by multiplying the adjusted rate by 365 and dividing by 12. The scales of capital payments are set out in the following two tables:—

the period of service completed or remaining uncompleted is not a whole year or a whole number of years, an adjustment will be made in respect of each further calendar month of completed or uncompleted service of one-twelfth of the difference between the payment for the whole year or years of completed or uncompleted service and the payment for the next higher whole year or years in the table.

Ratings engaged to serve longer than twelve years who have given less than ten years' reckonable service

28. Ratings in this category will, on redundancy, be eligible, subject to the provisions of sub-paragraphs (*a*) and (*b*) below, for a tax-free service gratuity as though they had been invalided plus a tax-free special capital payment of up to a maximum of 14 months' adjusted pay.

(*a*) *Service Gratuity.*—A redundant rating who has served for less than 10 years from age 18 but satisfies the conditions as to engagement contained in sub-paragraphs 28(*a*) (1) or (2) above will be eligible for a service gratuity based on the normal invaliding scale.

(*b*) *Special Capital Payment.*—The rate of special capital payment for redundant ratings with less than 10 years' service from age 18 who satisfy the conditions as to engagement contained in sub-paragraphs 28(*a*)(1) and (2) above will be as provided for in Table 3 below. adjusted pay and a month's pay will be as defined in sub-paragraph 28(*b*) above.

Note.—The special capital payments shown above are for complete years of service. In addition, each further calendar month of service will attract a payment of one twelfth of any extra compensation for a further complete year subject to a maximum of 14 months' adjusted pay. This does not apply to the service gratuity which will be calculated on years and days.

Ratings engaged to serve for not more than twelve years

29. Ratings in this category and those referred to in paragraph 28(*a*) (2) above who have engaged to serve for 14 years but where there is evidence of a firm nature that they would not have sought or would have been refused re-engagement to complete time for pension, will be eligible on redundancy for a tax-free service gratuity as though they had been invalided plus a tax-free special capital payment as follows:

(*a*) *Service Gratuity.*—A redundant rating who does not satisfy the conditions as to engagement contained in sub-paragraphs 28(*a*) (1) or (2) above will be eligible for a gratuity as though he had been invalided.

(*b*) *Special Capital Payment.*—A redundant rating who does not satisfy the conditions as to engagement contained in sub-paragraphs 28(*a*)(1) or (2) above will be eligible for a tax-free special capital payment assessed on the basis of the following formula:—

(1) One month's adjusted pay for each year of reckonable service completed; *or*

(2) One month's adjusted pay for each complete year by which service is foreshortened, plus one month's adjusted pay:

whichever is the less.

Adjusted pay and a month's pay will be as defined in sub-paragraph 28(*b*) above, and for each further calendar month of service in addition to complete years, an adjustment will be made of one-twelfth of the difference between the payment for the complete years and the payment for the next complete year. The effect of applying this formula to 9-, 12-, and 14-year engagements is shown below:—

III.—Pensioners—Re-employed in Peace-time

1. The following general conditions govern the re-employment of pensioners in peace-time:—

2. All pensioners re-entering for further service are required to give up payment of pension, the additional service counting for increase of pension and terminal grant on final discharge.

3. Ratings who re-enter the Service within 5 years of being discharged on redundancy will be required to refund a portion of the Special Capital Payment awarded to them as follows:—

Break in Service	*Refund of Special Capital Payment*
1 year	Four Fifths
2 years	Three Fifths
3 ,,	Two Fifths
4 ,,	One Fifth
5 ,, or over	— (Nil)

(*a*) Where the interval between the date of discharge and date of re-employment is more than a full year the amount of refund should be calculated in terms of years and days. Re-employment within the first twelve months should be proportioned accordingly.

(*b*) In addition to the above a discount of a period equal to that by which service on redundancy was enhanced should be made from any subsequent service reckonable for terminal benefits.

4. On discharge, a revised pension and terminal grant assessed on the basis of total service (including re-employed service), will be awarded as follows:—

(*a*) Under the regulations in force on the termination of re-employed service, if the former award of pension and terminal grant was made under those regulations, or if the period of re-employment was at least three years, or if invalided from re-employment.

(*b*) Otherwise, under the regulations in force at the time of original discharge.

Digitized by Google

(*c*) The amount of terminal grant assessed under (*a*) or (*b*) will be reduced by the amount of terminal grant previously awarded.

5. Where there is a break in service of more than five years, the earlier service cannot normally be added to the subsequent service for the purpose of determining eligibility for pension and calculating the award. The foregoing rules for the reckoning of re-employed service apply, therefore, only if the interval of service did not exceed five years.

IV.—Pensioners—Re-employment in an Emergency

A service pensioner will, during periods of re-employment in emergency continue to receive his service pension subject to the conditions normally attached thereto.

On discharge or release from such service as a service pensioner, provided his service has been satisfactory and of at least 6 months' duration, may receive an addition to his pension of half the difference between:

(*a*) the pension for which his previous service qualified him, or would have qualified him under paragraphs 3 to 7, and

(*b*) the pension for which he would be eligible under paragraphs 3 to 7 of this schedule if his further service were added to his previous service.

No terminal grant or additional terminal grant will be payable in respect of re-employment.

No refund of Special Capital payment will be necessary from men recalled within 5 years of being discharged redundant.

V.—Disablement Pensions and Gratuities

1. The award of pensions and gratuities in respect of disablement attributable to service during the 1914/18 War and after 2nd September, 1930, is dealt with by the Department of Health and Social Security. Information is given on page 50.

2. Awards in respect of disablement arising from service before the 1914/18 War and during the period 1st October, 1921 to 2nd September, 1939 are made by the Navy Department, Ministry of Defence, from whom further information may be obtained.

13. If a rating dies while serving no gratuity will be payable under this Section.

GENERAL

14. Reckonable service for the purpose of determining entitlement to pensions and gratuities and for assessing the rates will be as for naval ratings generally. In calculating reckonable service all satisfactory periods of full pay service may be aggregated except that service preceding a five year interval in service will not be reckonable service unless specially so allowed by the Ministry of Defence. No period in respect of which a gratuity other than a War Gratuity has already been paid may be allowed to reckon unless such gratuity is repaid either as a lump sum or by deductions from pay.

15. Applications on Form S.409 for the award of service pensions and gratuities, accompanied by Service Certificates, completed as far as possible up to the anticipated date of discharge, are to be forwarded to the Director General of Defence Accounts, Pay and Pensions Division, Branch 3A, HMS Centurion, Grange Road, Gosport PO 139 XA, not less than three months before the date of discharge. Authority for the payment of pension or gratuity will be issued by the Director General of Defence Accounts to the Cashier, H.M. Dockyard, Hong Kong.

16. Requests for commutation of pension under paragraph 5 should be submitted through the usual channels to the Commodore-in-Charge, Hong Hong. Where commutation is permitted, a copy of the Commodore's approval is to be forwarded to the Director General of Defence Accounts, Branch 2B, Warminster Road, Bath, BA 15 AA. Except where the award of pension has already been made, the approval of commutation should accompany the Form S.409. Payment will be authorised by the Director General of Defence Accounts in the manner described in paragraph 15.

VII.—Locally Entered Ratings of the Royal Navy Disablement Pensions and Gratuities

1. The following arrangements are effective from 1st November, 1967, and apply to all R.N. Locally Entered ratings for whom no other specific arrangements have been made. They will, therefore, cover St. Helenian, Bantu, Somali, Goan, and Hong Kong ratings. The awards for Hong Kong ratings are authorised in Hong Kong dollars.

Disablement Pensions and Gratuities Allowable for Attributable Invaliding.

2. Disablement pensions for R.N. Locally Entered ratings will be at the rates shown below for total disablement, with proportionate reductions for smaller degrees of disablement.

(*a*) Where the degree of disablement is assessed at 20 per cent and upwards the invalid may be awarded a pension, either temporarily or permanently according to the circumstances of the case, on the basis of a maximum scale of £3·80 a week for Chief Petty Officers and Petty Officers, £3.74 a week for Leading ratings and £3·68 a week for lower ratings for total disablement (100 per cent); lower degrees of disablement carry proportionately reduced rates. (The rates for Hong Kong ratings are: $60·80, $59·80 and $58·80 respectively.)

(*b*) If the degree of disablement be assessed at less than 20 per cent, the invalid may be awarded a gratuity appropriate to the degree of disability but not exceeding £240·50 (Hong Kong $3848).

(*c*) The award of disablement compensation is subject to the same conditions as for invalids generally.

Gratuities for Minor Injuries for which Hurt Certificates are granted.

3. Gratuities may also be granted on discharge at Ministry of Defence discretion in respect of slight permanent injury due to the service, for which a Hurt Certificate was granted, when discharge is totally unconnected with the injury, and any other compensation awarded is based on length of service only.

VIII.—Ratings Locally Entered at Singapore Disablement Pensions and Gratuities

1. The following arrangements are effective from 1st January, 1960, in respect of attributable disablement:—

Disablement Pensions

2. Where the degree of disablement is assessed at 20 per cent or more, the rating may be awarded a pension, either temporarily or permanently according to the circumstances of the case. The following table gives the pension rates for 100 per cent disablement; lower degrees of disablement carry proportionately reduced rates:—

Rank	*Monthly* $
Able Rating	70.00
Leading Rating	75.60
Petty Officer	81.20
Chief Petty Officer	86.80

The disablement pension is to be added to any service pension for assessment of cost of living allowance.

3. A monthly allowance may be paid in respect of a wife and/or up to six children. Where the husband's disablement is assessed at 100 per cent, the wife's allowance is $15.40 and each child's allowance $11.75, pro rata for other assessments. The allowance may be granted to children under the age of 17 and at the discretion of the Ministry of Defence to those over 17 who cannot support themselves because of an infirmity which arose before they reached that age, or as to students or apprentices.

4. Allowances may also be approved for treatment, constant attendance, wear and tear of clothing, lowered standard of occupation and education of children under the general conditions applicable to members of the Federation Armed Forces.

Gratuities

5. Where the degree of disablement is assessed at less than 20 per cent, the rating may be awarded a gratuity appropriate to the injury but not exceeding $1040, or a temporary allowance with or without a terminal gratuity.

IX.—Greenwich Hospital Pensions and Benefits

A.—Special Pensions and other Benefits of Greenwich Hospital

1. Under the Greenwich Hospital Act of 1869,

Digitized by Google

Seamen and Royal Marines are admitted to the benefits of Greenwich Hospital. By the term "Benefits of Greenwich Hospital" is meant the grant of special pensions from the funds of Greenwich Hospital, to Seamen and Royal Marines of good character who have been discharged from Her Majesty's Service, and are permanently or temporarily unable to maintain themselves.

2. The undermentioned persons shall be considered eligible for the benefits of Greenwich Hospital if infirm or helpless, or permanently or temporarily unable to maintain themselves:—

Class I.—All seamen and marines who have been granted naval pensions for life.

Class II.—All seamen and marines who have served with good characters for 12 years continuously, or with short intervals.

Class III.—All seamen and marines who, having served for not less than 5 years (including Boy's service, if any) have been discharged as permanently unfit for Naval service.

Class IV.—All seamen and marines who were discharged or invalided on account of disease or injuries received as attributable to the service of the Crown.

Class V.—Seamen and marines whose claims may be considered special and exceptional, not coming within the above-mentioned classes.

3. Seamen and Royal Marines coming within any of the above classes, whose claims to the benefits of Greenwich Hospital have been allowed may, after examination and having regard to the applicants' means, be allowed special pensions from the funds of Greenwich Hospital not exceeding 25p a day.

Special pensions may be drawn by men residing in the Commonwealth.

4. Civil and Army pensioners who, in consequence of naval or maritime service, may be eligible for the benefits of Greenwich Hospital, may be granted special pensions.

5. Time served in the Army shall not be allowed to reckon with subsequent naval service for the benefits of Greenwich Hospital.

6. Yard craft personnel and Riggers on the Wages List who have been granted superannuation, and were entered prior to 1st April, 1953, as well as those who have been granted naval pensions, or who have been pensioned under the old dockyard regulations, shall be considered eligible for all the benefits of Greenwich Hospital, but breakwater men are not eligible for those benefits.

7. *Persons ineligible.*—The following persons shall not be considered eligible for the benefits of Greenwich Hospital:—

(*a*) men who are materially able to contribute to their own support;

(*b*) men with less than 12 years' service, however old they may be, who were discharged in good health and do not come under Class V of paragraph 2;

(*c*) men whose general character has been inferior to "good" unless there are special circumstances;

(*d*) men in Public Assistance Institutions, unless the Authority concerned will allow the pensioner to retain the whole of the Greenwich Hospital Special Pension.

8. All applications for the benefits of Greenwich Hospital shall be made to the Director of Greenwich Hospital, 13 Devonshire Square, London, E.C.2. A medical survey will be held on each applicant under 70 years of age to ascertain the degree in which he can contribute towards his own support, and on this report a decision will be formed by the Admiralty Board as to the claims of the applicant upon the funds of Greenwich Hospital.

B.—Pensions to Widows and Gratuities to Dependants

Under the Greenwich Hospital (Widows' Pensions and Dependants' Gratuities) Order, 1960, widows of Seamen and Marines may be granted pensions and Dependants may be granted gratuities subject to the following conditions:—

1. In cases of exceptional financial distress Pensions of up to £1·00 per week may be granted by the Admiralty Board out of the funds of Greenwich Hospital to the widow of any person deceased, whether before or after the passing of the Greenwich Hospital Act, 1947, while serving, or having served, as a non-commissioned officer, Petty Officer or man of the Royal Navy or Royal Marines or of any naval reserve force. Awards of these pensions will be granted only in very exceptional necessitous circumstances.

2. Owing to the limited funds available for this benefit, the total number of awards in force at any one time will be small. Priority will be given to the following classes, and awards will normally be restricted to these classes:—

(*a*) widows of men who have given not less than 22 years' service in the Royal Navy or 21 years in the Royal Marines;

(*b*) widows of men who, having given a shorter period of service, died while serving, or were invalided.

Awards will be made on a temporary basis, and will be subject to periodical review at such intervals as the Admiralty Board may decide.

3. A widow in receipt of a pension in respect of the attributability of her husband's death to Her Majesty's Service will be ineligible for the above pension.

4. If a widow re-marries her pension will cease.

5. Pensions and allowances are tenable subject to good behaviour and are granted at the discretion of the Admiralty Board. They cannot be claimed as a right. Any assignment, sale or contract relating to a pension is void.

6. Widows without children under 16 years of age shall, if so required, be medically surveyed by an approved Surgeon and Agent in order to ascertain the degree, if any, and probable duration of any infirmity.

7. Widows will be required to make a declaration quarterly or whenever it be considered necessary, before a duly authorised person, as to their continued widowhood and distressed circumstances.

8. The number of Greenwich Hospital widows pensions in force shall be such number as the available funds of Greenwich Hospital may admit.

9. In the event of men specified in paragraph 1 of these Regulations dying as widowers or without having been married, but leaving parents or other relatives dependent upon them, gratuities not exceeding £50 may be given at the discretion of the Admiralty Board to such parents or relatives (provided the total expenditure on such gratuities shall not exceed in any one year the sum of £500). No gratuity will be payable in any case where the death of the man has been accepted as attributable to Service.

PENSIONS AND GRATUITIES TO THE WIDOWS, CHILDREN AND CERTAIN OTHER DEPENDENT RELATIVES OF NAVAL RATINGS AND ROYAL MARINES (OTHER RANKS)

Attributable Pensions

1. Awards in respect of deaths attributable to service after 2nd September, 1939, are governed by the regulations of the Department of Health and Social Security which are shown on page 50. The regulations governing the award of pensions in respect of deaths attributable to the conditions of service between 1st October, 1921 and 2nd September, 1939, were last promulgated in the June 1956 edition of the Appendix to the Navy List.

Service Pensions (Non-Attributable Death)

2. The following scheme of ordinary pensions applies to the families of R.N. ratings and R.M. other ranks who gave service reckonable for pension after 31st August, 1950, provided that the husband was entitled to a service pension, or, if he dies while serving, would have been so entitled if he had been invalided on the day he died. The condition regarding service after 31st August, 1950, does not apply for widows of Regimental Sergeants-Major, R.M.

(*a*) For the widow—One-third of her husband's service pension as defined in paragraph 3, or the rates set out in paragraph 4, if more favourable.
(*b*) For each child under 16 years of age (unless motherless)—One-third of the widow's pension.
(*c*) For each motherless child under 16 years of age—Two-thirds of the rate which the widow received or would have received.

3. For the purpose of paragraph 2 above, the rate of service pension will be the rate which was in payment to the husband at the date of his death, with the addition of pensions increase, if not already in payment, or, if he had commuted, the full pension with pensions increase. When death occurs whilst serving, the rate will be the amount to which he would have been entitled if he had been invalided on the day of his death.

4. If the rates of pension calculated in accordance with paragraph 2 would be less than those set out below, the latter will be payable:—

	Pension (Weekly)
Regimental Sergeant Major, R.M./Fleet Chief Officer	£3·00
Quartermaster Sergeant, R.M.	£2·77
Chief Petty Officer/Colour Sergeant, R.M.	£2·56
Petty Officer/Sergeant, R.M.	£2·22
Leading Rating/Corporal, R.M. and below	£1·68

General Conditions for Award

5. A pension cannot be claimed as a right. It may be withheld or reduced at the discretion of the Admiralty Board if the wife was separated from her husband at the time of his death, and in certain other circumstances.

6. A widow is ineligible for a pension if the marriage took place after her husband's final discharge from pensionable naval service.

7. A widow's pension will cease on her re-marriage, but if she again becomes a widow, the pension may be restored at the discretion of the Admiralty Board.

8. Children's pensions will be given where the widow is (or would, if living, have been) eligible for pension. In addition to children of the rating or other rank, adopted children and step-children will, subject to certain conditions, be eligible. Pensions will be payable normally up to age 18 in respect of the children of Regimental Sergeants-Major, R.M., and up to age 16 in respect of the children of naval ratings and Royal Marines, but may be paid beyond those ages in certain circumstances (e.g. during further education).

Gratuities to Widows, etc.

9. This is a benefit for the widows of regular ratings and other ranks who die while serving or during re-employment.

The amount of the gratuity will be as follows:—

(*a*) where a Terminal Grant would have been payable on invaliding, a gratuity equal to the Terminal Grant to which the rating or other rank would have been entitled.

(*b*) where no Terminal Grant would have been payable, the following scale to apply:—

Less than 4 years 'service	£205
4 years' service	£240
5 ,, ,,	£280
6 ,, ,,	£315
7 ,, ,,	£355
8 ,, ,,	£390
9 ,, ,,	£430
10 ,, ,,	£465
11 ,, ,,	£505

Thence by increments of £40 for each additional year of service which would have reckoned for service gratuity.

10. Normally the gratuity will be payable in full to the widow. It may, however, be withheld or reduced where the widow was separated from her husband. Where there are children not dependent on the widow, part of the gratuity may be withheld from her and paid for the benefit of the children. Where there are children but no widow, the gratuity may be paid in whole or in part for the benefit of the children. Children dependent on women members of the Forces who die while serving will similarly be eligible for gratuities in certain circumstances.

When a man dies within one year of discharge to pension an award may be made of up to one year's basic pay less any service pension or lump sum paid.

PENSIONS INCREASE SCHEMES

1. Pensions Increase schemes are introduced periodically with the object of making additions to existing pensions. The effect of the various schemes are briefly summarised here. This summary is not to be taken as superseding or overriding the regulations contained in the Orders-in-Council, which give full details of, and define precise conditions for, the issue of pensions increases.

PENSION CATEGORIES TO WHICH THESE SCHEMES APPLY.

2. The main pensions to which these schemes relate are:—

(*a*) Officers' service retired pay, compassionate allowances and the service portion of disability retired pay.

Digitized by Google

(*b*) service retired pay and the service portion of disability retired pay of officers of the Women's Royal Naval Service and of Queen Alexandra's Royal Naval Nursing Service and Nursing Service Reserve and of the Naval Nursing Auxiliary Section.
(*c*) men's and women's service pensions, including elements for rank and age, and additions for war service.
(*d*) pensions payable under Order-in-Council of 23rd May 1952, and previous orders relating to Riggers, Yardcraft personnel and certain Shipwrights.
(*e*) pensions payable under appropriate Orders-in-Council relating to European and Indian members of the Hong Kong Dockyard Police, and European and Indian (or otherwise Asian) members of the Singapore Dockyard Police.
(*f*) family pensions.
(*g*) pensions for distinguished conduct. (Additions to pensions in respect of gallantry awards are, for the purpose of pensions increase schemes, regarded as forming a part of the pension to which they are attached.)
(*h*) meritorious service annuities payable to Royal Marines when the recipient is also receiving another pension increasable under these schemes.
(*i*) Retired Officers' Naval Pensions and Good Service Pensions.
(*j*) any award increased or increasable under Orders-in-Council of 13th August 1920, or 8th December 1924.
(*k*) pensions of Officers and certain ratings of the Royal Fleet Auxiliary Service.
(*l*) service retired pay of Officers of the former Royal Indian Navy.

CONDITIONS OF ELIGIBILITY

3. Pensions to which these schemes relate may be increased provided:—
(*a*) the pensioner has reached the age of 60 years or, where the pension is a widow's pension, 40 years, or
(*b*) the pensioner, if receiving a pension as a child of a deceased officer, rating or other rank, is under 16 or, if over 16, is receiving full-time instruction in an educational establishment or is undergoing training for a trade, profession or vocation in circumstances that require him to devote the whole of his time to that training for a period of not less than two years; or
(*c*) the pensioner was invalided from naval service other than re-employed service; or
(*d*) the pensioner is a woman with at least one dependant who is wholly or mainly dependent on her and where the dependant's circumstances are the same as those of a pensioner defined at (*b*); or
(*e*) the pensioner is permanently incapacitated by physical or mental infirmity from engaging in any regular full-time employment.

METHODS OF COMPUTING INCREASES

4. The actual increases under each scheme are shown separately at the end of this section. They are subject to the following provisions:
(*a*) Where the increase is expressed as a percentage, it is applied to the sum of the basic pension and awards under all previous Pensions Increase schemes. Exceptionally the percentage increase under the 1956 scheme is applied only to the basic pension.
(*b*) In computing the increases under the 1959 and subsequent schemes, a fraction of a pound in an annual rate of pension is treated as a whole pound, and a fraction of £0·025 (sixpence) in a weekly rate of pension is treated as £0·025 (sixpence), for the purpose of the calculation only. The increase is added to the actual pension in payment.
(*c*) Where any part of a pension, which is increasable under a pensions increase scheme, has been commuted on or after the operative date of a particular pension increase scheme, it continues to be eligible for the increases due from the current and earlier (but not subsequent) pension increase schemes.
(*d*) The pension increases under the 1944–47 and 1952 schemes are subject to certain limitations at various points of the pension range. Where a naval pensioner is also in receipt of one or more of certain other public service pension, as defined by Order-in-Council, the pensions are aggregated for the purpose of determining the appropriate ceiling.

SPECIAL PROVISIONS

5. The retired pay and additional retired pay granted to officers in respect of certain salaried appointments for which provision is made in Orders-in-Council dated 13th December, 1921 (No. 207*/CE), 26th May, 1925 (No. 114A/CE), 23rd July, 1931 (No. 96/CE), and subsequent amending Orders-in-Council may be increased as follows:—
(*a*) Under Measures up to and including that of 1960:
(i) the retired pay earned by service on the Active List is increased by the amount of pensions increases appropriate to the date of the officer's final retirement: the additional retired pay earned by service in the salaried appointment after being placed on the Retired List is then added to the original retired pay, increased as above and the whole amount treated as a civil pension dating from final retirement; but
(ii) where the increase payable under (i) above is less than the increase that could be given solely on the rate of retired pay awarded for service on the active list, then the latter increase is to be given.
(*b*) Under the 1969 Measure:
The increase shall be the difference between the award of retired pay, including pensions increases, in payment prior to 1st April, 1969 and the sum of
(i) the Service retired pay earned by service on the Active List increased in accordance with the general conditions by the pensions increases, including the increase provided for in this Order, applicable to the retired pay code under which this element of retired pay was awarded; plus
(ii) the additional retired pay earned by service in the salaried appointment increased in accordance with the general conditions by the pensions increases, including the increase provided for in the Pensions (Increase) Act 1969, applicable to a civil pension commencing on the date of final retirement.

6. The pensions specified at sub-paragraphs 2 (*d*) (*e*) and (*k*) may be increased only by the extent to which a corresponding award under the Superannuation Acts would have been increasable under the appropriate Pensions (Increase) Acts.

The categories and their entitlement are defined precisely in Orders-in-Council 28th September 1944, 24th January 1945, 2nd April 1947 and 3rd June 1954. (2) an increase of 12% on awards which were assessed in accordance with regulations introduced from 1st April 1970;

OFFICERS EMPLOYED ON INSPECTION, RESEARCH, DESIGN AND EXPERIMENTAL ORDNANCE DUTIES, &c.—CONDITIONS OF SERVICE

The following regulations govern, with effect from 21st November, 1929, the conditions of service of Naval and Royal Marine Officers employed on Inspection, Research, Design and Experimental Ordnance Duties, etc., as indicated in paragraph 4 below. They do not apply to any civilians so employed.

1. Regulations relating to Recruitment and Probation have been omitted from this issue as recruitment under these conditions has ceased. Regulations for recruitment under a modified scheme are published from time to time in Defence Council Instructions (Royal Navy).

2. Officers holding permanent appointment under the scheme will not be eligible to revert to sea service or corps duty.

Officers will be interchangeable, so far as efficiency permits, between the various branches, though it is contemplated that some will display special capacity and preference for a particular branch, and it may prove to the advantage of the Service to allow such Officers to devote a large proportion of their service to that branch.

In order to give opportunity for judging the relative suitability of Officers for the various types of work for the first 8 years after the completion of the probationary period, Officers will normally be appointed for terms of 2 years only. Endeavour will be made to give each Officer one period, extra murally, in any relevant research and development project team in the controllerate of R and D Establishments and Research within the Procurement Executive, though the number of posts available will not permit this to be done in all cases.

Appointment to the senior posts and higher posts (paragraph 4) will be in vacancies, and will be made solely by selection.

After the initial 10 years mentioned above, all appointments will be normally for 4 years.

Note.—

(*a*) The duration of all appointments will be subject to the exigencies of the Service, and while, in normal circumstances, the duration will be as given above, appointments may be curtailed or extended at the discretion of the Defence Council or Admiralty Board.

(*b*) Officers who hold Group (*C*) and Group (*D*) posts (paragraph 4) will not be eligible for further promotion under the scheme after they have attained the ages of 52 and 47 years, respectively.

(*c*) Officers subject to this scheme will not be borne on ships books or included in Vote A, either during the probationary period or after. While still on the Active List they will be supernumerary to the establishments of Officers of their particular ranks.

3. *Rank, etc.*—The naval rank corresponding to each post is prescribed in paragraph 4. Precedence and control within the departments is determined by the post held.

Officers are to wear uniform only when serving with Officers of the Royal Navy, the Army or the Royal Air Force wearing uniform, or when otherwise required.

The uniform worn is to be that of the rank corresponding to the post (see paragraph 4).

The special grant of steps in rank after retirement (see paragraph 14) will be limited to what is required to give an Officer the rank corresponding to his grade (see paragraph 4).

A Lieutenant-Commander occupying a Group (*D*) post on retirement will remain a Lieutenant-Commander unless he is eligible for higher rank under the ordinary general naval rules in force.

Active Service Officers appointed to any of the posts in the ensuing paragraph, who do not already hold the rank appropriate thereto, will be given acting rank, as necessary, until placed on the Retired List.

A Captain R.M. serving in a Group (*D*) post will retain the rank of Captain for the duration of service in that Group. On promotion to a Group (*C*) post he will be given automatically the rank of Acting Major and this rank will be confirmed on reaching age 45.

Service in acting higher rank prior to retirement from the Active List will not be taken into account in assessing retired pay—see paragraph 11.

(*a*) Salary scales are shown in D.C.I's.

(*b*) The retired pay of retired Officers serving in any of these appointments will be suspended during such service.

(*c*) Officers employed in these appointments may receive an allowance of £1·15 a day for each day on which they are required to serve at sea in a submarine.

5. *Remuneration during periods of temporary unemployment.* Officers on the Active List serving in any of these appointments will be eligible for pay at the rates appropriate to their substantive rank and seniority, and under the conditions applicable to Officers on the general Active List.

Officers on the Retired List will be eligible to receive pay at a rate equal to their retired pay plus the addition to retired pay, if any (see paragraph 11), for which they would have been eligible, if on the date of ceasing salary their services had been finally terminated at their own request.

6. *Counting of service for increase of retired pay.*—Subject to the provisions of paragraph 10 the following conditions will apply: (*a*) All time in respect of which salary is drawn up to the ages of compulsory termination of employment and any further service up to the age of 65, shall count as full time for increase of retired pay. In the case of service between the age of compulsory termination of employment and age 65 the addition to retired pay will be calculated on either salary at the time of compulsory termination of employment or salary on completion of further service up to the age of 65, whichever is the more favourable.

(*b*) Time in respect of which unemployed pay or half-pay is drawn will, in the case of Officers on the Active List, count in the same manner as for Officers on the General Active List, and in the case of retired Officers be ignored.

7. *Leave.*—Leave up to six weeks per annum will be granted, subject to departmental requirements.

8. *Sick Leave.*—Sick Leave on full salary may be granted up to six months in any twelve months, subject to an overriding limit of twelve months in any four years. Ministry sanction must be obtained for the grant of sick leave in excess of three months in any period of twelve months (*see* also paragraph 9).

9. *Hospital, medical and dental treatment.*—Officers, whether on the Active List or Retired List, Royal Navy or Royal Marines, will be eligible for hospital, medical and dental treatment under Naval arrangements at the expense of Navy Votes. As the rates in paragraph 4 include an element for victualling (i.e., they are assessed on the basis that the Officers will have to make their own arrangements for food), a charge will be made for their maintenance while in hospital, so long as they continue to receive full salary. A sum equivalent to the current rate of provision allowance will be deducted from their salary for each day or part of a day in hospital. Officers who have exhausted the sick leave to which they are entitled (see paragraph 8) will, if on the Active List be placed on half-pay, and, if on the Retired List, on unemployed pay (see paragraph 5).

10. *Termination of employment.*—Employment under the scheme will terminate compulsorily at the following ages:—

Higher posts	..	..	..	57
Senior posts	..	..	..	55
Junior posts	..	..	..	52

Officers may be unemployed for two consecutive years, but will not be eligible for further employment subsequently.

The employment of an Officer may be terminated at any time, if, in the opinion of the Defence Council or Admiralty Board, he has been guilty of misconduct, or has unsatisfactorily performed his duties, or is otherwise unsuitable, or is physically unfit for further service.

Voluntary termination of employment, which, if the Officer is on the Active List, must be accompanied by retirement therefrom, may be allowed at the discretion of the Defence Council or Admiralty Board.

They reserve to themselves the right to terminate an Officer's employment under this scheme if, having regard to the posts he has held and the necessity for providing opportunity for promotion of more junior officers, they are unable to offer him further suitable employment.

Officers may be re-employed at the discretion of the Defence Council or Admiralty Board beyond the ages for compulsory termination of employment.

11. *Retirement from the Active List and retired pay.*—Officers on the Active List serving in any of these appointments, if not previously retired at their own request or otherwise, will be transferred from the Active List to the Retired List, on reaching the age for compulsory retirement applicable to Officers on the Active List, but this will not necessitate termination of their employment nor entitle them to receive retired pay while still employed.

Service in acting higher rank, prior to retirement from the Active List for any cause, will not be taken into account in assessing any entitlement to retired pay, notwithstanding any provision to the contrary for officers on the general Active List.

In other respects, Officers whose employment under this scheme is finally terminated for any cause while

Digitized by Google

on the Active List will be placed on the Retired List at once with the rate of retired pay for which they are eligible under the regulations applicable to Officers retired from the general Active List. Officers whose services are finally terminated under paragraph 10, either after two consecutive years of unemployment, or on account of unsatisfactory performance of their duties, or on account of unsuitability, will be granted the retired pay prescribed for retirement from the general Active List for similar reasons.

12. *Addition to retired pay of retired Officers whose employment is finally terminated after retirement from the Active List.*—Officers whose employment is finally terminated after their retirement from the Active List may be granted, in addition to the retired pay earned by their service prior to retirement, an increase in retired pay in respect of their subsequent service calculated, irrespective of the appointment held, under the following regulations:—

I. Except as provided in Clause III below, Officers whose services are terminated—

(*a*) otherwise than for misconduct after 10 or more years' service subsequent to their retirement, or

(*b*) after less than 10 years' service subsequent to their retirement either at their own request, or for unsuitability, or for unsatisfactory performance of their duties,

may be granted an addition to retired pay, the rate of which will be calculated at one-sixtieth of the salary of the appointment held immediately prior to discharge for each complete year of their service after retirement, excluding any periods for which unemployment pay under paragraph 5 above may have been issued.

II. Except as provided in Clause III below, Officers whose services are terminated otherwise than for misconduct or any of the causes mentioned in Clause I (*b*) of this rule, and after less than 10 years' service subsequent to their retirement, may be granted an addition to retired pay, the rate of which will be calculated at one-fiftieth of the salary of the appointment held immediately prior to discharge for each complete year of service after retirement, excluding any periods for which unemployed pay under paragraph 5 above may have been issued, provided, however, that the addition to retired pay shall in no case exceed one-sixth of the salary of the appointment held immediately prior to discharge.

III. An Officer who on or after 1st April, 1919, has been retired from the Active List of the Royal Navy or Royal Marines with a special rate of retired pay higher than that permissible under the ordinary regulations applicable to Officers on the general Active Lists at the date of retirement for an Officer of like age, rank and service, will not, on the final termination of his employment, receive retired pay and addition to retired pay in excess of the greater of the two following sums:—

(*a*) The retired pay for which he would have been eligible had he, on retirement from the Active List of the Royal Navy or Royal Marines, been awarded the rate of retired pay permissible under the ordinary regulations in force at the date of such retirement for an Officer of like age, rank and service and permitted to count the whole of his subsequent service for addition to retired pay under Clause I or Clause II hereof, whichever be appropriate, and

(*b*) The actual rate of retired pay awarded to him on retirement from the Active List without any addition for subsequent service.

IV. Officers whose services are terminated on account of misconduct may be granted such rate of addition to retired pay, if any, as the Ministry of Defence, at its discretion, may see fit to award, provided that it be lower than the rate for which they would have been eligible if their services had been terminated for unsuitability or unsatisfactory performance of their duties.

13. *Non-effective benefits payable to those Officers who have retired from the Active List with gratuities only.*—The following regulations apply to those Officers appointed after 1st June, 1936, to the aforesaid posts who have retired from the Active List:—

A. with gratuities, only, under normal regulations,

B. with gratuities, only, under the Special Retirement Scheme (1934) laid down in Orders-in-Council dated the 26th day of February, 1934, and the 13th day of August, 1935.

I. *Service* for the purpose of these regulations shall be such service rendered in one or more of the aforesaid posts by an Officer after his retirement from the Active List as would have counted for increase of retired pay had the Officer retired from the Active List with retired pay. (See para. 6 above.)

II. Officers in both categories A and B above who fail to complete four years' service otherwise than on account of attributable disabilities shall not qualify for the award of retired pay, but shall be eligible on termination of service, at Ministry of Defence discretion, for gratuities only, at rates not exceeding £200 and £160 for each complete year of service, in lieu of the retired pay additions of one-fiftieth and one-sixtieth, respectively, prescribed in paragraph 12 above.

III. An Officer in category A above whose service is terminated on or after the completion of four years' service shall be eligible for service retired pay equal in amount to the additional retired pay which he would have been granted under the provisions of paragraph 12 above, had he retired from the Active List with retired pay; to which shall be added, if his service has been terminated on account of attributable disability, the appropriate disability addition prescribed in paragraph 15 below.

IV. An Officer in category B above whose service is terminated either:—

(*a*) on, or after, the completion of four years' service, or

(*b*) at any time, on account of attributable disability,

shall be eligible for service retired pay at the rate laid down in paragraph 12 III (*a*) above, *less* the annuity value, as determined by the Ministry of Defence, of the gratuity he received on retirement from the Active List; to which shall be added, in the case of (*b*), the appropriate disability addition prescribed in paragraph 15 below.

V. Officers in both categories A and B above whose services are terminated on account of misconduct may be granted such rate of retired pay or gratuity, if any, as the Ministry may see fit to award, provided that it be lower than the rate of retired pay or gratuity for which they would have been eligible if their service had been terminated for unsuitability or unsatisfactory performance of the duties.

VI. Widows' pensions and children's allowances at ordinary rates (see paragraph 16 below) shall be payable in respect of Officers in both categories A and B above, provided that a minimum of four years' service has been rendered and that the conditions, generally, governing such awards are fulfilled, notwithstanding the provisions of Clause 5 (*g*) of the Schedule of Order-in-Council dated the 25th day of June, 1925.

14. *Rank on the Retired List.*—Officers who on retirement hold, or who may subsequently be appointed to, a Higher Post under these regulations may, at the discretion of the Defence Council or Admiralty Board, be granted the rank or equivalent rank of Captain, R.N., or the rank of Colonel, R.M., on the Retired List, and, similarly, Officers who on retirement hold, or who may subsequently be appointed to, a Senior Post under these regulations may, at the discretion of the Defence Council or Admiralty Board, be granted the rank or equivalent rank of Commander, R.N., or the rank of Lieutenant-Colonel or Major, R.M., on the Retired List.

15. *Additional retired pay or disability retired pay on account of disablement attributable to the conditions*

of service.—Officers, whether on the Active or on the Retired List, serving in any of the appointments to which these rules apply, will be eligible at the discretion of the Ministry of Defence for additional retired pay or disability retired pay in respect of disability certified by the competent medical authority as attributable to the conditions of service, at the rates and under the conditions applicable from time to time to Officers on the general Active List.

16. *Pensions and other grants to widows and dependent relatives of deceased Officers.*—The widows and other dependent relatives of deceased Officers, who have served in any of the appointments to which these rules apply, will be eligible, at the discretion of the Ministry of Defence, for the award of pensions or other grants under the regulations from time to time in force for Officers of the Royal Navy and Royal Marines, except that:—

(*a*) for the purpose of determining the eligibility of any applicant for a pension or other grant, service on the Retired List in an appointment to which these rules apply will be regarded as equivalent to service on the Active List, and

(*b*) the pension or other grant shall be assessed as follows:—

Higher Posts—As for Captain R.N.
Senior Posts—As for Commander R.N.
Junior Posts—To remain on the basis of the highest rank held on the Active List.

17. *Removal and travelling expenses.*—Removal expenses, when allowed, are payable under the Regulations applicable to civilian officers, which are contained in the Non-Industrial Staff Regulations (B.R. 2103). They are not payable:—

(*a*) on first appointment under this Order;

(*b*) on transfer at own request or for misconduct;

(*c*) on retirement.

18. *Official residence or quarters.*—Officers appointed under the provisions of this Order may be called upon to occupy an official residence or quarters, and in such an event they will be required to pay an appropriate rent under the rules applicable to civilian officers.

REGULATIONS RELATING TO THE EMPLOYMENT, &c., OF OFFICERS ON THE RETIRED AND EMERGENCY LISTS

Note (A).—Officers on the Retired and Emergency Lists are reminded that they are under a continuous liability for Naval Service, if so required, on mobilisation. Before undertaking any Civil employment which would interfere with their immediate readiness for service, Officers should ascertain whether the Ministry of Defence is prepared to grant them exemption from Naval Service, either for a limited period or permanently. For Officers under the age of 60 such exemption will only be approved in special cases, and applications received in time of emergency when mobilisation is expected, or has been ordered, will not be entertained.

Note (B).—The regulations concerning payment of Service retired pay during re-employment in peacetime and time of emergency, and as regards further awards of Service retired pay, terminal grant, or additional terminal grant or service gratuity following such re-employment, are given in the section on retired pay. They should not be confused with the rules regarding payments for attendance at, or in connection with, committees under the Ministry of Defence or for special duties, given in paragraph 8 below.

1. *General.*—Her Majesty has the power to call all Retired Officers into active employment in case of war or emergency, but the first selection for employment will be made from those who are below the age of 60.

Lists of Retired Officers are kept at the Ministry of Defence. On retirement, Officers are to report their private addresses to the undermentioned authorities:—

(*a*) All Naval Officers other than those in categories (*b*) and (*c*) below: Naval Secretary, Ministry of Defence, Old Admiralty Building, Whitehall, London, S.W.1.

(*b*) Medical, Dental and Wardmaster Officers:—Medical Director-General (Naval), Empress State Building, London, S.W.6.

(*c*) Royal Marines Officers:—Commandant General Royal Marines, Old Admiralty Building, Whitehall, London, S.W.1.

Any change of address is to be similarly reported.

As a general rule Officers retired on account of physical unfitness are included with a view to employment on such service as they may be fit to perform.

Officers on the Retired List or Emergency List who are not on active service are asked to notify the Ministry if they intend to visit countries *outside* the Commonwealth and Colonies, the N.A.T.O. areas, the Irish Republic, Austria, Switzerland, Spain or South Africa, or to be absent from the United Kingdom for more than one month Q.R. (R.N.), 0923

Those Retired and Emergency List Officers who have been specially indoctrinated must continue to abide by their undertaking.

2. *Retired and Emergency List Officers re-employed in an emergency*:—

Pay and Allowances

(*a*) Retired Flag Officers and Officers of equivalent rank will receive pay of the rank in which they are appointed to serve, together with allowances appropriate to that rank. Where appointed to serve in a rank below Flag rank, they will receive the maximum rate of pay in the rank in which serving. During periods of sick leave, or other intervals between effective appointments, the rates of pay and allowances will be those last in issue, unless instructions to the contrary are issued by the Ministry.

(*b*) Retired Officers and Officers on the Emergency List of the rank or relative rank of Captain, R.N., or below, will receive pay on the scale appropriate to the rank held on the Retired or Emergency Lists, irrespective of the rank in which serving, time served on pay in that rank being reckoned for the purpose of increments of pay. A retired Officer or an Officer on the Emergency List of the rank or relative rank of Captain, R.N., or below, who is re-employed in a rank lower than that last held on the Active List, will receive allowances at the rates appropriate to the last rank held on the Active List. A retired Officer of the rank or relative rank of Captain, R.N., or below promoted on or after retirement, and re-employed in a rank lower than that held on the Retired List will receive allowances at the rates appropriate to the rank in which he is serving, except that allowances for which he would be ineligible if serving in the rank held on the Retired List will not be payable. This provision also applies to an Officer promoted after being placed on the Emergency List and re-employed in a lower rank than that held on that list.

(*c*) Retired and Emergency List Officers who are granted acting rank higher than that held on the Retired or Emergency Lists will receive pay and allowances of the higher rank under the conditions applying to Active List Officers.

(*d*) In all cases the scales of pay and allowances will be those in force at the time for corresponding Officers on the Active List.

(*e*) An Officer will be eligible to receive a rate of pay equivalent to the rate of service retired pay (or the service element of disability retired pay or pension) if more to his advantage than the rate of pay payable under clauses (*a*) and (*b*).

(*f*) No reduction from pay will be made in respect of any gratuity awarded on retirement or discharge.

(*g*) In the case of Officers who have retired without retired pay and Officers on the Emergency List, neither time nor promotion after retirement will qualify for retired pay or retiring gratuity.

3. *Officers retained in employment beyond the age set for compulsory retirement.*—Such Officers will be treated as retired Officers re-employed.

4. *Promotion.*—Officers called from the Retired List during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List, in so far as promotion is dependent on service.

Such Officers may also be promoted at the discretion of the Defence Council or Admiralty Board irrespective of the regulations governing the promotion of Officers on the Active List, provided that such special promotion does not extend to the granting of Flag rank or of any equal relative rank. As a rule, however, such step in rank will not be granted until the Officer has ceased re-employment.

5. *Instruction*

(*a*) Retired Officers who have been selected to fill appointments in time of emergency will undergo instruction as may be necessary to qualify them for the duties of the posts they will be required to take up. While undergoing such instruction they will receive pay as in paragraph 2 (without command money or equipment allowance), and allowances of their corresponding ranks on the Active List. The tme served will count for increase of full pay.

(*b*) Officers will not, however, be detailed for courses of instruction in time of peace except with their own consent.

6. *Uniform.*—Officers re-employed after a break in service will receive a uniform grant of £10 towards the cost of bringing their uniform up to the prescribed scale. An additional grant may be paid to Officers whose break in service is four years or more.

Digitized by Google

Officers will wear the uniform of the rank in which they serve (see following paragraph).

7. *Rank and Command.*—Subject to the following provisions as to the right of command, steps in rank given on or after retirement will confer the right to the title, and other advantages of the higher rank.

In cases where a step or steps in rank have been granted automatically by virtue of and in strict seniority, the Officers shall take command according to their seniority on the Retired List, subject to the conditions that Captains retired from that rank shall in no case take command over an Officer on the Active List of Flag Officers, or over one who has retired from the Active List of Flag Officers.

In other cases steps in rank given on or after retirement shall not give the right of command amongst Naval Officers, which shall be governed by the date of commission in the rank held on the Active List at the date of retirement.

(*Note.*—For regulations regarding widows' pensions, etc., including the effect of total or partial commutation of retired pay, see appropriate sections of the Appendix.)

8. *Retired Officers employed as members of committees or on special duties under the Ministry of Defence.*

(*a*) Officers on retired pay employed as members of committees under the Ministry will be paid:—

(1) their actual reasonable travelling expenses in attending the meetings of, or when employed on special duties connected with, the committee. Whenever practicable travelling warrants should be used for the journey, but when warrants are not used, the number of the railway ticket purchased should be stated. In the absence of this information, only the cost of a Government rate journey will be allowed;

(2) the difference between pay and retired pay for those days on which Officers attend the meetings of the committee, or are employed on special duties connected therewith, including the days occupied in travelling from the Officers' residences and back;

(3) subsistence allowance in accordance with current regulations, when employed at a distance from their residences for those days on which they attend the meetings of the committee, or are engaged on special duties connected therewith, including the days occupied in travelling; but should the service on which they are employed entitle them to the allowance for more than fourteen nights consecutively at the same place, a reduction of one-third will be made in the allowance during any further stay in that place;

(4) allowances they are entitled to whilst actually attending the committee, should Officers' residences be at such a distance from the places at which the committee meets that the expense of going there and returning between the dates of any two consecutive meetings would be greater than that of remaining in the vicinity. Officers are to adopt the former course, acquainting the president of the committee of the facts and reporting the same to the Ministry of Defence in forwarding their claims for payment.

(*b*) Officers on retired pay while employed on special duties under the Ministry (except Officers employed by the Hydrographer of the Navy, for whom see clause (*f*) below), will be paid in accordance with this article, the days of employment on special service being taken as answering to those of attendance on committees.

(*c*) Officers on retired pay, when called upon to give evidence before committees assembled at a distance from their residence, will be repaid their actual reasonable travelling expenses, subject to the proviso in the second paragraph of clause (*a*) (1), and will receive subsistence allowance, as specified in clause (*a*) (3) and (4).

(*d*) All claims are to be made by the respective Officers in detail, and, for employment on a committee, the claim of each Officer must be certified by the president or chairman, stating the number of days and dates on which the Officer actually attended a meeting, or was employed on special duties connected with the committee.

(*e*) Claims which should if possible be made out on Form S.542 (Travelling Expenses Claim) are to be forwarded to Director General of Defence Accounts 2A.

(*f*) Retired Officers engaged under the Hydrographer's directions in compiling Hydrographic publications will be paid at rates as may be authorised from time to time.

R.N. EMERGENCY LIST

Note.—These regulations are issued for the general information of Officers on the Emergency List. It should, however, be understood that they are liable to revision, and any alteration made will be applicable in the case of all Emergency List Officers re-employed.

Officers Eligible

1. In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency, known as the R.N. Emergency List, has been established, and the Admiralty Board expect that all Officers who are released from the Active List for private reasons should be prepared to enrol their names on this List.

2. Officers leaving the Active List on completion of their Supplementary List Short Service or Extended Service engagements will, however, be placed on the List in all cases and be liable for service in war or emergency during the subsequent four or more years required by the terms of their engagement. At the end of that period they may volunteer to continue on the Emergency List, subject to the condition in paragraph 3.

3. Engineer Officers who apply under paragraph 1 above, will only be placed on the List if their profession continues to be connected with mechanical engineering. The nature of their employment or intended employment should be stated by candidates when volunteering, and also, if enrolled, once a year after their names are placed on the List. In the same manner Medical and Dental Officers will only be enrolled if they continue to practise their profession. The nature of their work should be reported annually. This rule will also apply to Officers mentioned in paragraph 2 if they volunteer to serve for a further period on the Emergency List after completing their original contract.

4. Officers on the Emergency List are to report any change in their address.

Officers on the Emergency List who are not on Active Service are asked to notify the Ministry if they intend to visit countries outside the Commonwealth and Colonies, the NATO areas, the Irish Republic, Austria, Switzerland, Spain or South Africa, or to be absent from the United Kingdom for more than one month. (QR (N.R.) 0923). Those Emergency List Officers who have been specially indoctrinated must continue to abide by their undertaking.

5. Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in Her Majesty's Fleet at short notice, they must first obtain the approval of the Ministry of Defence.

6. Any Officer who has voluntarily joined the Emergency List and subsequently withdraws will be required to resign his Commission.

7. The names of Emergency List Officers are shown in the Retired Section of the Navy List.

Conditions of Service

8. Officers whilst enrolled are allowed to retain their Commissions. They may wear the Uniform of their rank on the Emergency List (or War Service Rank if such has been granted), subject to permission being obtained from the Ministry. They do not receive pay, or pension, when not employed.

9. Officers selected to fill appointments to be taken up in time of war or emergency may be required to undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Officers will not, however, be detailed for courses of instruction in time of peace except with their own consent. Attendance at such courses of instruction will be under the following regulations:—

(*a*) The pay will be as under paragraph 10.

(*b*) Travelling expenses incurred in attending the courses will be allowed.

(*c*) Plain clothes may be worn, and no allowance for outfit will be given.

(*d*) Accommodation when available will be provided if desired.

(*e*) Charges may be made for food and accommodation when provided at the rates appropriate to the rank in which he is employed.

10. *Pay and Allowances.*

(*a*) When employed, Officers will receive pay on the scale appropriate to the rank held on the Emergency List, time served on pay in that rank being reckoned for the purposes of increases of pay. The scale will be that in force at the time for corresponding Officers on the Active List. No bonus on full pay is payable.

(*b*) An Officer promoted after appointment to the Emergency List and re-employed in a rank lower than that held on the Emergency List will receive allowances at the rates appropriate to the rank in which he is serving, except that allowances for which he would be ineligible if serving in the rank held on the Emergency List, will not be payable.

(*c*) An Officer re-employed in a rank lower than that last held on the Active List, will receive allowances at the rates appropriate to the last rank held on the Active List.

(*d*) Neither time nor promotion after retirement will qualify for retired pay or retiring gratuity.

Uniform

11. Officers who are recalled for full time service in time of national emergency will receive a uniform grant of £10 for the purpose of bringing their uniform up to scale. If the interval between their last day of paid active service(*) and their date of rejoining is four years or more, they may claim a refund of expenditure in excess of £10, necessarily incurred in bringing their outfits up to the required scale within the limit of the full value of that scale as assessed by the Ministry.

* Terminal Leave will be regarded as "active service" for this purpose.

Promotions

12. Officers called from the Emergency List for service during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List in so far as promotion is dependent on service. In special cases, Officers may be promoted at the discretion of the Defence Council or Admiralty Board, irrespective of the regulations governing the promotion of Officers on the Active List, but such special promotion will not extend to Flag or equivalent rank and will, as a rule, only be granted on ceasing service.

ROYAL MARINES

The foregoing rules apply to Royal Marines Officers entered on the Emergency List.

PRIZES, TESTIMONIALS, &c.

(Until further notice silver-gilt medals will be substituted for gold medals)

THE CHARLES DARGAVILLE BALLARD PRIZE

This prize was founded in 1954 under the will of the late Captain G. N. Ballard, C.B.E., R.N., in memory of his son, Acting Paymaster Sub-Lieutenant Charles Dargaville Ballard, R.N., who was killed in action when H.M.S. *Manchester* was torpedoed by an aircraft on 23rd July, 1941, while escorting a Malta convoy south of Sardinia.

The annual income derived from the Fund's holding in the United Services Trustee Combined Charitable Fund will be used to provide a prize which will be awarded annually, at the discretion of the Admiralty Board, to the General List Acting Sub-Lieutenant (S) who, on qualifying for confirmation in rank, has achieved the best all-round results throughout his training.

Acting Sub-Lieutenants (S) who are graduate or U.C.E. entries or who have completed in-Service degree training are ineligible for this prize owing to the different form their Naval Training has taken.

The prize consists of an article or articles (excluding clothing) selected by the successful Officer(s) with the approval of the Director-General of Naval Training: e.g., sword, binoculars, instruments or other appropriate equipment, or books designed to improve general knowledge or professional efficiency.

THE BEAUFORT TESTIMONIAL

The Beaufort Testimonial, which was founded in 1860 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of a prize of instruments or books of a professional character and of practical use to a Naval Officer.

It is bestowed annually on the General List Seaman Officer (Acting Sub-Lieutenant) who gains the highest marks in the Navigation and Direction examination held during the fourth (professional) years' training.

Seaman Officers of Commonwealth navies undergoing identical training to R.N. Officers are eligible to compete for this prize. (See also under the Wharton Testimonial.)

THE GILBERT BLANE MEDAL

In 1830 Sir Gilbert Blane, Baronet, formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, a fund for the encouragement of Naval Medical Science, which is vested in the Corporation of the Royal College of Surgeons of London, in trust.

This fund is employed for the purpose of conferring a Gold Medal annually on the Medical Officer of the Royal Navy who, to a degree which is considered worthy of recognition, has brought about an advance in any branch of Medical Science in its application to Naval Service, or has contributed to an improvement in any matter affecting the health or living conditions of Naval personnel.

Consideration is given to achievement in research, in original articles and reports, criticisms and information which is brought to notice of meritorious work performed, or suggestions made, by Medical Officers within the scope of the Regulations governing the award of the Medal as stated above.

The Medal is awarded annually unless no Officer is considered to have qualified, in which event the Medal is held over until the following year or any subsequent year, when, if considered justifiable to do so, it is given as an additional award.

Medical Officers of all ranks are eligible for the award, and an Officer is not restricted to receiving the Medal on one occasion only during his career.

If the unawarded Medals exceed 4, their value is given to the Naval Medical Compassionate Fund.

The object of this Fund is to assist young Royal Naval Officers and Ratings, young Women Naval Service Officers and Ratings, and young Royal Marine Officers and other ranks in defraying the cost of schemes of an adventurous or unconventional nature planned on their own initiative and which will result in the recipients of the awards being more useful members of their Service.

2. Owing to changed circumstances the Fund was reconstituted in 1959 as the Erroll-Eldridge Fund to form a prize, the income being devoted to annual "Erroll-Eldridge Prizes" to be awarded to Medical Officers of the Royal Navy who have been nominated as having made a notable contribution to the improvement of the health of the personnel of the Royal Navy or research thereon.

LIEUTENANT-COMMANDER HOOPER PRIZES

These prizes are awarded annually on the results of a competition which takes the form of writing an essay. The subject chosen for the competition is announced each year by the Director of the Naval Education Service in Defence Council Instructions (Royal Navy).

2. The competition is open only to confirmed and acting Leading, Able, Ordinary and Junior ratings of all Branches (including Artificer and Artificer Apprentice ratings) and equivalent ratings of the Women's Royal Naval Service and Royal Marines other ranks, but competitors holding Local Acting Petty Officer rating will be eligible to enter. Advancement to the Petty Officer rating or its equivalent (acting or confirmed) after the announcement of each competition and before the results are declared will not render competitors ineligible provided they submit their essays before being actually rated.

3. Competitors who submit the best essays in the competition will, except as indicated below, receive money prizes in order of merit as follows:—

First Prize	£25
Second Prize	£15
Third Prize	£10

If two or more essays of equal merit are eligible for a prize, the prizes (if any) for which the additional essays would have been eligible if they had instead been next in order of merit will be added to that prize and the whole shared equally between the successful competitors. If, however, in the opinion of the Admiralty Board sufficient entries of a high standard have not been received, the award of any or all of the prizes for the competition may be withheld. A prize may also be awarded at the discretion of the Admiralty Board to the widow or the next-of-kin of a deceased rating to whom, but for his death, it would have been awarded.

4. No competitor may submit more than one essay for each competition. Each essay must be accompanied by a declaration by its author that it is his own unassisted work; this declaration is to be countersigned by his Commanding Officer, and placed in the sealed envelope referred to in para. 8.

5. Essays should be of between 1,000 and 2,000 words and may be in manuscript or typed. In marking them, attention will be paid to subject matter, including logical arrangement, to paragraphing, expression and sentence construction, to general tidiness, and to spelling and punctuation.

6. Entries should be submitted through Commanding Officers direct to the appropriate Administrative Authority and should reach that authority not later than 30th November. Entries from R.M. other ranks should be submitted through the authority in whose Command they are serving. Entries from ratings serving in extra-Command areas (*e.g.*, in N.A.T.O. billets) should be submitted through the appropriate channels to the Command in which their welfare authority is situated. METHODS OF SELECTION AND AWARDS

APPLICATIONS

1. The application form should be completed and returned to the Ministry of Defence, Naval Personnel Division 1 (Scholarships), Old Admiralty Building, Whitehall, London SW1. A Registrar's copy of the candidate's birth certificate, or if one cannot be obtained, other documentary evidence (which may be a statutory declaration before a magistrate) giving exact date of birth should accompany the application. Any candidate who has not received acknowledgment of his application within 10 complete days should write at once to the above address. A competition time-table is enclosed for guidance on application dates.

SPECIALISATION

2. Candidates may apply for a Royal Naval Award, a Royal Marines Award, or both. Where they apply for both they must state which service is their first choice. Applicants for Naval Awards must state their order of preference for specialisations in which they are willing to serve. These specialisations are Seaman, Engineering (Mechanical and Electrical) and Supply and Secretariat. Award holders may alter their original selection of preferences during the tenure of the award. Specialisations will be allocated shortly before entry. Every effort will be made to meet the stated preference of the candidates but this cannot always be achieved, especially in the Supply and Secretariat specialisation, for which the number of places available is limited.

INTERVIEW

3. All candidates attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hampshire, which is under the presidency of a Flag Officer (or a Captain R.N.) assisted by other naval and civilian members. The Board takes account of academic attainments, Headmasters' or Tutors' reports and the result of tests of intelligence, aptitude and personality conducted during the selection procedure.

4. The procedure is divided into two parts. Part 1 starts on the evening of candidates' arrival in H.M.S. *Sultan* with certain written tests, and continues the next day with an interview. Candidates who fail to reach the necessary standard in Part 1 are informed accordingly and are able to return home or to school immediately. Written confirmation of their result will follow by post shortly afterwards.

5. Those who are successful in Part 1 proceed to the practical tests, the discussion exercise and the further interviews that make up Part 2 of the procedure. This usually takes place on the day following Part 1 but it is necessary on occasions to hold candidates over until the next but one day. Those who have to travel long distances to the selection procedure are usually asked to attend a medical examination in London on the day after Part 2.

6. Candidates are normally told by the Admiralty Interview Board within 2 or 3 days whether they have been recommended for the award of a Scholarship or Reserved Cadetship. Those who are recommended should not, however, assume that their entry to the Royal Navy is guaranteed because the final selection is made in the Ministry of Defence.

MEDICAL EXAMINATION

7. Candidates who reach a satisfactory standard at the Interview are generally called to attend a medical examination in London about two weeks later. They should not, however, assume that this implies success in the competition. For candidates who have to travel long distances every effort is made to arrange for the medical examination on the day following their interview.

8. Candidates who are below the physical or visual standard are informed as soon as possible so that they may appeal, if they wish, to the Naval Medical Board of Appeal. This consists of a representative of the Medical Director General (Naval) and the appropriate Civil Consultant to the Navy according to the nature of the disqualification. The nominal fee of one pound, which must accompany an appeal, is refunded if the appeal is successful. Expenses incurred in travelling, meals and accommodation for attendances at Appeal Boards are not refunded.

TRAVELLING AND OTHER EXPENSES

9. Where travelling expenses above 25p are incurred within the United Kingdom in order to attend the selection tests or medical examination, 2nd Class rail or bus fares from a candidate's school or normal place of residence will be refunded for the whole amount. Lodging and food are provided free of charge at H.M.S. *Sultan*, and a light meal is provided at the Medical Board where appropriate.

10. Candidates who have to travel long distances within the United Kingdom to reach the Interview or Medical Board, and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meals, bed and breakfast for each night necessarily spent away from home. The maximum amounts of refund will be notified separately. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses on accommodation and meals can be refunded.

AWARDS OF SCHOLARSHIPS, RESERVED CADETSHIPS AND RESERVED APPOINTMENTS

11. As medical appeals have to be decided and educational qualifications confirmed it will not be possible to announce the final awards until late September or early October. However parents/guardians will be notified of provisional results as soon after the interview and medical as possible.

PARTICIPATION IN MORE THAN ONE COMPETITION

12. A candidate unsuccessful at his first attempt may enter a subsequent competition. Not more than two attempts may be made. Similarly a candidate who is awarded a Royal Naval Reserved Cadetship or Royal Marines Reserved Appointment at his first attempt may make a second attempt to qualify for a Scholarship; such candidates must understand, however, that the original award will be withdrawn in the event of failure to reach the required standard on the second occasion. Lack of success on the Scholarship Competition will in no way affect the chances of a boy who subsequently applies to enter the Royal Navy or Royal Marines under any other scheme.

PART 2

GENERAL CONDITIONS OF AWARDS

SCOPE OF THE SCHEME

1. The scheme is open to boys undergoing full-time instruction at any school recognised by the appropriate education authority on the United Kingdom, the Isle of Man, the Channel Islands, or at a British Forces school overseas. The school must be capable of educating boys up to a standard of the Ordinary and Advanced Levels of the General Certificate of Education, or the Ordinary and Higher Grades of the Scottish Certificate of Education, or lacking this, the Headmaster must certify on the application form that arrangements can be made to have the candidate transferred to a school which has such facilities.

AGE LIMITS

2. Candidates must be at least 15 years but not yet 17 years 6 months on 1 September in the year of the award where a full two year award is sought. The upper age limit may be raised where the award is for one year only.

NATIONALITY

3. To be eligible candidates must:—

(*a*) at all times since birth have been a British subject or a citizen of the Republic of Ireland; and

(*b*) have been born in a country or territory which is, or then was within the Commonwealth, or in the Republic of Ireland; and

(*c*) have parents, both of whom were born in such a country or territory or in the Republic of Ireland and have always been, or always were British subjects or citizens of the Republic of Ireland.

(*a*) naturalisation certificate or evidence of naturalisation;

(*b*) parents' birth and marriage certificates;

(*c*) candidates' and parents' passports.

5. Candidates who are citizens of the Republic of Ireland will be required as a condition of entry to undertake to apply for British nationality (in order to be issued with a British passport). Application for British nationality will in no way affect a candidate's citizenship of the Republic of Ireland.

RESIDENTIAL QUALIFICATION

6. Candidates who are not of U.K. origin should have resided in the United Kingdom for at least 5 years immediately preceding the application. This rule may be waived in special circumstances by permission of the Secretary of State for Defence.

FINANCIAL ASSISTANCE FOR SCHOLARSHIP HOLDERS

7. Financial assistance can be granted to the holders of Scholarships for Tuition and Maintenance. The amounts paid are not subject to Income Tax. They will normally be payable for up to 2 academic years.

8. A Tuition Grant is payable where a Scholar is attending a fee-paying school. Fees in respect of tuition (but not accommodation, in the case of boarding schools) will be reimbursed up to a maximum of £260 per year. Payment will be made each term on production of a receipted school bill.

9. A Maintenance Grant is payable for scholars whose parents have a nett income of less than £2,125 per year. In determining nett income the following annual outgoings will be deducted from the gross income:—

(*a*) £200 for wife.

(*b*) £200 for each wholly dependent child, including the candidate.

(*c*) £200 for each other dependant (other than children).

(*d*) Up to £300 for school tuition fees (i.e. excluding boarding element) of each dependent child other than the candidate.

(*f*) Contributions payable for superannuation (including National Insurance) and premiums of life assurance on the parents or guardians (up to 10 per cent of income).

The Maintenance Grant will be paid at the following rate:—

£625 – £874	£100
£875 – £1124	£75
£1125 – £1374	£50
£1375 – £1624	£45
£1625 – £1874	£40
£1875 – £2125	£20
Over £2125	Nil

Following the award of a Scholarship parents/guardians will be asked to complete a confidential income assessment form. The first instalment of the Maintenance Grant will be paid as soon as possible thereafter: further instalments will be paid at the beginning of every term. After the first year of the award, parents or guardians will be required to complete a further financial declaration in order that the original award may be reviewed if necessary and the second year's grant calculated.

10. The payment of Tuition and Maintenance Grants is subject to satisfactory progress being maintained at school. To this end Headmasters' reports will be obtained at regular intervals.

11. An award will not normally be held for more than two years. Award holders will be expected to join the Royal Navy or Royal Marines in the September two years after the commencement of the award. They may enter as University Cadets, Cadet College or First Appointment entrants. Provided they satisfy the appropriate entry regulations there is of course no objection to their entry after one year of the award.

12. In certain cases where the holder of a Reserved Cadetship or Reserved Appointment does not qualify educationally within two years, the Ministry of Defence is prepared to extend the award for a further year. Scholarship holders may similarly be allowed a further year to qualify for entry *but no financial assistance can be allowed during this period.*

13. Candidates who fail to qualify educationally for an R.N. Full Career Commission may, if suitably qualified, be considered for a Short Career Commission in the Seaman specialisation, or if they pass flying aptitude and medical tests, in the Helicopter Aircrew specialisation. Similarly R.M. award holders may be considered for a Short Service Commission in the Royal Marines. Further interviews are not normally necessary, but this cannot be guaranteed.

UNDERTAKING TO ENTER THE ROYAL NAVY OR ROYAL MARINES

14. Awards are made on the understanding that the candidate intends to remain at school for the required period and to do his best to qualify for entry as an officer in the Royal Navy or Royal Marines. An undertaking to this effect will be required. If a Scholarship holder does not honour this obligation for reasons within his control he or his parents/guardians if he is under 18 years of age will be required to refund to the Ministry of Defence any instalments of the Scholarship paid in the interim.

RECIPROCAL UNDERTAKING

15. The Ministry of Defence guarantee entry as an officer in the Royal Navy or Royal Marines as appropriate to each award holder, subject to his satisfactory progress and behaviour, his reaching the appropriate educational qualifying standard, and his remaining medically fit (all boys will undergo a further medical examination prior to entry).

(3) Hallux Valgus, Hallux Rigidus, Hammer toes, Pes Cavus, Flat Feet.
(4) malformation of the head. Deformity from fracture or depression of the bones of the skull.

(*b*) *Obesity.* Providing that the candidates' cardiovascular and respiratory systems are within normal limits, that the exercise tolerance is normal, and that there is no undue dyspnoea on exertion, the candidate's actual weight may be ignored.

(*c*) *Skin disease.* Unless temporary or trivial. Psoriasis, chronic eczema, dermatitis, alopecia areata or a history of such conditions must be considered cause for rejection.

(*d*) *Psychiatric Disorders.* or a history thereof, including anxiety states, depression, impaired intellect, emotional instability, stammer.

Organic disease of the CNS; Epilepsy; Migraine if recurrent and of sufficient severity to require medical treatment or absence from work is normally a bar to entry.

(*f*) *Deformity or any chronic disease of eyes or eyelids.*

(*g*) *Diseases of the Ear, Nose and Throat*
(1) *Perforations*—an unhealed perforation is a bar to entry.
(2) *Mastoid Operation.* A radical mastoid operation is a bar to entry. A modified radical mastoid operation may be acceptable on the advice of a Naval ENT Specialist. A cortical mastoid operation, providing the ear is healthy, the tympanic membrane intact and there is no defect of hearing, is not a cause for rejection.

Congenital heart disease excepting those with an uncomplicated lesion such as patent ductus arteriosus or atrial septal defect which has been completely cured by surgery. These cases may be accepted for entry subject to approval by Medical Director-General (Naval).

(8) Serious defect or malformation of the genital organs.
(9) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated in the inguinal canal or at the external ring it must be either removed or brought down into the scrotum. If the result of the operation is satisfactory, and the other testicle is in the scrotum and normal in character, the candidate may be accepted.

NAVAL COLLEGE ENTRY ON FULL CAREER COMMISSIONS IN THE ROYAL NAVY

(*The Ministry of Defence reserves the right to amend these regulations but as much notice as possible will be given of alterations.*)

INTRODUCTION

1. Young men who wish to make the Royal Navy their career may join as Naval College Entrants (N.C.E.s) for a Full Career Commission in the Seaman, Supply and Secretariat or Engineering specialisations. To be considered for Naval College Entry they must pass the selection procedure, meet certain medical standards and hold, or be in the process of obtaining, the necessary educational qualifications.

2. N.C.E.s in the Seaman and Engineering specialisations join the Britannia Royal Naval College, Dartmouth, in May and September. Supply and Secretariat specialists join in September only. Every effort is made to place candidates in the specialisation of their choice, but the number of Supply and Secret-

Digitized by Google

ariat vacancies is comparatively small and it is not always possible to offer places to all those who meet the entry requirements.

3. Seaman and Supply and Secretariat N.C.E.s who wish to read to a degree and are considered to be academically capable will have the opportunity to attend The City University to study for the vocationally slanted B.Sc. degree in Systems and Management, or alternatively, they may be selected to read for other degrees as "Nominations" to other Universities. All Engineer N.C.E.s read for a degree in Engineering (Honours or ordinary). The majority will do so at the Royal Naval Engineering College, Manadon, but a small number may be selected to go to Cambridge University.

4. Candidates for Naval College Entry may apply at the same time for University Cadetship Entry. Full information about the University Cadetships offered may be found in CR3, but briefly, the scheme sponsors young men through a University Course, either direct from school, or after a period of up to a year spent training in the Royal Navy, at the start of a Full Career Commission. University Cadets receive a special rate of pay which includes an Education Grant. A candidate may be considered by the Admiralty Interview Board for Naval College and University Cadetship Entry at the same interview.

5. This booklet contains the regulations governing Naval College Entry, which are detailed as follows:

Part 1: Methods of Selection and Acceptance for Entry.
Part 2: General Condition of Entry.
Part 3: Educational Requirements.
Part 4: Medical Standards.
Part 5: Training, Promotion and Career Prospects.

PART 1

METHODS OF SELECTION AND ACCEPTANCE FOR ENTRY

APPLICATIONS

6. The application form should be completed and returned, together with birth and educational certificates, to the Ministry of Defence, Naval Personnel Division 1, (N.C.E.), Old Admiralty Building, Whitehall, London, S.W.1A 2BE. Any candidate who has not received an acknowledgment of his application within 10 complete days should write at once to the above address.

INTERVIEW

7. All candidates attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hampshire, which is under the presidency of a Flag Officer (or a Captain R.N.) assisted by other naval and civilian members. The Board takes account of academic attainments, Headmasters' or Tutors' reports, and the result of tests of intelligence, aptitude and personality conducted during the selection procedure.

8. The procedure is divided into 2 parts. Part 1 starts on the evening of candidates' arrival in H.M.S. *Sultan* with certain written tests, and continues the next day with an interview. Candidates who fail to reach the necessary standard in Part 1 are informed accordingly and are able to return home or to school immediately. Written confirmation of their result will follow by post shortly afterwards.

9. Those who are successful in Part 1 proceed to the practical tests, the discussion exercise and the further interviews that make up Part 2 of the procedure. This usually takes place on the day following Part 1 but it is necessary on occasion to hold candidates over until the next but one day. Those who have to travel long distances to the selection procedure are usually asked to attend a medical examination in London on the day after Part 2.

10. Candidates are normally told by the Admiralty Interview Board within 2 or 3 days whether they have been recommended for Naval College Entry. Those who are recommended should not, however, assume that their entry to the Royal Navy is guaranteed because the final selection is made in the Ministry of Defence.

11. Unsuccessful candidates may appear before the Admiralty Interview Board for a further attempt after a minimum of 6 months, but they may not be considered more than once for any particular entry.

MEDICAL EXAMINATION

12. Candidates who are recommended for entry by the Admiralty Interview Board are generally called about a week later for a medical examination by the Naval Medical Board, Empress State Building, Lillie Road, London SW6 TR1. For candidates who have to travel long distances every effort is made to arrange the medical examination on the day following their interview.

13. Candidates who are below the physical and/or visual standards are informed as soon as possible so that they may appeal, if they wish, to the Naval Medical Board of Appeal. This consists of a representative of the Medical Director General (Naval) and the appropriate Civilian Consultant to the Navy, according to the nature of the disqualification(s). A nominal fee of one pound must accompany an application to appeal; this fee is refunded if the appeal is successful. Accommodation, meals and travelling expenses incurred attending an Appeal Board are not refunded.

TRAVELLING AND OTHER EXPENSES

14. Where travelling expenses above 25p are incurred within the United Kingdom in order to attend the selection tests or medical examination, 2nd Class rail or 'bus fares from a candidate's school or normal place of residence in United Kingdom are refunded in full. Lodging and food are provided free of charge in H.M.S. *Sultan*, and a light meal is provided at the Medical Board where appropriate.

15. Candidates who have to travel long distances within the United Kingdom to reach the Interview or Medical Board, and are obliged to pay for accommodation (or for a sleeping berth on a train or ship), may be refunded reasonable expenses for evening meals, bed and breakfast for each night necessarily spent away from home. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses for accommodation and meals can be refunded.

ACCEPTANCE FOR ENTRY

16. Notification of provisional acceptance for entry is given as soon as possible after appearance at the Admiralty Interview Board. Final acceptance depends upon the candidates satisfying the educational requirements and medical standards given in Parts 3 and 4 below. In cases where candidates are marginal or where the number of vacancies is small, as in the Supply and Secretariat specialisation, final acceptance may have to be delayed until the educational qualifications and order of merit at interview of all candidates are known.

17. Successful Seaman and Engineering candidates join the Britannia Royal Naval College, Dartmouth in May and September. Supply and Secretariat specialists join in September.

18. Candidates who are selected for entry, but are disqualified through failing to meet the educational requirements in Part 3, and who subsequently meet these requirements, may, at the discretion of the Ministry of Defence, be accepted for entry without further interviews.

PART 2

GENERAL CONDITIONS OF ENTRY

AGE LIMITS

19. Candidates must be at least 17 years but under 20 years 6 months on:

1st September for entry in that month;
or 1st March for entry the following May.

20. A Registrar's copy of the candidate's birth certificate must be supplied or, if one cannot be obtained, other documentary evidence (which may be a statutory declaration by a parent or guardian before a magistrate), giving exact date of his birth.

21. To be eligible candidates must
(*a*) at all times since birth have been a British subject or a citizen of the Republic of Ireland; and
(*b*) have been born in a country or territory which is, or then was, within the Commonwealth or in the Republic of Ireland; and
(*c*) have parents, both of whom were born in such a country or territory or in the Republic of Ireland and have always been, or always were British subjects or citizens of the Republic of Ireland.

Applicants not able to satisfy these conditions may, in exceptional circumstances and with the special permission of the Secretary of State for Defence, be accepted. Entry application forms from such applicants should be accompanied by the following documents;
(*a*) naturalisation certificate or evidence of naturalisation;
(*b*) parents' birth and marriage cetificates;
(*c*) candidate's and parents' passports.

22. Candidates who are citizens of the Republic of Ireland will be required as a condition of entry to undertake to apply for British Nationality (in order to be issued with a British passport). Application for British nationality will in no way affect a candidate's citizenship of the Republic of Ireland.

RESIDENTIAL QUALIFICATION

23. Candidates who are not of UK origin should have resided in the United Kingdom for at least 5 years immediately preceding the application. This rule may be waived in special circumstances by permission of the Secretary of State for Defence.

PROBATIONARY PERIOD AND WITHDRAWAL FROM THE SERVICE

24. It must be clearly understood that the whole period of training is one of probation, and the Ministry of Defence reserves the right to terminate an appointment at any time if the officer
(*a*) fails to reach a satisfactory standard during his studies or in training;
or (*b*) his conduct is unsatisfactory;
or (*c*) he does not display the qualities required of a naval officer.

25. Officers to whom a naval career ceases to appeal are normally allowed to withdraw from training subject to the requirements of paragraphs 26, 28 and 29 below at any time up to 4 calendar years from the day of entry. Thereafter, officers are not normally allowed to withdraw until they have given a period of effective service of 5 years from the date of their first appointment after satisfactory completion of training. This rule is waived only in the most exceptional circumstances (e.g. compassionate cases).

26. N.C.E.s who gain a degree at the Navy's expense and are allowed to withdraw without giving a period of effective return of service will be required to make a payment equivalent to the Education Grant received by a University Cadetship Entrant for a similar period of sponsored studies.

UNIFORM

27. N.C.E.s are provided with their initial uniform outfits free, either in kind or by cash grant. For the subsequent upkeep of their uniform they receive a cash grant while under training and Income Tax Relief on being commissioned.

28. It is a condition of entry that an officer whose appointment is terminated compulsorily will be required to return his principal items of free issue uniform, charges being raised against the officer (or if he is under 18 years, against his parent or guardian) for any specific article not returned.

29. In addition, if an officer withdraws voluntarily, he is required, at the discretion of the Admiralty Board, to refund the value of the uniform outfits and cash grants issued to him on the following scale:

Grant paid and issues made less than one year prior to date of resignation	in full
Grants paid and issues made more than one year but less than 2 years before date of resignation ..	two-thirds
Grants paid and issues made more than 2 years but less than 3 years before date of resignation ..	one-third
Grants paid and issues made more than 3 years before date of resignation	nil

30. The amount of refund is reduced by the value of any kit deficiency certificates surrendered by the officer, or any articles of free issue clothing returned to store in a new and unmarked condition, with the exception of made-to-measure garments.

PART 3

EDUCATIONAL REQUIREMENTS

31. The minimum academic qualifications required for Naval College Entry to the Britannia Royal Naval College, Dartmouth, in the Seaman and Supply and Secretariat specialisations, and in the Engineering specialisation, are given separately below.

32. Actual certificates showing the results of examinations already taken should be forwarded with application forms. Examination results received after the despatch of the application form should also be forwarded to the Ministry of Defence, Naval Personnel Division 1 (N.C.E.), Old Admiralty Building, Whitehall, London, SW1 2BE.

33. Academic qualifications other than those given below may be accepted if, in the opinion of the Ministry of Defence, they are of an equivalent or higher standard. If any doubt exists as to the acceptability of any subject or combination or subjects Naval Personnel Division 1 (N.C.E.) should be consulted.

34. Passes at Grade 1 of the Certificate of Secondary Education will be accepted in lieu of Ordinary level passes in the GCE on a subject for subject basis.

SEAMAN and SUPPLY AND SECRETARIAT SPECIALISATIONS

35. *General Certificate of Education Examination—England, Wales, Northern Ireland*
Passes in 5 subjects including:
English Language
Mathematics
Physics—or other approved combined Science subjects (see Table 1, note 2).
Two of the passes must be at advanced level.

36. *Scottish Certificate of Education Examination.*
Passes in 5 subjects including:
English
Mathematics
Physics or Higher Grade Science (physics and chemistry)
Candidates must offer 3 passes at higher grade or 2 passes in the certificate of sixth year studies.

37. The Seaman specialisation requires candidates with all types of "A" levels or equivalents. Any requirement for a deeper knowledge of scientific or technological principles is given after entry and officers who have a limited background in these subjects are at no disadvantage in the long term.

38. Exceptionally, if vacancies exist in the Supply and Secretariat specialisation, the Ministry of Defence may exercise discretion in favour of a candidate possessing no qualification in Physics or an acceptable equivalent, provided that both the following conditions are satisfied:
(*a*) There is good reason to expect that, with additional training, the candidate will be able to attain at least "O" level standard in Physics;
(*b*) The Admiralty Interview Board recommends the candidate as worthy of special consideration.

ENGINEERING SPECIALISATION (MECHANICAL AND ELECTRICAL)

39. *General Certificate of Education Examination—England, Wales, Northern Ireland*

English Language at Ordinary Level
Chemistry at Ordinary Level.
Mathematics (Pure and Applied) at Advanced Level.
Physics (or J.M.B. Engineering Science or Physical Science) at Advanced Level.

Note: (i) If sufficient vacancies exist in the Engineering specialisation the Ministry of Defence may exercise discretion in favour of a candidate possessing no qualification in Chemistry, provided his Advanced Level passes in Mathematics (Pure and Applied) and Physics are of a high standard.

40. *Scottish Certificate of Education Examination*

Higher Grade Mathematics—Grade B pass
Higher Grade Physics I and II
Ordinary Grade Applied Mathematics or Applied Mechanics or Higher Grade Dynamics
Ordinary or Higher Grade Chemistry.
Ordinary or Higher Grade English.

The passes offered must contain at least 3 subjects in the Higher Grade, 2 of them being Grade "B" passes (i.e. Mathematics and one other). A candidate with passes in Mathematics and Physics in the Certificate of Sixth Year Studies examinations need not have Highers at "B" Grade in these subjects, nor a third Higher Grade pass.

Note: (i) If sufficient vacancies exist the Ministry of Defence may exercise discretion in favour of a candidate possessing no Higher Grade pass in Physics, but with a Grade B pass in Higher Grade Science or Higher Grade Engineering Science.
(ii) Candidates who qualify entirely by means of Scottish Higher and Ordinary Grade Examinations are encouraged to study Mathematics and Physics for a further year at school before they become eligible for Engineering training.

41. *Ordinary National Certificate*

An Ordinary National Certificate in subjects appropriate to further electrical or mechanical specialisation, showing at least a credit in 4 subjects and including distinction or near distinction in Mathematics, a pass at Ordinary Level in English Language in the General Certificate of Education is also required.

TABLE OF ACCEPTABLE SUBJECTS

English Language/English (in Scotland)
English Literature
General Paper/Modern Studies in Scotland (acceptable only as an Ordinary level pass)
General Studies (Advanced level subject, but acceptable only as an Ordinary level pass)
Logic
History
Geography
Religious Knowledge
Latin
Greek
General Classics
Sociology
Approved Modern Languages
Engineering (in Scotland)
Chemistry
Physics
Other Approved Physics Subjects—see Note
Mathematics—see Note
Applied Mathematics/Mechanics
Botany
Biology (but does not count as separate subject if offered with Botany or Zoology)
Zoology
Geology
Navigation
Seamanship
Elementary Aeronautics
Economics
British Constitution
Surveying
General Principles of English Law
Commerce

Notes: (1) Where G.C.E. or equivalent certificates are held in subjects which overlap significantly in content only one of the overlapping subjects may count towards the qualifying standard. Examples of overlapping are:
(i) Physics and Physics-with-Chemistry
(ii) Variants of History—e.g., European History and Economic History
(iii) General Classics and either Latin or Greek.
(iv) "A" and "O" levels in the same form of Mathematics.
(v) Variants of Religious Knowledge, Navigation, Seamanship, Economics, British Constitution.

(2) SCIENCE SUBJECTS

Any one of the following group of subjects may be offered as an adequate qualification at "O" level for Seaman or Supply and Secretariat Specialisations in lieu of "O" level Physics:
Physics with Chemistry
Physics with Biology
Physical Science
General Science *and* Additional General General Science taken together
Engineering Science or General Eng. Science
Science (A.E.B.)

Environmental Science is not an acceptable qualifying Physics subject but may be offered as an *additional* "O" level with ONE of Physics Chemistry or Biology but not with any other subject containing 2 or more Sciences as in the last paragraph.
Of "A" levels in Engineering Science or Engineering, only J.M.B. Engineering Science is acceptable as an alternative to Physics "A" level. J.M.B. Engineering Science and Physics may not therefore be offered as separate "A" level subjects. Oxford Board Engineering or A.E.B. Engineering may, however, be offered additionally to Physics at "A" Level.
Physical Science "A" level satisfies the requirement in Physics and Chemistry for the Engineering specialisation but can count as only one subject.

(3) MATHEMATICAL SUBJECTS

At "O" level

All candidates must offer the normal "O" level subject of their G.C.E. Board in Mathematics, Pure Mathematics or General Mathematics.

At "AO" or "O" level

Additional Mathematics may only also be offered as a qualifying subject when the optional papers chosen cover a syllabus substantially different from the normal Mathematics "O" level taken and when the 2 Mathematics subjects together contain an adequate element of Applied Mathematics/Mechanics. Not more than 2 Mathematics subjects at any level may count towards the requirements.

At "A" level

The Ministry of Defence generally accepts the regulations of the GCE Boards regarding appropriate papers to be taken in Mathematics as a single "A" level subject, and those to be taken in Pure Mathematics and Applied Mathematics (OR) Mathematics and Further Mathematics as 2 separate "A" level subjects.
A knowledge of Statistics is recognized to be

of value but where Statistics is an option alternative to Mechanics, Engineer candidates must be expected to take the Mechanics option.

Modern or Experimental Syllabus

Passes at Ordinary and Advanced Levels in a GCE examination of a recognised examining board and which are based on a modern or experimental syllabus are acceptable (e.g. The School Mathematics Project, Midlands Mathematical Experiment, St Dunstan's Project, Mathematics for Education and Industry Project, Shropshire Experiment, Nuffield Project).

For the Engineering specialisation, an SMP "A" level in Mathematics OR Further Mathematics satisfies the requirements in Mathematics, both Pure and Applied, and Nuffield Physical Science "A" level is acceptable as a qualification in both Physics and Chemistry. For other project schemes, acceptance of passes in special "A" level examinations is subject to assessment of the syllabuses and papers concerned. In all cases the normal rules regarding acceptable and overlapping subjects apply.

PART 4

MEDICAL STANDARDS

42. In general, physical defects of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection if these defects are of such a nature as to render the candidate incapable of performing general duties in the Royal Navy, ashore and afloat, in any part of the world throughout his period of service.

43. An International Vaccination Certificate which has been counter-signed by the Local Medical Officer of Health, must be obtained before entry, showing that the candidate has been vaccinated or revaccinated within the last 3 years against Smallpox.

44. The following is a list of defects which may cause rejection:

(*a*) *Poor Physique*—imperfect development or skeletal deformity either hereditary or acquired.
- (1) asymmetry of torso or limbs, limitation of movement of joints, the presence of muscular wasting.
- (2) abnormal spinal conditions, abnormal locomotion, amputations.
- (3) Hallux Valgus, Hallus Rigidus, Hammer toes, Pes Cavus, Flat Feet.
- (4) malformation of the head. Deformity from fracture or depression of the bones of the skull.

(*b*) *Obesity*. Providing that the candidate's cardio-vascular and respiratory systems are within normal limits, that the exercise tolerance is normal, and that there is no undue dyspnoea on exertion, the candidate's actual weight may be ignored.

(*c*) *Skin Disease*—unless temporary or trivial. Psoriasis, chronic eczema, dermatitis, alopecia areata or a history of such conditions must be considered cause for rejection.

(*d*) *Psychiatric Disorders* or a history thereof, including anxiety states, depression, impaired intellect, emotional instability, stammer.

(*e*) *Disorders of the Central Nervous System*

Organic disease of the CNS; Epilepsy; Migraine if recurrent and of sufficient severity to require medical treatment or absence from work is normally a bar to entry.

(*f*) *Deformity or any chronic diseases of eyes or eyelids.*

(*g*) *Diseases of the Ear, Nose and Throat*
- (1) *Perforations*—an unhealed perforation is a bar to entry.
- (2) *Mastoid Operation*. A radical mastoid operation is a bar to entry. A modified radical mastoid operation may be acceptable on the advice of a Naval ENT Specialist. A cortical mastoid operation, providing the ear is healthy, the tympanic membrane intact and there is no defect of hearing, is not a cause for rejection.
- (3) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx. Simple septal deviations or nasal deformities are not cause for rejection.
- (4) Disease of the throat or palate. Disease or injury affecting the normal function of either mandibular joint.
- (5) *Tonsilitis* apparent enlargement of the tonsils is not a cause for rejection.
- (6) *Sinusitis* repeated attacks of sinusitis, which have been severe enough to cause incapacity will usually entail rejection. In case of doubt, a specialist opinion should be obtained.

(*h*) *Diseases of the Chest*. Definite evidence of disease of the lungs or pleura. Cases of doubt should be referred to the Medical Director General (Naval) for decision.
- (1) *Asthma*—where this foms or is likely to form a serious impediment to the efficient performance of duty.

(*i*) *Cardio-vascular* functional or organic disease of the heart and blood vessels. Congenital heart disease excepting those with an uncomplicated lesion such as patent ductus arteriosus or atrial septal defect which has been completely cured by surgery. These cases may be accepted for entry subject to approval by the Medical Director-General (Naval).

(*j*) *Rheumatic Fever*. An established history of rheumatic fever may be accepted in the absence of abnormal cardiac signs provided:—
- (1) there has been anti-streptococcal antibiotics prophylaxis for a period of 5 years without recurrence, or
- (2) there has been ten years freedom from recurrence, no prophylaxis having been given.

(*k*) *Disease of the liver, spleen, stomach or bowels*
- (1) Peptic Ulcer.
- (2) Hernia does not entail rejection. However, a satisfactory surgical repair must have been carried out before a candidate can be allowed to enter.
- (3) Fistula or fissure of anus; Haemorrhoids.

(*l*) *Genito-Urinary Conditions*
- (1) Congenital, active or latent syphilis. Gonorrhoea.
- (2) Albuminuria, unless 3 consecutive first morning specimens are found to be clear of albumin. Any deposit is also to be checked.
- (3) Glycosuria, unless a satisfactory report on a sugar tolerance test is produced.
- (4) Stricture of the urethra.
- (5) Incontinence of urine.
- (6) Enuresis, if this is within the last 2 years.
- (7) Hydrocele and Varicocele except that a satisfactory surgical repair will normally render a candidate fit for entry.
- (8) Serious defect or malformation of the genital organs.
- (9) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated in the inguinal canal or at the external ring it must be either removed or brought down into the scrotum. If the result of the operation is satisfactory, and the other testicle is in the scrotum and normal in character, the candidate may be accepted.
- (10) Diseases and malformations of the kidneys.
- (11) Urolithiasis.

Digitized by Google

(*m*) *Allergic Diseases* where these form, or are likely to form a serious impediment to the efficient performance of duty.
(1) *Hay fever*—mild attacks which would not effect the efficient performance of duty may be ignored. Severe hay fever is likely to be a bar to entry, the severity being judged by the need for prolonged medication.
(*n*) *Metabolic Conditions* diseases of the thyroid gland, hyperthyroidism myxoedema.

PART 5

TRAINING, PROMOTION AND CAREER PROSPECTS

(This information is for guidance only and does not form part of the entry regulations. From time to time changes may be made in the conditions of service.)

TRAINING

Seaman and Supply and Secretarial specialists

47. N.C.E.s who join in September or May and are given approximately 2 terms of general naval training. One full term is spent at the Britannia Royal Naval College, Dartmouth, and 9 weeks in the Dartmouth Training Ship, after which they return to the Britannia Royal Naval College for an examination. If they fail this examination they may be backclassed or withdrawn from training, but if successful they go on to the next phase of training.

48. By this point, officers have been divided into non-degree and degree streams. The latter stream comprises those officers who wish to read for degrees and are considered to be academically capable. They attend at the City University to study for the vocationally-slanted BSc in Systems and Management or, alternatively, they may be selected to read for other degrees as Nonimations to other Universities.

49. All officers are considered by the City University authorities and interviews of those selected take place sometime during their first Dartmouth term. The final selection of officers as University Nominations or to read for the BSc in Systems and Management is made before the end of this term. Details of subsequent training for the 2 streams after completion of time in the Dartmouth Training Ship are set out in the next 2 paragraphs.

50. *Non-Degree Stream*
(*a*) Having successfully passed the general naval training examination these officers remain at Dartmouth for the final 4 weeks of the second term and undertake 2 full terms of academic training at the Britannia Royal Naval College. They take their examinations towards the end of their fourth term and the final weeks are spent on general naval refresher training.
(*b*) After completing a total of 4 terms of general naval and academic training, officers go to sea for training with the Fleet. During this time they work for their examination by a Fleet Board after some 9 months at sea.
(*c*) After passing their Fleet Boards, Seaman officers undertake Operations and Weapons Courses. They are then appointed to sea and in this first appointment work for their Bridge Watchkeeping and Ocean Navigation Certificates.
(*d*) Supply and Secretariat officers, after passing their Fleet Boards, undertake their Operations and Weapons and Supply and Secretariat courses.

51. *Degree Stream*
(*a*) Officers selected to read either for the BSc Degree in Systems and Management at The City University, or for other degrees as Nominations elsewhere, are not required to undertake the 2 terms of academic studies taken by non-degree officers. They normally proceed to sea immediately after successful completion of their general naval training at the Britannia Royal Naval College and work for their Fleet Board examination.
(*b*) Officers who enter in May proceed to University in the autumn approximately 17 months after entry. September entrants go to University about 2 years after entry and after passing their Fleet Board remain at sea: Seaman Officers to work for their Bridge Watchkeeping and Ocean Navigation Certificates and Supply and Secretariat officers to work in the Supply Department.
(*c*) During their University summer vacations officers undertake 5 weeks training in the Fleet subject to University academic requirements.

Digitized by Google

(*d*) On completion of their degree course they return to the Britannia Royal Naval College Dartmouth for a 4 weeks refresher course after which they proceed direct to Operations and Weapons and Supply and Secretariat courses as appropriate. Seaman officers requiring scientific preparation do a course at the Britannia Royal Naval College before proceeding to Operations and Weapons courses.

Engineer specialists

52. (*a*) These officers do approximately 2 terms of general naval training on entry in the same way as N.C.E. Seaman and Supply and Secretariat Officers (see paragraph 47). They then go to the Fleet and spend their pre-Manadon/Cambridge time working for their Fleet Board examination.

(*b*) For May entrants this period is about 9 months and these officers take their Fleet Board towards the end of their time with the Fleet. For September entrants, however, it is only about 5 months. Exceptional officers may be recommended by their Commanding Officers to take the Fleet Board at the end of this shorter period. Failure of the Fleet Board at this early stage is not regarded as a failure of a stage of training, and no penalty is applied.

(*c*) Officers begin reading for their degrees—mostly at the Royal Naval Engineering College, Manadon, but a limited number at Cambridge—at the start of the academic year in the year following their entry. Subject to the requirements of their academic work those studying at Cambridge are required to do 6 weeks of workshop training at Manadon in their Summer vacations.

(*d*) On completion of their degree course officers who have already passed their Fleet Board undertake Application courses at the end of August. Those who have not so qualified:

(1) (Cambridge stream only) return to the Britannia Royal Naval College Dartmouth in July for four weeks for a refresher course in Naval Training and then proceed to the Fleet.

(2) (Manadon stream) proceed direct to the Fleet.

They will complete their preparation for the Fleet Board which they take in December. They remain at sea working in their own departments after passing the Fleet Board until they start Application Courses.

PROMOTION

53. Officers follow a standard rank/promotion progression which is not tied to completion of specific stages of training. Officers enter in the rank of Midshipman at the start of the Britannia Royal Naval College term with seniority of 1 May or 1 September as appropriate. They are promoted to Sub Lieutenant on achieving 2 years seniority in the rank of Midshipman, promotion to the rank of Lieutenant takes place on a date 5 years from their initial date of seniority as Midshipman on entry.

54. The basic date of seniority as Lieutenant is the promotion date. Additional seniority may be awarded on the results achieved during training but this will have no retrospective effect for pay or any other purposes.

55. Promotion to Lieutenant Commander takes place on attaining 8 years seniority as Lieutenant and further promotion to Commander and above is by selection in competition with other Full Career Commission officers.

LENGTH OF CAREER

56. Full Career Commission Officers retire on reaching the following age:

Lieutenant Commander ..	50
Commander	53
Captain	55

Officers may apply to retire voluntarily at any time before reaching the age of compulsory retirement. Applications are normally subject to a 2 year waiting period, or longer in cases where an officer has recently been given further training of some months or more duration, and are considered by the Ministry of Defence in the light of the requirements of the Service. Special consideration is, however, given to applications made on compassionate grounds (see also Part II paragraph 25 about periods of minimum service).

ROYAL NAVAL UNIVERSITY CADETSHIPS SEAMAN, ENGINEERING (MECHANICAL AND ELECTRICAL) AND SUPPLY AND SECRETARIAT SPECIALISATIONS

INTRODUCTION

1. If you want to get a degree and become a naval officer, you are encouraged to join as a University Cadet for a full career commission in the Seaman, Engineering (Mechanical and Electrical) or Supply and Secretariat Specialisation. If you are already taking a full-time degree course at a University, Polytechnic or College of Technology, you may apply at any time during your course of studies. If you are studying for "A" levels and hope to take such a degree course you may apply at any time during your last year at school. You need not have secured a place, or a provisional place, at University, College, etc., but should have decided for which degree you propose to study.

2. You will be paid throughout your period at University etc. In addition you will receive an educational grant and your tuition fees will also be paid for you. Details will be notified separately. You will, however, have to repay the grant and fees if you wish to withdraw from the Navy in the first few years of your service.

3. The entry regulations are detailed as follows:—

Part 1. Methods of Selection and Award
Part 2. General Conditions of Entry
Part 3. Educational Qualifications required
Part 4. Medical Standards.

There are also some short notes, not forming part of the regulations, on naval training and career prospects.

PART 1

METHODS OF SELECTION AND AWARD

APPLICATIONS

1. The application form should be completed and returned together with birth and educational certificates to Ministry of Defence Naval Personnel Division 1 (University Cadetships) Old Admiralty Building, Whitehall, London, S.W.1. Any candidate who has not received an acknowledgment of his application within 10 complete days should write at once to the above address.

Digitized by Google

INTERVIEW

2. All candidates attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hampshire, under the presidency of a Flag Officer (or a Captain R.N.) assisted by other naval and civilian members. The Board takes account of academic attainments, Headmasters' or Tutors' reports, and the results of tests of intelligence, aptitude and personality conducted at the Board itself.

3. Unsuccessful candidates may appear before the Admiralty Interview Board for a further attempt after a minimum of 6 months.

MEDICAL EXAMINATION

4. Candidates who reach a satisfactory standard at the Interview Board are generally called for a medical examination in London about a week later. For candidates who have to travel long distances every effort is made to arrange the medical examination for the day following their interview at H.M.S. *Sultan*.

5. Candidates who are below the physical and/or visual standards are informed as soon as possible so that they may appeal if they wish to the Medical Appeal Board. This consists of a representative of the Medical Director General (Naval) and the appropriate Civil Consultant to the Navy according to the nature of the disqualification(s). The nominal fee of one pound which must accompany an appeal is refunded if the appeal is successful. Expenses incurred in travelling, meals and accommodation for attendances at Appeals Boards are not refunded.

TRAVELLING AND OTHER EXPENSES

6. Where travelling expenses above 25p are incurred within the United Kingdom in order to attend the selection tests or medical examination, 2nd Class rail or bus fares from a candidate's school or normal place of residence in the United Kingdom will be refunded for the whole amount. Lodging and food are provided free of charge at H.M.S. *Sultan*, and a light meal is provided at the Medical Board where appropriate.

7. Candidates who have to travel long distances within the United Kingdom to reach the Interview or Medical Board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meals, bed and breakfast for each night necessarily spent away from home. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses on accommodation and meals can be refunded.

AWARD OF CADETSHIPS

8. Notification of provisional awards will be made as soon as possible after the appearance at the Admiralty Interview Board. Confirmation of the awards will be dependent on the candidate's satisfying the conditions of Part 3 below. In addition, as Supply and Secretariat specialisation vacancies are limited, confirmation may have to wait until the educational qualifications of all such candidates are known. The award of the Cadetship will date from shortly before the start of the applicant's degree course or, where the course has already been started, from the beginning of the term following selection.

9. Successful candidates who have already commenced their University/College course with assistance from public funds should inform the appropriate Local Education Authority or other award-making body immediately they are awarded a Royal Naval University Cadetship. It should be assumed that no further assistance will be given by that body after the date on which the cadetship commences.

PART 2

GENERAL CONDITIONS OF ENTRY

AGE LIMITS

1. Candidates must be at least 17 years of age on being appointed and of such an age that they will be under 24 years old on 1 September of the year in which they graduate.

2. A Registrar's copy of the candidate's birth certificate must be supplied or, if one cannot be obtained, other documentary evidence (which may be a statutory declaration by a parent or guardian before a magistrate), giving exact date of his birth.

NATIONALITY

3. To be eligible candidate must:—

Applicants not able to satisfy these conditions may, in exceptional circumstances and with the special permission of the Secretary of State for Defence, be accepted. Such applications should be accompanied by the following documents:—

(*a*) naturalisation certificate or evidence of naturalisation;
(*b*) parents' birth and marriage certificates;
(*c*) candidates' and parents' passports.

4. Candidates who are citizens of the Republic of Ireland will be required as a condition of entry to undertake to apply for British nationality (in order to be issued with a British passport). Application for British nationality will in no way affect a candidate's citizenship of the Republic of Ireland.

RESIDENTIAL QUALIFICATION

5. Candidates who are not of U.K. origin should have resided in the United Kingdom for at least 5 years immediately preceding the application. This rule may be waived in special circumstances by permission of the Secretary of State for Defence.

UNIFORM

6. University Cadets are provided with uniform outfits free of charge on reporting to the Britannia Royal Naval College, Dartmouth, for initial training. Further free issues of clothing and cash grants for the purchase of uniform items are made on graduation and on completion of training.

7. It is a condition of entry that an officer whose appointment is terminated compulsorily will be required to return his principal items of free issue uniform, charges being raised against the officer for any specified article not returned.

FAILURE TO OBTAIN A DEGREE

8. A University Cadet who fails to obtain his degree or diploma may be required to continue to serve, or may, at Ministry of Defence discretion, have his appointment terminated.

FINANCIAL LIABILITY

9. Should an officer entered as a University Cadet be permitted to leave the Royal Navy voluntarily before graduating, or before completing 5 years of naval service subsequent to graduation, he will be required to refund to the Ministry of Defence his educational grant and tuition fees paid from public

funds. An undertaking to this effect will be required. A similar refund will be required should a cadet's appointment be terminated because he has failed to obtain his degree or diploma as a result of lack of diligence, or should he become medically unfit whilst at University for reasons attributable to his own fault.

10. In addition, if an officer withdraws voluntarily he will be required, at the discretion of the Admiralty Board, to refund the value of the uniform outfits and cash amounts issued to him on the following scale:—

Grant paid and issues made less than one year prior to date of resignation	In full
Grants paid and issues made more than one year but less than 2 years before date of resignation	Two thirds
Grants paid and issues made more than 2 years but less than 3 years before date of resignation	One third
Grants paid and issues made more than 3 years before date of resignation	Nil

11. The amount of refund will be reduced by the value of any kit deficiency certificates surrendered by the officer, or any articles of free issue clothing returned to store in a new and unmarked condition, with the exception of made to measure garments.

PROBATIONARY PERIOD AND WITHDRAWAL FROM THE SERVICE

12. It must be clearly understood that the whole period of a University Cadetship and subsequent training is one of probation, and the Ministry of Defence reserves the right to terminate an appointment at any time if the officer:—

(*a*) fails to reach a satisfactory standard during his studies or in training; or
(*b*) his conduct is unsatisfactory; or
(*c*) he does not display the qualities required of a naval officer.

13. Up to the date of confirmation in the rank of Sub-Lieutenant, which in normal circumstances occurs after one year's full time naval training following graduation, officers to whom a naval career ceases to appeal will normally be allowed to withdraw from training subject only to the requirements of paragraphs 9 and 10 above.

14. After confirmation in the rank of Sub-Lieutenant, officers will not normally be allowed to retire until they have given a period of effective service of up to 5 years from the date of their first appointment after satisfactorily completing all their training. Exceptions to this rule will be allowed only in the most exceptional circumstances (e.g. compassionate cases).

PART 3

EDUCATIONAL QUALIFICATIONS REQUIRED

1. A confirmed award of a Cadetship is dependent on a candidate obtaining a place for, or being currently on, a degree course as a full-time internal student at a University, Polytechnic or College of Technology in the United Kingdom, acceptable to the Ministry of Defence.

2. There is no restriction on the subject matter of the degree course that may be undertaken by candidates for the Seaman Specialisation. Candidates for the Engineering (Mechanical) and (Electrical) Specialisation must, however, be undertaking, or intending to undertake, a course of study leading to a degree in a suitable scientific or engineering subject, whilst those for the Supply and Secretariat Specialisation must be undertaking, or intending to undertake, a course of study leading to a degree in law, a modern language, economics or other subject approved by the Ministry of Defence as relevant to the needs of the specialisation.

3. For all candidates, General Certificates of Education or equivalent qualifications must include at least "O" level passes in English Language, Mathematics and Physics (or Physics with Chemistry, General Science or other approved Science subject including Physics). In cases of doubt candidates should consult Naval Personnel Division 1, Ministry of Defence, London.

4. Students wishing or required to change their course of study are, after consultation with their tutors, to apply to the Director, Naval Education Service, Ministry of Defence, London, without delay. Courses of study are not to be changed without the prior approval of the Navy Department.

PART 4

PHYSICAL REQUIREMENTS

1. In general, physical defects of body, impediment of speech, defect of sight or hearing, and pre-disposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate incapable of performing general duties in the Royal Navy, ashore and afloat, in any part of the world, throughout his period of service.

2. An International Vaccination Certificate which has been counter-signed by the Local Medical Officer of Health, must be obtained before entry, showing that the candidate has been vaccinated or re-vaccinated within the last 3 years against smallpox.

3. The following is a list of defects which may cause rejection:—

(1) Poor physique, imperfect development, or skeletal deformity, either hereditary or acquired; obesity. To be judged on their present or future effect on functional ability.

(2) Skin disease, unless temporary or trivial. Psoriasis, chronic eczema, or a history of such conditions must be considered cause for rejection, and borderline cases must be referred to a Service Consultant. Scars which, by their extent or position, cause, or are likely to cause, disability or marked disfigurement. Diseases and deformity of the nails. Alopecia areata, if chronic.

(3) Malformation of the head. Deformity from fracture or depression of the bones of the skull. Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.

(4) Impaired hearing; discharge from or disease of, one or both ears; unhealed perforation of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

(5) Disease of the bones or cartilage of the nose, nasal polypus. Disease of the naso pharynx.

(6) Disease of the throat, palate and tonsils; simple hypertrophy of the tonsils, if there is no history of repeated attacks of tonsillitis, is not a cause for rejection. Diseased gums. Disease or injury affecting the normal function of either mandibular joint.

(7) Gross congenital defects of the jaws or gross defects due to accident or disease or gross oral sepsis.

(8) Tuberculous glands of the throat and neck. Enlargement of the thyroid gland, hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause

Digitized by Google

for rejection, provided that there has been no active disease within the preceding 5 years, and the chest is clinically and radiologically clear.

(9) A history of pulmonary tuberculosis of adult type in a candidate below the age of 23 unless there is clear evidence that the disease is arrested and that a full course of anti-tuberculous treatment has been completed. If the candidate is over age 23 the case will be considered on merit following full clinical examination, full plate chest X-ray, consideration of all available medical reports and preferably a Naval Consultant's opinion. Chronic disease of the chest. A history of treatment with anti-tuberculous drugs where it can be proved that this was merely given on account of Mantoux conversion (i.e. during the formation of primary complex) and if it can be confirmed that there was subsequently a satisfactory history and chest X-ray, need be no bar to entry.

(10) Functional or organic disease of the heart and blood vessels. Congenital heart disease except that when an uncomplicated patent ductus arteriosus has been successfully ligatured or when an atrial septal defect of the secundum type with no pulmonary hypertension has been closed, the candidate may be accepted for entry subject to approval by the Medical Director General (Naval).

(11) Allergic diseases, including asthma, hayfever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine, if severe. If there is any history of asthma, clear evidence must be produced that there has been complete freedom from an attack for the preceding 5 years.

(12) Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection. Stricture of the urethra.

(13) Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g. cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

(14) Glycosuria unless a satisfactory report on a sugar tolerance test is produced.

(15) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated in the inguinal canal or at the external ring it must either be removed or brought down into the scrotum. If the result of the operation is satisfactory and the other testicle is in the scrotum and normal in character the candidate may be accepted.

(16) Hydrocele, or other serious defect or malformation of the genital organs. Incontinence of urine or enuresis within the last 5 years. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

(17) Fistula or fissure of the anus; haemorrhoids or any disease of the bowels or stomach.

(18) Paralysis, weakness, impaired motion, or deformity if the upper or lower extremities from whatever cause, a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

(19) A proven history of rheumatic fever, or chorea within the past 2 years even in the absence of any abnormal cardiac signs. Any history of repeated attacks of rheumatic fever or chorea. If there is any history of an isolated attack prior to 2 years before examination for entry, a specialist's examination is required, and if this excludes all signs of cardiac involvement, the candidate may be accepted.

(20) Deformity or any chronic disease of the eyes or eyelids.

(21) Seasickness if severe.

TRAINING, PROMOTION AND CAREER PROSPECTS: NOTES

1. You may also like to hear something of your early training as a naval officer, and of your promotion and career prospects. The following notes say what the position is at present, but changes may be made from time to time.

TRAINING

2. During your time at University you will take short, but important steps in your training as a naval officer.

(i) *First Cadetship Year* Where possible Cadets join the Britannia Royal Naval College, Dartmouth, before the beginning of the Autumn Term at University for up to 14 days' initial training. During the Easter vacation all Cadets spend a week with the Fleet. During the Summer vacation all Cadets spend one week at Britannia Royal Naval College, Dartmouth, one week at a Naval Air Station and 2 weeks with the Fleet: Engineering specialists in addition carry out 6 weeks' industrial/workshop training at the Royal Naval Engineering College, Manadon.

(ii) *Second and subsequent Cadetship Years* During the Summer vacation all Cadets spend a week at Britannia Royal Naval College, Dartmouth, followed by 4 weeks with the Fleet: engineering specialists in addition carry out 5 weeks' industrial/workshop training at the Royal Naval Engineering College, Manadon.

3. On completion of their degree course Cadets undergo a short course of military and professional training at Britannia Royal Naval College, Dartmouth. The length of this training depends on the amount of training completed during University vacations and the subjects studied at University. Those officers who are required to spend a longer period on this training do not suffer any loss in seniority. Thereafter, officers join the Fleet for sea time training. This lasts for up to 12 months for Seaman and Supply and Secretariat Officers, and up to 8 months for Engineer Officers. On completion of sea time training, and wearing the rank of Sub-Lieutenant, Engineer Officers undergo a one year Application Course at the Royal Naval Engineering College, Manadon, while Seaman and Supply and Secretariat Officers spend approximately 8 months on professional and other courses appropriate to their specialisations.

PROMOTION

4. University Cadets are appointed in the rank of Acting Midshipman. They are promoted Acting Sub-Lieutenant on 1st September in the year they graduate. Twelve months later they are confirmed in the rank of Sub-Lieutenant following successful completion of one year's full time naval training. Officers are promoted Acting Lieutenant 6 or 8 months later according to specialisation. Confirmation as Lieutenant will depend on success in professional courses, completion of periods of sea time for certain specialisations, and recommendation by Commanding Officers as in all respects fit to serve in the rank of Lieutenant.

5. Officers are promoted to Lieutenant-Commander on attaining 8 years' seniority as Lieutenant. Promotion to Commander and above is by selection.

LENGTH OF CAREER

6. Full Career Commission officers retire on reaching the following ages:

Lieutenant-Commander ..	50
Commander	53
Captain	55

Officers may apply to retire voluntarily, or to resign as appropriate, at any time before reaching the age of compulsory retirement. All applications will be considered by the Ministry of Defence in the light of the requirements of the Service and, normally, up to two years' notice of the intention to retire will be required. This period may be longer in cases where an officer has recently been given further training of some months or more duration. Special consideration is, however, given to applications made on compassionate grounds (see also Part 2 paragraph 14 about periods of minimum service).

COMMISSIONS IN THE ROYAL NAVY SEAMEN AND SUPPLY AND SECRETARIAT SPECIALISATIONS— GRADUATE ENTRY

INTRODUCTION

1. There are two types of commission open to the Graduate who has obtained a U.K. degree (or the equivalent) and wishes to join the Royal Navy in the Seaman or Supply and Secretariat specialisations. The first is a Full Career Commission; the second is a Short Career Commission which involves an initial commitment of 4 years' service, followed by a period of 4 years on the Emergency List (i.e. in time of war or other national emergency). Officers entered on the latter have the right, after satisfactory completion of one year's service, to transfer to a Full Career Commission.

2. The entry regulations are detailed as follows:—

Part 1 Methods of Selection
Part 2 General Conditions of Entry
Part 3 Academic Requirements
Part 4 Physical Requirements.

The basic conditions of entry etc. are common to both types of commission. The differences in training and conditions of service are given in some short notes which follow Part 4; these notes do not form part of the regulations.

PART 1

METHODS OF SELECTION

APPLICATIONS

1. The application form should be completed and returned together with educational certificates to the Ministry of Defence, Naval Personnel Division 1 (Graduates), Old Admiralty Building, Whitehall, London, S.W.1. In addition a Registrar's copy of the candidate's birth certificate, or if one cannot be obtained, other documentary evidence (which may be a statutory declaration before a magistrate) giving exact date of birth, should accompany the application.

2. Applications may be made at any time up to 2 years before the desired date of entry.

INTERVIEW

3. All candidates attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hampshire, under the presidency of a Flag Officer (or a Captain R.N.) assisted by other Naval Officers and civilian members. The Board takes account of academic attainments,

Digitized by Google

Tutors' Reports (where appropriate), and the results of tests of intelligence, aptitude and personality conducted at the Board itself.

4. Candidates may compete only once for each annual entry.

MEDICAL EXAMINATION

5. Candidates normally proceed to London for a medical examination the day following interview at H.M.S. *Sultan*

6. Candidates who are below the physical or visual standards are informed as soon as possible so that they may appeal if they wish to the Naval Medical Board of Appeal. This consists of a representative of the Medical Director General (Naval) and the appropriate Civil Consultant to the Navy according to the nature of the disqualification(s). The nominal fee of one pound, which must accompany an appeal, is refunded if the appeal is successful. Expenses incurred in travelling, meals and accommodation for attendance at Appeals Boards are not refunded.

TRAVELLING AND OTHER EXPENSES

7. Where travelling expenses above 25p are incurred within the United Kingdom in order to attend the selection tests or medical examination, second class rail or bus fares from a candidate's school or normal place of residence in the United Kingdom will be refunded for the whole amount. Lodging and food are provided free of charge at H.M.S. *Sultan*, and a light meal is provided at the Medical Board where appropriate.

8. Candidates who have to travel long distances to reach the Interview or Medical Board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meals, bed and breakfast, for each night necessarily spent away from home. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses on accommodation and meals can be refunded.

NOTIFICATION OF RESULT AND ENTRY DATE

9. Successful candidates will be informed as soon as possible—normally within 3 weeks of their interview. As there are only a limited number of Supply and Secretariat places available it may, however, be necessary to defer the final selection of officers for this specialisation until all candidates have been interviewed. Successful candidates enter the Britannia Royal Naval College, Dartmouth, in September.

PART 2

GENERAL CONDITIONS OF ENTRY

AGE LIMITS

1. Candidates must not have attained the age of 25 on 1st September of the year of entry.

NATIONALITY

2. To be eligible candidates must:—

(*a*) at all times since birth have been a British subject or a citizen of the Republic of Ireland; and
(*b*) have been born in a country or territory which is, or then was, within the Commonwealth or in the Republic of Ireland; and
(*c*) have parents, both of whom were born in such a country or territory or in the Republic of Ireland and have always been, or always were British subjects or citizens of the Republic of Ireland.

Applicants not able to satisfy these conditions may in exceptional circumstances and with the special permission of the Secretary of State for Defence, be accepted. Such applications should be accompanied by the following documents:—

(*a*) naturalisation certificate or evidence of naturalisation;
(*b*) parents' birth and marriage certificates;
(*c*) candidates' and parents' passports.

3. Candidates who are citizens of the Republic of Ireland will be required as a condition of entry to undertake to apply for British nationality (in order to be issued with a British passport). Application for British nationality will in no way affect a candidate's citizenship of the Republic of Ireland.

RESIDENTIAL QUALIFICATION

4. Candidates who are not of U.K. origin should have resided in the United Kingdom for at least 5 years immediately preceding the application. This rule may be waived in special circumstances by permission of the Secretary of State for Defence.

UNIFORM

5. On joining the Britannia Royal Naval College, Dartmouth, officers will be provided with a free issue of certain articles of clothing and equipment, and will also be given a cash grant towards the provision of the uniform outfit.

6. It is a condition of entry that an officer whose appointment is terminated compulsorily before he has completed 2 years' service will be required to return his principal items of free issue uniform, charges being raised against the officer for any specified article not returned.

7. If for any reason an officer is permitted to leave the Royal Navy voluntarily he will be required, at the discretion of the Admiralty Board, to refund the value of the outfits and cash grants issued to him on entry on the following scale:—

Grants paid and issues made less than 1 year before date of resignation	In full
Grants paid and issues made over 1 year but less than 2 years before date of resignation	Two thirds
Grants paid and issues made over 2 years but less than 3 years before date of resignation..	One third
Grants paid and issues made more than 3 years before date of resignation	Nil

PROBATIONARY PERIOD AND WITHDRAWAL FROM TRAINING

8. It must be clearly understood that the whole period of training is one of probation, and the Ministry of Defence reserves the right to terminate an appointment at any time if the officer:—

(*a*) fails to reach a satisfactory standard in training; or
(*b*) his conduct is unsatisfactory; or
(*c*) he does not display the qualities required of a naval officer.

9. Up to the date of confirmation in the rank of Sub-Lieutenant (approximately one year after entry) any officer to whom a naval career ceases to appeal will normally be allowed to withdraw from training subject only to the requirements of paragraph 7 above. Thereafter a Short Career officer will be expected to give a return of service of two years from the date of confirmation as Sub-Lieutenant. Full Career officers will be expected to give a return of service of one full appointment (about 2¼ years) after completion of professional courses.

TRANSFER FROM SHORT TO FULL CAREER COMMISSION

10. At any time after successful completion of one

Digitized by Google

year of full time naval training Short Career Graduate entrants will have the right to transfer to a Full Career Commission.

PART 3

ACADEMIC REQUIREMENTS

The academic requirement is a U.K. degree or equivalent acceptable to the Ministry of Defence, as well as passes in the GCE at Ordinary Level in English Language, Mathematics and Physics (or Physics-with-Chemistry, or Additional General Science). If a candidate does not possess a pass in Physics, or an acceptable equivalent, discretion of the Navy Department may be exercised in his favour, provided that the following conditions are satisfied:—

(*a*) The Admiralty Interview Board recommend he is worthy of special consideration by reason of good general qualities.

(*b*) There is good reason to expect that, with additional training the candidate will be able to attain at least "O" standard in Physics.

2. There is no restriction on the subject matter of degree offered by Seaman candidates. Candidates for the Supply and Secretariat Specialisation should preferably have a degree in law, a modern language or economics, but applications from graduates in other subjects will be considered on their merits.

PART 4

PHYSICAL REQUIREMENTS

DEFECTS WHICH CAUSE REJECTION

1. In general, physical defects of body, impediment of speech, defect of sight or hearing, and pre-disposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate incapable of performing general duties in the Royal Navy, ashore and afloat, in any part of the world, throughout his period of service.

2. An International Vaccination Certificate which has been countersigned by the Local Medical Officer of Health, must be obtained before entry, showing that the candidate has been vaccinated or re-vaccinated against smallpox within the last 3 years.

3. The following is a list of defects which may cause rejection:—

(1) Poor physique, imperfect development or skeletal deformity, either hereditary or acquired; obesity. To be judged on their present or future effect on functional ability.

(2) Skin disease, unless temporary or trivial. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

(5) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso pharynx.

(6) Disease of the throat and palate. Hypertrophy of the tonsils is not necessarily a cause for rejection. Chronically diseased gums. Gross oral sepsis. Disease or injury affecting the normal function of either mandibular joint, or gross deformity of the jaws.

(7) Tuberculous glands of the throat and neck. Enlargement of the thyroid gland, hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding 5 years, and the chest is clinically and radiologically clear.

(8) A history of pulmonary tuberculosis of adult type unless there is clear evidence that the disease is arrested and that the candidate has completed a full course of anti-tuberculous treatment and a sufficient period of time has passed as assessed by a consultant chest physician. Chronic disease of the chest. A history of treatment with anti-tuberculous drugs where it can be proved that this was merely given on account of a Mantoux conversion (i.e. during the formation of primary complex) and if it can be confirmed that there was subsequently a satisfactory history and chest X-ray, need be no bar to entry.

(11) Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection. Stricture of the urethra.

(12) Albuminuria; unless the first morning specimen of urine is clear, and there is no clinical evidence (e.g. cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

(13) Glycosuria unless a satisfactory report in a sugar tolerance test is produced.

(14) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated in the inguinal canal or at the external ring it must either be removed or brought down into the scrotum. If the result of the operation is satisfactory and the other testicle is in the scrotum and normal in character the candidate may be accepted.

(15) Hydrocele, or other serious defect or malformation of the genital organs. Incontinence of urine or enuresis within the past two years. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

(16) Fistula or fissure of the anus; haemorrhoids or any disease of the bowels or stomach.

TRAINING, PROMOTION AND CAREER PROSPECTS: NOTES

Full Career Commission Entrants

TRAINING

1. Successful candidates will enter in the rank of Acting Sub-Lieutenant and will spend one term at the Britannia Royal Naval College, Dartmouth, on general naval training. They will then undertake up to 12 months' sea training to obtain Certificates of Competence and at the end of this period will sit their Midshipman's Board. Although paid as Acting Sub-Lieutenants, officers will wear Midshipman's uniform until they have successfully completed their sea training.

2. At the earliest opportunity following successful completion of sea training officers will proceed to professional courses appropriate to their specialisation. Those officers who have taken a non-scientific degree or otherwise have insufficient scientific background to benefit immediately from professional courses, will be required to undertake a period of academic studies of up to one term at Dartmouth before they start their professional courses. They will then proceed to sea and Seaman officers will be required to obtain Bridge Watchkeeping and Ocean Navigation Certificates.

3. Failure to achieve satisfactory progress under training, or to obtain the above-mentioned certificates, may involve a delay in promotion, a loss of seniority, or discharge from the service.

PROMOTION

4. Graduates will be confirmed in the rank of Sub-Lieutenant after successful completion of 12 months' training. They will be promoted to Acting Lieutenant after 8 months' service as a Sub-Lieutenant. Confirmation as a Lieutenant will be approximately 3 years from date of entry to the Royal Navy, and seniority in that rank will be determined by the application of antedates in respect of academic qualifications and results in training. The antedates will be on the following scale:—

(*a*) First or Second Class Honours Degree .. .. 6 months
Other Degrees .. .. .. 3 months
(*b*) Up to 4 months will be allowed for results gained at Dartmouth, in the Dartmouth Training Squadron, and in the Fleet.
(*c*) Up to 6 months will be allowed for results gained during professional courses.

The maximum credit will be 16 months. The adjusted seniority as a Lieutenant will be calculated by subtracting the seniority credits from a base line of 2 years 4 months from date of entry. Officers who do not satisfactorily complete their training in the normal time will be confirmed in the rank of Lieutenant only on eventual satisfactory completion of training.

RETIREMENT

5. Full Career Commission officers are compulsorily retired on reaching the following ages:—

Lieutenant-Commander ..	50
Commander	53
Captain	55

6. Officers may apply to retire voluntarily, or to resign as appropriate, at any time before reaching the age of compulsory retirement. All applications will be considered by the Ministry of Defence in the light of

the requirements of the Service and normally up to 2 years' notice of the intention to retire will be required. This period may be longer in cases where an officer has recently been given further training of some months or more duration. Special consideration is, however, given to applications made on compassionate grounds. (See also Part 2 paragraph 9 about periods of minimum service.)

Short Career Commission Entrants

TRAINING

7. Initial training up to the completion of sea training will be as for Full Career entrants. Short Career Seaman officers who on completing one year of service opt to transfer to Full Career Commissions under the terms of paragraph 10 of Part 2, will at the end of their sea training join professional courses as though they had entered as Direct Entry Graduates on Full Career Commissions. Those Seaman officers who do not transfer at this stage will be appointed to normal complement billets on completion of their sea training. If they subsequently transfer to a Full Career Commission arrangements will be made for them to undertake their professional courses at the earliest opportunity (normally at the end of their current appointment). Thenceforward they would be treated in all respects as Full Career officers. All Supply and Secretariat officers will undertake their professional course immediately after completion of their sea training.

PROMOTION AND SENIORITY

8. The promotion pattern will be the same as for Full Career officers. Seaman officers who have not transferred to a Full Career Commission will not, however, have the opportunity of earning seniority gains during professional courses. If they subsequently transfer and do their professional courses their seniority will be adjusted accordingly.

PAY AND GRATUITY

9. The rates of pay will be notified separately. Full Career Commission rates of retired pay and terminal grants will be made available on request. Short Career officers who successfully complete their 4 year commission will be awarded a tax free gratuity. Details will be notified separately.

FULL CAREER COMMISSIONS IN THE ROYAL NAVY — ENGINEERING (MECHANICAL AND ELECTRICAL) SPECIALISATION — GRADUATE ENTRY

INTRODUCTION

1. The Direct Entry Graduate Scheme for the Engineering (Mechanical and Electrical) Specialisation offers a full career in the Royal Navy to young male engineering graduates.

2. Engineer officers in the Royal Navy sub-specialise in Marine Propulsion (ME), Submarine Engineering (Mechanical or Electrical) (MSM or LSM), Weapon Electrical (WE), and Aeronautical (Mechanical or Electrical) Engineering (MAE or LAE). Candidates will be given the opportunity to state their preference for sub-specialisation during their early training.

3. The entry regulations are detailed as follows:—

Part 1. Methods of Selection
Part 2. General Conditions of Entry
Part 3. Academic Qualifications Required
Part 4. Medical Standards.

There are also some short notes, not forming part of the entry regulations, on naval training and career prospects.

PART 1

METHODS OF SELECTION AND AWARD

APPLICATIONS

1. The application form should be completed and returned together with educational certificates, to Ministry of Defence Naval Personnel Division 1 (Graduates), Old Admiralty Building, Whitehall, London, S.W.1. A Registrar's copy of the candidate's Birth Certificate, or if one cannot be obtained, other documentary evidence (which may be a statutory declaration before a magistrate) giving exact date of birth should accompany the application.

INTERVIEW

2. All candidates attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hampshire, under the presidency of a Flag Officer (or a Captain R.N.) assisted by other naval and civilian members. The Board takes account of academic attainments, Tutors' reports where appropriate, and the results of tests of intelligence, aptitude and personality conducted at the Board itself.

3. Unsuccessful candidates may appear before the Admiralty Interview Board for a further attempt after a minimum of 12 months.

MEDICAL EXAMINATION

4. Candidates normally attend a medical examination in London on the day following their interview at H.M.S. *Sultan*.

5. Candidates who are below the physical or visual standards are informed as soon as possible so that they may appeal if they wish, to the Naval Medical Board of Appeal. This consists of a representative of the Medical Director General (Naval) and the appropriate Civil Consultant to the Navy according to the nature of the disqualification(s). The nominal fee of one pound which must accompany an appeal, is refunded if the appeal is successful. Expenses incurred in travelling, meals and accommodation for attendances at Appeals Boards are not refunded.

TRAVELLING AND OTHER EXPENSES

6. Where travelling expenses above 25p within the United Kingdom are incurred in order to attend the selection tests or medical examination, 2nd class rail or bus fares from a candidate's normal place of residence in the United Kingdom will be refunded for the whole amount. Lodging and food are provided free of charge at H.M.S. *Sultan*, and a light meal is provided at the Medical Board where appropriate.

7. Candidates who have to travel long distances within the United Kingdom to reach the Interview or Medical Board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meals, bed and breakfast for each night necessarily spent away from home. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses on accommodation and meals can be refunded.

ENTRY DATE

8. Successful candidates will enter in September.

PART 2

GENERAL CONDITIONS OF ENTRY

AGE LIMITS

1. Candidates must be under 26 on 1st September of the year of entry.

NATIONALITY

2. To be eligible candidates must:—

(*a*) at all times since birth have been a British subject or a citizen of the Republic of Ireland; and
(*b*) have been born in a country or territory which is, or then was, within the Commonwealth or in the Republic of Ireland; and
(*c*) have parents, both of whom were born in such a country or territory or in the Republic of Ireland and have always been, or always were, British subjects or citizens of the Republic of Ireland.

Applicants not able to satisfy these conditions may, in exceptional circumstances and with the special permission of the Secretary of State for Defence, be accepted. Such applications should be accompanied by the following documents:—

(*a*) naturalisation certificate or evidence of naturalisation;
(*b*) parents' birth and marriage certificates;
(*c*) candidates' and parents' passports.

3. Candidates who are citizens of the Republic of Ireland will be required as a condition of entry to undertake to apply for British nationality (in order to be issued with a British passport). Application for British nationality will in no way affect a candidate's citizenship of the Republic of Ireland.

RESIDENTIAL QUALIFICATION

4. Candidates who are not of U.K. origin should have resided in the United Kingdom for at least 5 years immediately preceding the application. This rule may be waived in special circumstances by permission of the Secretary of State for Defence.

UNIFORM

5. Officers will be required to provide themselves with a minimum of uniform, details of which will be supplied. The cost of this initial outfit will be met from public funds, a cash grant being given for the purchase of specialised items of uniform from civilian outfitters and the remainder being supplied as free issue items. Officers with previous naval service may receive modified cash grants only, depending on the length of the break in service.

6. It is a condition of entry that an officer whose appointment is terminated compulsorily before he has completed 2 years' service will be required to return his principal items of uniform, charges being raised against the officer for any article not returned.

7. Also if an officer is permitted to resign voluntarily he will be required, at the discretion of the Ministry of Defence, to refund his initial uniform cash grant and the value of his initial outfit free issue on the following scales:—

Grants paid and issues made less than one year before date of registration	In full
Grants paid and issues made over one year but less than 2 years before date of resignation	Two-thirds
Grants paid and issues made over 2 years but less than 3 years before date of registration	One-third
Grants paid and issues made over 3 years before date of registration	Nil

Each grant and free issue will be considered separately for this purpose. The amount of refund will be reduced by the value of any kit deficiency certificates surrendered by the officer, or any articles of free issue clothing returned to store in a new and unmarked condition, with the exception of made-to-measure garments.

PROBATIONARY PERIOD

8. It must be clearly understood that the whole period of training is one of probation, and the Ministry of Defence reserves the right to terminate an appointment at any time if the officer:—

(*a*) fails to reach a satisfactory standard in training or
(*b*) his conduct is unsatisfactory; or
(*c*) he does not display the qualities required of a naval officer.

9. Up to the date of confirmation in the rank of Sub-Lieutenant (approximately one year after entry) officers to whom a naval career ceases to appeal will normally be allowed to withdraw from training, subject only to the requirements of paragraph 7 above.

10. After confirmation in the rank of Sub-Lieutenant, officers will not normally be allowed to retire until they have given a period of effective service of one full appointment (about 2¼ years) after satisfactorily completing all their training.

PART 3

ACADEMIC REQUIREMENTS

Candidates should possess a United Kingdom Degree or equivalent in Engineering or Science (with suitable mechanical and electrical engineering subjects) acceptable to the Ministry of Defence.

Before a candidate is accepted he should also wherever possible have had 6 months' works experience, including that gained in University vacations.

Candidates whose academic qualifications have not been determined by the date of interview will be considered provisionally subject to confirmation of their qualifications later.

PART 4

MEDICAL STANDARDS

1. In general, physical defects of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate incapable of performing general duties in the Royal Navy, ashore and afloat, in any part of the world, throughout his period of service.

2. An International Vaccination Certificate which has been counter-signed by the Local Medical Officer of Health, must be obtained before entry, showing that the candidate has been vaccinated or revaccinated within the last 3 years against smallpox.

3. The following is a list of defects which may cause rejection:—

(1) Poor physique, imperfect development, or skeletal deformity, either hereditary or acquired; obesity. To be judged on their present or future effect on functional ability.

(2) Skin disease, unless temporary or trivial. Psoriasis, chronic eczema, or a history of of such conditions must be considered cause for rejection, and borderline cases must be referred to a Service Consultant. Scars which by their extent or position, cause or are likely to cause, disability or marked disfigurement. Diseases and deformity of the nails. Alopecia areata, if chronic.

(3) Psychiatric disorder, impaired intellect, epilepsy, stammer, gross malformation of the skull, dysarthria, dysphasia, dyslexia.

Digitized by Google

(4) Impaired hearing; discharge from or disease of, one or both ears; unhealed perforation of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

(5) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso pharynx.

(6) Disease of the throat and palate. Hypertrophy of the tonsils is not necessarily a cause for rejection. Chronically diseased gums. Gross oral sepsis. Disease or injury affecting the normal function of either mandibular joint or gross deformity of the jaws.

(7) Tuberculous glands of the throat and neck. Enlargement of the thyroid gland, hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding 5 years, and the chest is clinically and radiologically clear.

(8) History of pulmonary tuberculosis of adult type in a candidate below the age of 23, unless there is clear evidence that the disease is arrested and that the candidate has completed a full course of anti-tuberculous treatment and a sufficient period of time has passed as assessed by a Consultant Chest Physician. If the candidate is over age 23 the case will be considered on merit following full clinical examination, full plate chest X-ray, consideration of all available medical reports and preferably a Naval Consultant's opinion. Chronic disease of the chest. A history of treatment with anti-tuberculous drugs where it can be proved that this was merely given on account of a Mantoux conversion (i.e. during the formation of a primary complex) and if it can be confirmed that there was subsequently a satisfactory history and chest X-ray, need be no bar to entry.

(9) Functional or organic disease of the heart and blood vessels. Congenital heart disease except that when an uncomplicated patent ductus arteriosus has been successfully ligatured or when an atrial septal defect of the secundum type with no pulmonary hypertension has been closed, the candidate may be accepted for entry subject to approval by the Medical Director General (Naval).

(10) Allergic diseases, including asthma, hayfever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine, if severe, If there is any history of asthma, clear evidence must be produced that there has been complete freedom from an attack for the preceding 5 years.

(11) Undue swelling or distension of the abdomen; peltic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection. Stricture of the urethra.

(12) Albuminuria; unless the first morning specimen of urine is clear, and there is no clinical evidence (e.g. cardiac hypotrophy or raised blood pressure), or history which suggests impaired renal function.

(13) Glycosuria unless a satisfactory report on a sugar tolerance test is produced.

(14) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated on the inguinal canal or at the external ring it must either be removed or brought down into the scrotum. If the result of the operation is satisfactory and the other testicle is in the scrotum and normal in character the candidate may be accepted.

(15) Hydrocele, or other serious defect or malformation of the genital organs. Incontinence or enuresis within the last two years. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

(16) Fistula or fissure of the anus; haemorrhoids or any disease of the bowels or stomach.

(17) Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause, a varicose state of the veins, especially of the leg. Bunions distortion or malformation of the hands, feet, fingers or toes.

(18) Acute Rheumatic Fever—Candidates with an established history of rheumatic fever may be accepted if they are otherwise fit, provided:—

(i) they have been on anti-streptococcal antibiotic prophylaxis for a period of five years without recurrence, or

(ii) they have been ten years free from recurrence, no prophylaxis having been given, or

(iii) they are over the age 25 years, and have three years free of recurrence.

(19) Deformity or any chronic disease to the eyes or eyelids.

(20) Seasickness if severe.

VISUAL STANDARDS

4. Distance and reading glasses are permitted at all times.

Distant Vision	*Near Vision*	*Colour Perception Standard*
Less than 6/60 6/60 correcting to 6/12 6/12 or 6/6 6/24	N5 one eye N6 other eye with glasses	Three

Refractive error limits (under mydriatic):—

Manifest Hypermetropia or Myopia Hypermetropic or myopic Astigmatis	7.0 dioptres in either eye not to exceed 7.0 dioptres in the meridian of greater error

The fields of vision must be normal to the confrontation test.

An alternating concomitant squint is permitted only if it is not abnormal cosmetically with and without glasses.

A candidate below age 21 will not normally be accepted if he has a myopic error in any meridian exceeding 4.0 dioptres. Some latitude, however, may be given if the error is only marginally in excess of 4.0 dioptres and there is adequate reason to suppose that the defect is no longer progressive.

TRAINING, PROMOTION AND CAREER PROSPECTS: NOTES

PROMOTION

1. Accepted candidates will enter as Acting Sub-

Lieutenants and will be confirmed in that rank after successful completion of 12 months' training. Eighteen months after entering the Royal Navy officers will be promoted to Acting Lieutenant. Confirmation as Lieutenant will follow on the satisfactory completion of training and seniority in that rank will be determined by the application of antedate in respect of academic qualifications and practical experience. The detailed rules for the award of seniority credits are as follows:—

(*a*) A maximum of 12 months in respect of degree qualifications on the following scale:—

(1) London and other Universities (not Cambridge) and CNAA Honours Degree:—

Honours 1st Class	12 months
Honours 2nd Class (Upper)	10 months
Honours 2nd Class (Lower)	9 months
Honours 3rd Class	7 months
Pass Degree	6 months

(2) CNAA Ordinary Degree:—

Pass with Commendation ..	9 months
Pass Degree	6 months

(3) Cambridge University Mechanical Sciences Tripos:—

Honours 1st Class	4 months	8 months
Honours 2nd Class (Upper)	3 months	7 months
Honours 2nd Class (Lower)	2 months	6 months
Honours 3rd Class	1 month	5 months

(*b*) In addition to any award under (*a*) above up to 2½ years for previous professional experience subsequent to graduation which in the opinion of the Ministry of Defence would be beneficial to the Royal Navy.

These antedates will be subtracted from a basic date of 2 years 2 months after entry. They do not carry back-dating of pay.

2. After promotion to Lieutenant, officers will be subject to the same regulations as all Full Career Commission officers. They will be promoted to Lieutenant Commander on attaining 8 years' seniority as Lieutenant; advancement to Commander and above will be by selection, in competition with other Full Career Commission officers.

TRAINING

3. Successful candidates will undergo a course of basic naval training at Britannia Royal Naval College, Dartmouth, and at sea, lasting up to one year. Normally the first term will be spent at Dartmouth and will be followed by 2 terms at sea with the Fleet to obtain Certificates of Competence. During this period they will be treated and dressed as Midshipmen. Thereafter, wearing the rank of Sub-Lieutenant, they will undergo professional application courses which last about 12 months. The professional training is, however, longer for Submarine sub-specialists.

4. Failure to achieve satisfactory progress under training or to obtain the certificate mentioned above will involve delay in promotion, a loss of seniority or discharge from the Service.

RETIREMENT

5. Full Career Commission officers are compulsorily retired on reaching the following ages:

Lieutenant-Commander ..	50
Commander	53
Captain	55

6. Officers may apply to retire voluntarily, or to resign as appropriate, at any time before reaching the age of compulsory retirement. All applications will be considered by the Ministry of Defence in the light of the requirements of the Service and, normally, up to 2 years' notice of the intention to retire will be required. This period may be longer in cases where an officer has recently been given further training of some months or more duration. Special consideration is, however, given to applications made on compassionate grounds (see also Part 2, Paragraph 10 about periods of minimum service).

PAY

7. Details of pay will be notified separately.

REGULATIONS FOR FIRST APPOINTMENTS IN THE ROYAL MARINES—LONG SERVICE COMMISSIONS

INTRODUCTION

1. The Long Service First Appointments Scheme caters for young men who wish to make the Royal Marines their career. All candidates must be educationally qualified before entry but they may apply in anticipation of obtaining such qualifications.

2. The detailed entry regulations are attached as follows:—

Part 1. Methods of Selection
Part 2. General Conditions of Entry
Part 3. Educational Qualifications Required
Part 4. Physical Requirements.

There are also some short notes not forming part of the regulations, on Royal Marines training, promotion and career prospects.

PART 1

METHODS OF SELECTION

APPLICATION

1. The application form should be completed and returned together with educational certificates to Ministry of Defence, Naval Personnel Division 1 (LSC) Old Admiralty Building, Whitehall, London, S.W.1. In addition a Registrar's copy of the candidate's birth certificate should accompany the application, or if one cannot be obtained, other documentary evidence (which may be a statutory declaration before a magistrate) giving exact date of birth.

INTERVIEW

2. All candidates attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hampshire, which is under the presidency of a Flag Officer (or a Captain R.N.) assisted by other naval and civilian members. The Board takes account of academic attainments, Headmasters' or Tutors' reports, and the result of tests of intelligence, aptitude and personality conducted during the selection procedure.

3. The procedure is divided into two parts. Part 1 starts on the evening of candidates' arrival in H.M.S. *Sultan* with certain written tests, and continues the next day with an interview. Candidates who fail to reach the necessary standard in Part 1 are informed accordingly and are able to return home or to school immediately. Written confirmation of their result will follow by post shortly afterwards.

4. Those who are successful in Part I proceed to

Digitized by Google

the practical tests, the discussion exercise and the further interviews that make up Part 2 of the procedure. This usually takes place on the day following Part 1 but it is necessary on occasion to hold candidates over until the next but one day. Those who have to travel long distances to the selection procedure are usually asked to attend a medical examination in London on the day after Part 2.

5. Candidates are normally told by the Admiralty Interview Board within 2 or 3 days whether they have been recommended for entry to the Royal Marines. Those who are recommended should not, however, assume that their entry to the Royal Navy is guaranteed because the final selection is made in the Ministry of Defence.

6. Successful candidates who are disqualified from entry owing to failure in their GCE examinations, and who subsequently obtain the necessary number of passes, may, subject to the discretion of the Ministry of Defence, be accepted for entry without further interview.

7. Unsuccessful candidates may not appear before the Admiralty Interview Board for a further attempt until at least 12 months later. Those who continue to be unsuccessful or are over age to be considered again for a Long Service Commission, may apply for a Short Service Royal Marines Commission; they may not, however, attend for interview until 12 months have elapsed since their previous interview.

MEDICAL EXAMINATION

8. Candidates who reach a satisfactory standard at the Interview Board are generally called for a medical examination in London about a week later but for candidates who have to travel long distances every effort is made to arrange the medical examination for the day following their interview at H.M.S. *Sultan*.

9. Candidates who are below the physical and/or visual standards are informed as soon as possible so that they may appeal, if they wish, to the Naval Medical Board of Appeal. This consists of a representative of the Medical Director General (Naval) and the appropriate Civil Consultant to the Navy according to the nature of the disqualification(s). The nominal fee of one pound which must accompany an appeal, is refunded if the appeal is successful. Expenses incurred on travelling, meals and accommodation for attendances at Appeal Boards are not refundable.

TRAVELLING AND OTHER EXPENSES

10. Where travelling expenses above 25p are incurred within the United Kingdom in order to attend the selection tests or medical examination, 2nd class rail or bus fares from a candidate's school or normal place of residence in the United Kingdom will be refunded for the whole amount. Lodging and food are provided free of charge at H.M.S. *Sultan*, and a light meal is provided at the Medical Board where appropriate.

11. Candidates who have to travel long distances to reach the interview board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meals, bed and breakfast for each night necessarily spent away from home. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses on accommodation and meals can be refunded.

NOTIFICATION OF RESULT AND ENTRY DATE

12 Successful candidates will be informed as soon as possible—normally within 3 weeks of their interview. Entry to the Commando Training Centre, Lympstone is in September, and those who have a long wait between acceptance and joining are urged to continue their studies at school or elsewhere in the meantime; such study will materially assist them at Lympstone.

UNIVERSITY CADETSHIP SCHEME

13. First appointment candidates may also compete for the award of an R.M. University Cadetship. Such an award covers study for a full time degree at a University, Polytechnic or College in the United Kingdom; applications should be made as soon as possible in the year candidates expect to enter a University. The University Cadetship interview will also cover First Appointment Entry.

14. Successful University Cadetship candidates, instead of entering Lympstone, are appointed as Probationary Second Lieutenants with a special rate of pay and an educational grant whilst undergoing their University studies, and are required to undergo service training, during some of their vacations.

15. For further details and application form write to Ministry of Defence, Naval Personnel Division 1 (University Cadetships), Old Admiralty Building, Whitehall, London, S.W.1.

CANDIDATURE FOR OTHER TYPES OF OFFICER ENTRY

16. Information about other methods of officer entry into the Royal Navy and Royal Marines may be obtained from the Ministry of Defence, Royal Naval Careers Service, Officer Entry, Old Admiralty Building, Whitehall, London, S.W.1.

17. Candidates who wish to be considered for more than one type of entry are required to state their order of preference. They will be called to attend the Interview Board appropriate to their first choice and will be considered for all entries at the same time.

(3) Candidates' and parents' passports.

3. Candidates who are citizens of the Republic of Ireland will be required, as a condition of entry, to undertake to apply for British nationality (in order to be issued with a British passport). If so requested the outfit grants may be paid to parents or guardians of officers under 18 years of age.

6. It is a condition of entry that an officer whose appointment is terminated compulsorily before he has completed 2 years' service will be required to return his principal items of free issue uniform, charges being raised against the officer, or if under 18 his parents or guardians, for any specified article not returned.

7. Also if for any reason an officer is permitted to withdraw from training voluntarily he, or if he is under 18 his parent or guardian, will be required, at the discretion of the Admiralty Board, to refund the value of the outfits and cash grants issued to him after entry on the following scale:—

Grants paid and issues made less than 1 year before date of resignation	In full
Grants paid and issues made over 1 year but less than 2 years before date of resignation	Two-thirds

The amount of refund will be reduced by the value of any kit deficiency certificates surrendered by the officer, or any articles of free issue clothing returned to store in a new and unmarked condition, with the exception of made-to-measure garments.

PROBATIONARY PERIOD

8. It must be clearly understood that the whole period of training is one of probation, and the Ministry of Defence reserve the right to terminate an appointment at any time if the officer:—

(a) fails to reach a satisfactory standard in training; or
(b) his conduct is unsatisfactory; or
(c) he does not display the qualities required of a Royal Marines officer.

9. Up to the date of completion of training (approximately 3 years 4 months after entry), officers to whom a career in the Royal Marines ceases to appeal will normally be allowed to withdraw from training, subject only to the requirements of paragraph 7 above.

10. After completion of training officers will not normally be allowed to retire until they have given a period of effective service of up to 5 years from the date of their completion of training.

PART 3

(b) Passes in 5 subjects in the Scottish Certificate of Education to include the subjects English and Mathematics. Candidates must offer 3 passes at Higher Grade or 2 passes in the Certificate of Sixth Year Studies Examination.

2. Examination results received after the despatch of a candidate's application form should be forwarded to Ministry of Defence, Naval Personnel Division 1 (RM/LSC) Old Admiralty Building, Whitehall, London, S.W.1.

3. Other examination qualifications will be accepted if, in the opinion of the Ministry of Defence, they are equivalent to those specified or of a higher standard.

4. Passes at Grade 1 in the Certificate of Secondary Education will be accepted in lieu of Ordinary Level passes in the GCE on a subject for subject basis.

5. If vacancies exist outstanding candidates who only have one 'A' Level pass (or equivalent) in an acceptable subject may be considered for appointment.

- (4) Disease of the throat or palate. Disease or injury affecting the normal function of either mandibular joint.
- (5) *Tonsilitis* apparent enlargement of the tonsils is not a cause for rejection.
- (6) *Sinusitus* Repeated attacks of sinusitis, which have been severe enough to cause incapacity will usually entail rejection. In case of doubt, a specialist opinion should be obtained.

(*h*) *Diseases of the Chest* Definite evidence of disease of the lungs or pleura. Cases of doubt should be referred to the Medical-Director General (Naval) for decision.
- (1) *Asthma* where this forms, or is likely to form a serious impediment to the efficient performance of duty.

(*i*) *Cardio-vascular* functional or organic disease of the heart and blood vessels. Congenital heart disease excepting those with an uncomplicated lesion such as patent ductus arteriosus or atrial septal defect which has been completely cured by surgery. These cases may be accepted for entry subject to approval by Medical Director-General (Naval).

(*j*) *Rheumatic Fever* An established history of rheumatic fever may be accepted in the absence of abnormal cardiac signs provided:
- (1) there has been anti-streptococcal antibiotic prophylaxis for a period of 5 years without recurrence, or
- (2) there has been ten years freedom from recurrence, no prophylaxis having been given, or
- (3) the candidate is over 25 years and has been three years free of recurrence.

(*k*) *Disease of the liver, spleen, stomach or bowels*
- (1) Peptic Ulcer
- (2) Hernia does not entail rejection. However, a satisfactory surgical repair must have been carried out before a candidate can be allowed to enter.
- (3) Fistula or fissure of anus; Haemorrhoids.

(*m*) *Genito-Urinary Conditions*
- (1) Congenital, active or latent syphilis. Gonorrhoea.
- (2) Albuminuria, unless three consecutive first morning specimens are found to be clear of albumin. Any deposit is also to be checked.
- (3) Glycosuria, unless a satisfactory report on a sugar tolerance test is produced.
- (4) Stricture of the urethra.
- (5) Incontinence of urine.
- (6) Enuresis, if this is within the last 2 years.
- (7) Hydrocele and Varicocele except that a satisfactory surgical repair will normally render a candidate fit for entry.
- (8) Serious defect or malformation of the genital organs.
- (9) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated in the inguinal canal or at the external ring it must be either removed or brought down into the scrotum. If the result of the operation is satisfactory, and the other testicle is in the scrotum and normal in character, the candidate may be accepted.
- (10) Diseases and malformations of the kidneys.
- (11) Urolithiasis.

(*n*) *Allergic Diseases* where these form, or are likely to form, a serious impediment to the efficient performance of duty.
- (1) *Hay fever* mild attacks which would not affect the efficient performance of duty may be ignored. Severe hay fever is likely to be a bar to entry, the severity being judged by the need for prolonged medication.

(*o*) *Metabolic Conditions* diseases of the thyroid gland, hyperthyroidism, myxoedema.

TRAINING, PROMOTION AND CAREER PROSPECTS: NOTES

COURSES OF INSTRUCTION AND TRAINING

1. The Programme of Training of Second Lieutenants is carried out in 4 phases. Phase I consists of 12 months' basic infantry, commando, amphibious and naval training and is mainly carried out at the Commando Training Centre, Royal Marines, Lympstone, Devon. Phase II, of approximately a year's duration, is spent in serving in an operational commando at home or overseas. Phase III consists of 12 months' academic training at Britannia Royal Naval College, Dartmouth. Phase IV consists of approximately 3 months' confirmatory training in the United Kingdom including courses at the Joint Warfare Establishment and Commando Training Centre, Royal Marines, The Amphibious Training Unit, Royal Marines and the Royal Marines Barracks, Eastney. Physical and Recreational Training, Equitation and Initiative Training are included in certain courses carried out at Royal Marine units.

2. Marks are allotted at the end of most courses on the results of examinations, and also for general qualities, powers of leadership and application.

UNIVERSITY NOMINATIONS

3. One or two young officers will be selected each year to be sent to university to study for a degree. Selection will normally take place on completion of military training and will depend upon an officer's academic merits, on his being able to satisfy the university entry requirements and acceptance by a college, and on his general conduct and progress during training. Officers will go to university after one tour in a Royal Marines Commando.

SCOPE OF DUTIES

4. The scope of duties of Royal Marines Officers according to rank includes:—

Ashore—

(*a*) Regimental duties in a Commando.
(*b*) Specialisation in Weapon Training, Signalling, Landing Craft, Assault Engineering, Physical Training, Motor Transport, Reconnaissance Leading, Heavy Weapons or as Swimmer Canoeist.
(*c*) Instructional duties.

Afloat

(*e*) Detachment duties, including military landing parties.
(*f*) Watchkeeping at sea.
(*g*) Staff appointments to Commanders-in-Chief etc.

5. Qualified Officers are eligible for employment on the Ministry of Defence Staff and for appointments on extra-regimental duties.

6. Suitable Officers are selected for employment as Pilots of Troop Carrying Assault Helicopters and Unit Light Aircraft.

PROMOTION

7. Officers are granted the acting rank of Lieutenant after 2 years and 4 months from date of entry. On satisfactory completion of all courses, officers are posted to a Commando unit or embarked as subalterns of R.M. detachments afloat. Confirmation in the rank of Lieutenant takes place after 3 years and 6 months from date of entry (seniority being adjusted according to marks obtained during training).

9. Lieutenants are normally promoted to Captain on attaining 8 years' seniority as Lieutenant.

10. Promotion to Major and higher ranks up to General is by selection, and is subject to passing the prescribed examinations.

RETIREMENT

11. Long Service officers are compulsorily retired on reaching the following ages:—

Captain 50
Major 50
Lieutenant-Colonel .. 51

Officers may apply to retire voluntarily or to resign as appropriate at any time before reaching the age of compulsory retirement. All applications will be considered by the Ministry of Defence in the light of the requirements of the Service and, normally, up to two years' notice of the intention to retire will be required. This period may be longer in cases where an officer has recently been given further training of some months or more duration. Special consideration is, however, given to applications made on compassionate grounds (see also Part 2 paragraph 10 about periods of minimum service).

PAY

12. Details of pay are notified separately.

REGULATIONS FOR ROYAL MARINES UNIVERSITY CADETSHIP ENTRY

INTRODUCTION

1. If you want to get a degree and become a Royal Marines officer, you are encouraged to join as a University Cadet for a long service commission. If you are already taking a full-time degree course at a University, Polytechnic or College of Technology, you may apply at any time during your course of studies. If you are studying for "A" levels and hope to take such a degree course you may apply at any time during your last year at school. You need not have secured a place, or a provisional place, at University, College, etc., but should have decided for which degree you propose to study.

2. You will be paid throughout your period at University, etc. In addition you will receive an educational grant and your tuition fees will also be paid for you. Details are given in the separate leaflet enclosed. You will, however, have to repay the grant

Digitized by Google

and fees if you wish to withdraw from the Royal Marines in the first few years of your service.

3. The detailed entry regulations are attached as follows:—

Part 1. Methods of Selection and Award
Part 2. General Conditions of Entry
Part 3. Educational Qualifications required
Part 4. Medical Standards.

There are also some short notes, not forming part of the regulations, on training and career prospects.

PART 1

METHODS OF SELECTION AND AWARD

APPLICATIONS

1. The application form should be completed and returned together with birth and educational certificates to Ministry of Defence Naval Personnel Division 1 (University Cadetships), Old Admiralty Building, Whitehall, London, S.W.1. Any candidate who has not received an acknowledgment of his application within 10 complete days should write at once to the above address.

INTERVIEW

2. All candidates attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hampshire, which is under the presidency of a Flag Officer (or a Captain R.N.) assisted by other naval and civilian members. The Board takes account of academic attainments, Headmasters' or Tutors' reports, and the result of tests of intelligence, aptitude and personality conducted during the selection procedure.

3. The procedure is divided into two parts. Part 1 starts on the evening of candidates' arrival in H.M.S. *Sultan* with certain written tests, and continues the next day with an interview. Candidates who fail to reach the necessary standard in Part 1 are informed accordingly and are able to return home or to school immediately. Written confirmation of their result will follow by post shortly afterwards.

4. Those who are successful in Part 1 proceed to the practical tests, the discussion exercise and the further interviews that make up Part 2 of the procedure. This usually takes place on the day following Part 1 but it is necessary on occasion to hold candidates over until the next but one day. Those who have to travel long distances to the selection procedure are usually asked to attend a medical examination in London on the day after Part 2.

5. Candidates are normally told by the Admiralty Interview Board within 2 or 3 days whether they have been recommended for University Cadetship. Those who are recommended should not, however, assume that their entry to the Royal Navy is guaranteed because the final selection is made in the Ministry of Defence.

6. Unsuccessful candidates may appear before the Admiralty Interview Board for a further attempt after a minimum of 6 months.

MEDICAL EXAMINATION

7. Candidates who reach a satisfactory standard at the Interview Board are generally called for a medical examination in London about a week later. For candidates who have to travel long distances every effort is made to arrange the medical examination for the day following their interview at H.M.S. *Sultan*.

8. Candidates who are below the physical and/or visual standards are informed as soon as possible so that they may appeal if they wish to the Medical Appeal Board. This consists of a representative of the Medical Director General (Naval) and the appropriate Civil Consultant to the Navy according to the nature of the disqualification(s). The nominal fee of one pound which must accompany an appeal is refunded if the appeal is successful. Expenses incurred in travelling, meals, and accommodation for attendances at Appeals Board are not refunded.

TRAVELLING AND OTHER EXPENSES

9. Where travelling expenses above 25p are incurred within the United Kingdom in order to attend the selection tests or medical examination, second class rail or bus fares from a candidate's school or normal place of residence in the United Kingdom will be refunded for the whole amount. Lodging and food are provided free of charge at H.M.S. *Sultan*, and a light meal is provided at the Naval Medical Board where appropriate.

10. Candidates who have to travel long distances to carry out the selection procedure and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meals, bed and breakfast, for each night necessarily spent away from home. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses on accommodation and meals can be refunded.

AWARD OF CADETSHIPS

11. Notification of provisional awards will be made as soon as possible after the appearance at the Admiralty Interview Board. Confirmation of the awards will be dependent on the candidate's satisfying the conditions of Part 3 below. In addition, as vacancies are limited, confirmation may have to wait until the educational qualifications of all candidates are known. The award of the Cadetship will date from shortly before the start of the applicant's degree course or, where the course has already been started, from the beginning of the term following selection.

12. Successful candidates who have already commenced their University/College course with assistance from public funds should inform the appropriate Local Education Authority or other award-making body immediately they are awarded a Royal Marines University Cadetship. It should be assumed that no further assistance will be given by that body after the date on which the cadetship commences.

PART 2

GENERAL CONDITIONS OF ENTRY

AGE LIMITS

1. Candidates must be at least 17½ years of age on being appointed and of such an age that they will be under 24 years old on 1st September of the year in which they graduate.

2. A Registrar's copy of the candidate's birth certificate must be supplied or, if one cannot be obtained, other documentary evidence (which may be a statutory declaration by a parent or guardian before a magistrate), giving exact date of his birth.

NATIONALITY

3. To be eligible candidates must:—

(*a*) at all times since birth have been a British subject or a citizen of the Republic of Ireland; and
(*b*) have been born in a country or territory which is, or then was, within the Commonwealth or in the Republic of Ireland; and

Digitized by Google

accepted. Such applications should be accompanied by the following documents:—

(*a*) naturalisation certificate or evidence of naturalisation;
(*b*) parents' birth and marriage certificates;
(*c*) candidates' and parents' passports.

4. Candidates who are citizens of the Republic of Ireland will be required as a condition of entry to undertake to apply for British nationality (in order to be issued with a British passport). Application for British nationality will in no way affect a candidate's citizenship of the Republic of Ireland.

RESIDENTIAL QUALIFICATION

5. Candidates who are not of U.K. origin should have resided in the United Kingdom for at least 5 years immediately preceding the application. This rule may be waived in special circumstances by permission of the Secretary of State for Defence.

UNIFORM

6. University Cadets are provided with uniform outfits free of charge on reporting to the Commando Training Centre, Lympstone, for initial training. Further free issues of clothing and cash grants for the purchase of uniform items are made on graduation and on completion of training.

7. It is a condition of entry that an officer whose appointment is terminated compulsorily will be required to return his principal items of free issue uniform, charges being raised against the officer for any specified article not returned.

FAILURE TO OBTAIN A DEGREE

8. A University Cadet who fails to obtain his degree or diploma may be required to continue to serve, or may, at Ministry of Defence discretion, have his appointment terminated.

FINANCIAL LIABILITY

9. Should an officer entered as a University Cadet be permitted to leave the Royal Marines voluntarily before graduating, or before completing 5 years' service subsequent to graduation, he will be required to refund to the Ministry of Defence his educational grant and tuition fees paid from public funds. An undertaking to this effect will be required. A similar refund will be required should a cadet's appointment be terminated because he has failed to obtain his degree or diploma as a result of lack of diligence, or should he become medically unfit whilst at University for reasons attributable to his own fault.

10. In addition, if an officer withdraws voluntarily he will be required at the discretion of the Admiralty Board, to refund the value of the uniform outfits and cash amounts issued to him on the following scale:—

Grant paid and issues made less than one year before date of resignation	In Full
Grants paid and issues made more than one year but less than 2 years before date of resignation	Two thirds
Grants paid and issues made more than 2 years but less than 3 years before date of resignation	One third
Grants paid and issues made more than 3 years before date of resignation	Nil

11. The amount of refund will be reduced by the value of any kit deficiency certificates surrendered by the officer, or any articles of free issue clothing returned to store in a new and unmarked condition, with the exception of made to measure garments.

PROBATIONARY PERIOD AND WITHDRAWAL FROM THE SERVICE

12. It must be clearly understood that the whole period of a University Cadetship and subsequent training is one of probation, and the Ministry of Defence reserves the right to terminate an appointment at any time if the officer:—

(*a*) fails to reach a satisfactory standard during his studies or in training; or
(*b*) his conduct is unsatisfactory; or
(*c*) he does not display the qualities required of a Royal Marines officer.

13. Up to the date of promotion to Lieutenant, which in normal circumstances occurs after 14 months' full time Royal Marine training following graduation, officers to whom a Royal Marines career ceases to appeal will normally be allowed to withdraw from training subject only to the requirements of paragraphs 9 and 10 above.

14. After promotion to Lieutenant, officers will not normally be allowed to retire until they have given a period of effective service of up to 5 years from the date of their first appointment after satisfactorily completing all their training. Exceptions to this rule will be allowed only in the most exceptional circumstances (e.g. compassionate cases).

PART 3

EDUCATIONAL QUALIFICATIONS REQUIRED

1. A confirmed award of a Cadetship is dependent on a candidate obtaining a place for, or being currently on, a degree course as a full time internal student at a University, Polytechnic or College of Technology in the United Kingdom, acceptable to the Ministry of Defence.

2. There is no restriction on the subject matter of the degree course that may be undertaken by candidates.

3. For all candidates, General Certificates of Education or equivalent qualifications must include at least "O" level passes in English Language and Mathematics. In cases of doubt candidates should consult Naval Personnel Division 1, Ministry of Defence, London, S.W.1.

4. Students wishing or required to change their course of study are, after consultation with their tutors, to apply to the Director, Naval Education Service, Ministry of Defence, London, S.W.1, without delay. Courses of study are not to be changed without prior approval of the Navy Department.

PART 4

  (3) Hallux Valgus, Hallux Rigidus, Hammer toes, Pes Cavus, Flat Feet.
  (4) malformation of the head. Deformity from fracture or depression of the bones of the skull.

(*b*) *Obesity.* Providing that the candidate's cardiovascular and respiratory systems are within normal limits, that the exercise tolerance is normal, and that there is no undue dyspnoea on exertion, the candidate's actual weight may be ignored.

Digitized by Google

(c) *Skin Disease* unless temporary or trivial. Psoriasis, chronic eczema, dermatitis, alopecia areata or a history of such conditions must be considered cause for rejection.

(d) *Psychiatric Disorders* or a history thereof, including anxiety states, depression, impaired intellect, emotional instability, stammer.

(e) *Disorders of the Central Nervous System* Organic disease of the CNS; Epilepsy; Migraine if recurrent and of sufficient severity to require medical treatment or absence from work is normally a bar to entry.

(f) *Deformity or any chronic disease of eyes or eyelids*

(g) *Diseases of the Ear, Nose and Throat*
(1) *Perforations*—an unhealed perforation is a bar to entry.
(2) *Mastoid Operation* A radical mastoid operation is a bar to entry. A modified radical mastoid operation may be acceptable on the advice of a Naval E.N.T. Specialist. A cortical mastoid operation, providing the ear is healthy, the tympanic membrane intact and there is no defect of hearing, is not a cause for rejection.
(3) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx. Simple septal deviations or nasal deformities are not cause for rejection.
(4) Disease of the throat or palate. Disease or injury affecting the normal function of either mandibular joint.
(5) *Tonsilitis* apparent enlargement of the tonsils is not a cause for rejection.
(6) *Sinusitis* repeated attacks of sinusitis, which have been severe enough to cause incapacity will usually entail rejection. In case of doubt, a specialist opinion should be obtained.

(h) *Diseases of the Chest* Definite evidence of disease of the lungs or pleura. Cases of doubt should be referred to the Medical Director General (Naval) for decision.
(1) *Asthma* where this forms, or is likely to form a serious impediment to the efficient performance of duty.

(i) *Cardio-vascular* functional or organic disease of the heart and blood vessels. Congenital heart disease excepting those with an uncomplicated lesion such as patent ductus arteriosus or atrial septal defect which has been cured by surgery. These cases may be accepted for entry subject to approval by Medical Director-General (Naval).

(j) *Rheumatic Fever* An established history of rheumatic fever may be accepted in the absence of abnormal cardiac signs provided:
(1) there has been anti-streptococcal antibiotic prophylaxis for a period of 5 years without recurrence, or
(2) there has been ten years freedom from recurrence, no prophylaxis having been given, or
(3) the candidate is over 25 years and has been three years free of recurrence.

(1) Congenital, active or latent syphilis. Gonorrhoea.
(2) Albuminuria, unless three consecutive first morning specimens are found to be clear of albumin. Any deposit is also to be checked.

(4) Stricture of the urethra.

(6) Enuresis, if this is within the last 2 years.
(7) Hydrocele and Varicocele except that a satisfactory surgical repair will normally render a candidate fit for entry.
(8) Serious defect or malformation of the genital organs.
(9) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated in the inguinal canal or at the external ring it must either be removed or brought down into the scrotum. If the result of the operation is satisfactory, and the other testicle is in the scrotum and normal in character, the candidate may be accepted.
(10) Diseases and malformations of the kidneys.
(11) Urolithiasis.

(n) *Allergic Diseases* where these form, or are likely to form, a serious impediment to the efficient performance of duty.
(1) *Hay fever* mild attacks which would not affect the efficient performance of duty may be ignored. Severe hay fever is likely to be a bar to entry, the severity being judged by the need for prolonged medication.

(o) *Metabolic Conditions* diseases of the thyroid gland, hyperthyroidism, myxoedema.

TRAINING, PROMOTION AND CAREER PROSPECTS: NOTES

TRAINING

1. Where possible Cadets join the Commando Training Centre, Royal Marines, Lympstone, before the beginning of the Autumn Term at University for up to 14 days' training. They will normally be called for training during University vacations at the discretion of the Commandant General Royal Marines and subject to the requirements of the University.

Digitized by Google

2. On graduating, successful candidates will join the Commando Training Centre, Royal Marines, and will spend one year doing pre-unit training.

3. On completion of training officers will be posted to a Commando Unit during which time they will be an integral part of the complement of the Unit and will carry out normal Subaltern duties.

4. After about eighteen months in a Unit, officers may be required to undertake a series of Operations courses in home training establishments for a period of three months.

PROMOTION AND SENIORITY

5. University Cadets are appointed in the rank of Probationary 2nd Lieutenant. They are promoted Probationary Lieutenant on 1st September in the year they graduate. Fourteen months later they are promoted to Lieutenant following successful completion of pre-unit training. Seniority as a Lieutenant can be adjusted according to class of degree obtained and results achieved during training and early service with a Commando. Antedates are awarded as follows:—

1st or 2nd Class Honours Degree	20 months
Other Classes of Degree ..	14 months
Results in training and early service	up to 6 months

6. Antedates in seniority will count towards increments in pay and for promotion, but the time so gained will not count for retired pay or for other financial purposes. Antedates will not carry back pay on the scale for the higher rank.

7. Lieutenants are normally promoted to Captain on attaining 8 years' seniority as Lieutenant. Promotion to Major and higher ranks is by selection in competition with other Long Service officers, and is subject to passing the prescribed examinations.

RETIREMENT

8. Long Service Commission officers retire on reaching the following ages:—

This period may be longer in cases where an officer has recently been given further training of some months or more duration. Special consideration is, however, given to applications made on compassionate grounds (see also Part 2 paragraph 14 about periods of minimum service).

REGULATIONS FOR ROYAL MARINES GRADUATE ENTRY

INTRODUCTION

1. The Royal Marines Graduate entry scheme offers opportunities for University Graduates to join the Royal Marines on Long Service Commissions.

2. The entry regulations are set out as follows:—

Part 1. Methods of Selection
Part 2. General Conditions of Entry
Part 3. Medical Standards.

There are also some short notes, not forming part of the regulations, on Royal Marines training, promotion and career prospects.

PART 1
METHODS OF SELECTION

APPLICATIONS

1. The application form should be completed and returned together with birth and educational certificates to Ministry of Defence, Naval Personnel Division 1 (Graduates), Old Admiralty Building, Whitehall, London, S.W.1. Any candidate who has not received an acknowledgment of his application within 10 complete days should write at once to the above address.

INTERVIEW

2. All candidates attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hampshire, which is under the presidency of a Flag Officer (or a Captain R.N.) assisted by other naval and civilian members. The Board takes account of academic attainments, Headmasters' or Tutors' reports, and the result of tests of intelligence, aptitude and personality conducted during the selection procedure.

3. The procedure is divided into two parts. Part 1 starts on the evening of candidates' arrival in H.M.S. *Sultan* with certain written tests, and continues the next day with an interview. Candidates who fail to reach the necessary standard in Part 1 are informed accordingly and are able to return home or to school immediately. Written confirmation of their result will follow by post shortly afterwards.

4. Those who are successful in Part 1 proceed to the practical tests, the discussion exercise and the further interviews that make up Part 2 of the procedure. This usually takes place on the day following Part 1 but it is necessary on occasion to hold candidates over until the next but one day. Those who have to travel long distances to the selection procedure are usually asked to attend a medical examination in London on the day after Part 2.

5. Candidates are normally told by the Admiralty Interview Board within 2 or 3 days whether they have been recommended for Graduate entry. Those who are recommended should not, however, assume that their entry to the Royal Navy is guaranteed because the final selection is made in the Ministry of Defence.

6. Unsuccessful candidates may appear before the Admiralty Interview Board for a further attempt after a minimum of 6 months, but they may not be considered more than once for any particular entry.

MEDICAL EXAMINATION

7. Medical examinations are carried out in London and wherever possible they are arranged for the day after the candidate's appearance at H.M.S. *Sultan*.

8. Candidates who are below the physical or visual standards are informed as soon as possible so that they may appeal, if they wish, to the Naval Medical Board of Appeal. This consists of a representative of the Medical Director General (Naval) and the appropriate Civil Consultant to the Navy according to the nature of the disqualification(s). The nominal fee of one pound, which must accompany an appeal, is refunded if the appeal is successful. Expenses incurred in travelling, meals and accommodation for attendances at Appeals Boards are not refunded.

TRAVELLING AND OTHER EXPENSES

9. Where travelling expenses above 25p are incurred within the United Kingdom in order to attend the selection tests or medical examination, second class rail or bus fares from the candidate's

Digitized by Google

normal place of residence in the United Kingdom will be refunded for the whole amount. Lodging and food are provided free of charge at H.M.S. *Sultan*, and a light meal is provided at the Naval Medical Board where appropriate.

10. Candidates who have to travel long distances to carry out the selection procedure and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expense on evening meals, bed and breakfast for each night necessarily spent away from home. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses on accommodation and meals can be refunded.

NOTIFICATION OF RESULT AND DATE OF ENTRY

11. Successful candidates will be informed as soon as possible. As the number of vacancies is limited, however, final acceptance may not be possible until about one month before entry. Successful candidates will enter the Commando Training Centre, Lympstone, Devon, in September.

UNIFORM

7. An outfit allowance is payable on entry and is supplemented by free issues of clothing. This allowance, together with the free issues, is sufficient to provide all the essential uniform required by the officer while under training.

8. It is a condition of entry that an officer whose appointment is terminated compulsorily before he has completed 2 years' service will be required to return his principal items of free issue uniform, charges being raised against the officer, for any specified articles not returned.

9. If for any reason an officer is permitted to withdraw from training voluntarily before he has completed 2 years' service he will be required, at the discretion of the Admiralty Board, to refund the value of the outfits and cash grants issued to him after entry on the following scale:—

Grants paid and issues made less than one year before date of resignation	In full
Grants paid and issues made over one year but less than two years before date of resignation	Two-thirds
Grants paid and issues made over two years but less than three years before date of resignation	One-third
Grants paid and issues made more than three years before date of resignation	Nil

The amount of refund will be reduced by the value of any Kit Deficiency certificates surrendered by the officer, or any articles of free issue clothing returned to store in a new and unmarked condition, with the exception of made-to-measure garments.

TERMINATION OF APPOINTMENT

10. It must be clearly understood that the whole period of training is one of probation, and the Ministry of Defence reserves the right to terminate an appointment at any time if:—

(*a*) the officer fails in training; or
(*b*) his standard of work is unsatisfactory or, under certain circumstances, he fails to perform the duties for which he was entered; or
(*c*) his conduct is unsatisfactory; or
(*d*) the qualities required of a Royal Marines Officer are not being sufficiently developed.

11. Up to the date of completion of initial training (approximately one year after entry) officers to whom a Royal Marines Career ceases to appeal will normally be allowed to withdraw from training subject only to the requirements of paragraph 9 above. Thereafter they will be expected to give a return of service of one full appointment (about 2 years) from the date of completion of initial training, before applying to be allowed to retire voluntarily.

PART 3

MEDICAL STANDARDS

1. The following is a list of defects which may cause rejection:

(*a*) *Poor Physique* imperfect development or skeletal deformity either hereditary or acquired.
(1) asymmetry of torso or limbs, limitation of movement of joints, the presence of muscular wasting.

Digitized by Google

(2) abnormal spinal conditions, abnormal locomotion, amputations.
(3) Hallux Valgus, Hallux Rigidus, Hammer toes, Pes Cavus, Flat Feet.
(4) malformation of the head. Deformity from fracture or depression of the bones of the skull.

(*b*) *Obesity* Providing that the candidate's cardiovascular and respiratory systems are within normal limits, that the exercise tolerance is normal, and that there is no undue dyspnoea on exertion, the candidate's actual weight may be ignored.

(*c*) *Skin Disease* unless temporary or trivial. Psoriasis, chronic eczema, dermatitis, alopecia areata or a history of such conditions must be considered cause for rejection.

(*d*) *Psychiatric Disorders* or a history thereof, including anxiety states, depression, impaired intellect, emotional instability, stammer.

(*e*) *Disorders of the Central Nervous System* Organic disease of the CNS; Epilepsy; Migraine if recurrent and of sufficient severity to require medical treatment or absence from work is normally a bar to entry.

(*f*) *Deformity or any chronic disease of eyes or eyelids*

(*g*) *Diseases of the Ear, Nose and Throat*
(1) *Perforations*—an unhealed perforation is a bar to entry.
(2) *Mastoid Operation* A radical mastoid operation is a bar to entry. A modified radical mastoid operation may be acceptable on the advice of a Naval E.N.T. Specialist. A cortical mastoid operation, providing the ear is healthy, the tympanic membrane intact and there is no defect of hearing, is not a cause for rejection.
(3) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx. Simple septal deviations or nasal deformities are not cause for rejection.
(4) Disease of the throat or palate. Disease or injury affecting the normal function of either mandibular joint.
(5) *Tonsilitis* apparent enlargement of the tonsils is not a cause for rejection.
(6) *Sinusitis* repeated attacks of sinusitis, which have been severe enough to cause incapacity will usually entail rejection. In case of doubt, a specialist opinion should be obtained.

(*h*) *Diseases of the Chest* Definite evidence of disease of the lungs or pleura. Cases of doubt should be referred to the Medical Director-General (Naval) for decision.
(1) *Asthma* where this forms, or is likely to form, a serious impediment to the efficient performance of duty.

(*i*) *Cardio-vascular* functional or organic disease of the heart and blood vessels. Congenital heart disease excepting those with an uncomplicated lesion such as patent ductus arteriosus or atrial septal defect which has been completely cured by surgery. These cases may be accepted for entry subject to approval by the Medical Director-General (Naval).

(*j*) *Rheumatic Fever* An established history of rheumatic fever may be accepted in the absence of abnormal cardiac signs provided:
(1) there has been anti-streptococcal antibiotic prophylaxis for a period of 5 years without recurrence, or
(2) there has been ten years' freedom from recurrence, no prophylaxis having been given, or
(3) the candidate is over age 25 years and has been three years free of recurrence.

(*k*) *Disease of the liver, spleen, stomach or bowels*
(1) Peptic Ulcer
(2) Hernia does not entail rejection. However, a satisfactory surgical repair must have been carried out before a candidate can be allowed to enter.
(3) Fistula or fissure of anus; Haemorrhoids.

(*m*) *Genito-Urinary Conditions*
(1) Congenital, active or latent syphilis. Gonorrhoea.
(2) Albuminuria, unless three consecutive first morning specimens are found to be clear of albumin. Any deposit is also to be checked.
(3) Glycosuria, unless a satisfactory report on a sugar tolerance test is produced.
(4) Stricture of the urethra.
(5) Incontinence of urine.
(6) Enuresis, if this is within the last 2 years.
(7) Hydrocele and Varicocele except that a satisfactory surgical repair will normally render a candidate fit for entry.
(8) Serious defect or malformation of the genital organs.
(9) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated in the inguinal canal or at the external ring it must be either removed or brought down into the scrotum. If the result of the operation is satisfactory, and the other testicle is in the scrotum and normal in character, the candidate may be accepted.
(10) Diseases and malformations of the kidneys.
(11) Urolithiasis.

(*n*) *Allergic Diseases* where these form, or are likely to form, a serious impediment to the efficient performance of duty.
(1) *Hay fever* mild attacks which would not affect the efficient performance of duty may be ignored. Severe hay fever is likely to be a bar to entry, the severity being judged by the need for prolonged medication.

(*o*) *Metabolic Conditions* diseases of the thyroid gland, hyperthyroidism, myxoedema.

TRAINING, PROMOTION AND CAREER PROSPECTS: NOTES

TRAINING

1. Graduate entries will undergo one year's initial training at the Commando Training Centre, Lympstone. On completion they will be appointed to a Commando, and become an integral part of the complement of the Unit and carry out normal subaltern duties. Wherever possible, arrangements will be made for them to be attached to a ship during this period to gain experience of service at sea.

2. After approximately 18 months in a Commando Unit, officers may be required to undertake a series of Operations Courses lasting for a period of 3 months.

PROMOTION AND SENIORITY

3. Successful candidates enter the Royal Marines in the rank of Probationary Lieutenant. Up to 6 months may be gained for results obtained during initial training. A further award may, at the discretion of the Admiralty Board, be made for previous military service.

4. Promotion to Captain is made on attaining 8 years' seniority as a Lieutenant. Promotion to Major and above is in competition with other Long Service Commission officers of the Royal Marines.

SCOPE OF DUTIES

5. The scope of duties of Royal Marines Officers according to rank includes:—

Ashore

(*a*) Regimental duties in a Commando.

Captain	50
Major	50
Lieutenant-Colonel ..	51

7. Officers who are not due for compulsory retirement may, at Ministry of Defence discretion, be allowed to retire voluntarily or to resign as appropriate. The over-riding factor in considering such applications will be the requirements of the Service but special consideration will be given when the request is made on compassionate grounds.

PAY

8. Details of pay will be notified separately. Particulars of retired pay, terminal grants and gratuities are available on request.

9. The University Liaison Officer, Ministry of Defence, Old Admiralty Building, Whitehall, S.W.1., will be pleased to supply any further information required.

REGULATIONS FOR FIRST APPOINTMENTS IN THE ROYAL MARINES SHORT SERVICE COMMISSIONS

INTRODUCTION

1. Under this scheme of entry into the Royal Marines, appointments are, in the first instance, for 5 years on the Active List, followed by 4 years on the Reserve: but officers have the option, subject to Ministry of Defence approval, to extend their appointments to 10 years, followed by 4 years on the Reserve. Whilst on the Reserve, officers will only be liable for service in war or other national emergency. All candidates must be educationally qualified before entry but they may apply in anticipation of obtaining such qualifications.

2. The entry regulations are set out as follows:

Part 1. Methods of Selection
Part 2. General Conditions of Entry
Part 3. Educational Qualifications required
Part 4. Physical Requirements.

There are also some short notes, not forming part of the regulations, on Royal Marines training, promotion and career prospects.

PART 1

METHODS OF SELECTION

APPLICATIONS

1. The application form should be completed and returned together with birth and educational certificates to Ministry of Defence, Naval Personnel Division 1 (RMSS), Old Admiralty Building, Whitehall, London, S.W.1. Any candidate who has not received an acknowledgement of his application within 10 complete days should write at once to the above address. Applications may be made at any time but must reach the above address not later than 1st June of the year of entry.

Digitized by Google

INTERVIEW

2. All candidates attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hampshire, which is under the presidency of a Flag Officer (or a Captain R.N.) assisted by other naval and civilian members. The Board takes account of academic attainments, Headmasters' or Tutors' reports, and the result of tests of intelligence, aptitude and personality conducted during the selection procedure.

3. The procedure is divided into two parts. Part 1 starts on the evening of candidates' arrival in H.M.S. *Sultan* with certain written tests, and continues the next day with an interview. Candidates who fail to reach the necessary standard in Part 1 are informed accordingly and are able to return home or to school immediately. Written confirmation of their result will follow by post shortly afterwards.

4. Those who are successful in Part 1 proceed to the practical tests, the discussion exercise and the further interviews that make up Part 2 of the procedure. This usually takes place on the day following Part 1 but it is necessary on occasion to hold candidates over until the next but one day. Those who have to travel long distances to the selection procedure are usually asked to attend a medical examination in London on the day after Part 2.

5. Candidates are normally told by the Admiralty Interview Board within 2 or 3 days whether they have been recommended for a University Cadetship. Those who are recommended should not, however, assume that their entry to the Royal Navy is guaranteed because the final selection is made in the Ministry of Defence.

6. Candidates may make three appearances at the Board but 12 months must elapse between each interview.

MEDICAL EXAMINATION

7. The Admiralty Interview Board prepares a short list of candidates from whom the final selection will be made. All short listed candidates are called for medical examination but they should not assume that this necessarily implies success in the competition. Medical examinations are generally held in London about a week after the interview, but for candidates who have to travel long distances every effort is made to arrange the medical examination for the day following their appearance at H.M.S. *Sultan*.

8. Candidates who are below the physical and/or visual standards are informed as soon as possible so that they may appeal if they wish to the Medical Appeal Board. This consists of a representative of the Medical Director General (Naval) and the appropriate Civil Consultant to the Navy according to the nature of the disqualification(s). The nominal fee of one pound, which must accompany an appeal, is refunded if the appeal is successful. Expenses incurred in travelling, meals and accommodation for attendances at Appeals Boards are not refunded.

TRAVELLING AND OTHER EXPENSES

9. Where travelling expenses above 25p are incurred within the United Kingdom in order to attend the selection tests or medical examination, second class rail or bus fares from a candidate's school or normal place of residence in the United Kingdom will be refunded for the whole amount. Lodging and food are provided free of charge at H.M.S. *Sultan*, and a light meal is provided at the Medical Board where appropriate.

10. Candidates who have to travel long distances to reach the Interview or Medical Board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meals, bed and breakfast, for each night necessarily spent away from home. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses on accommodation and means can be refunded.

FINAL SELECTION AND ENTRY DATE

11. Final selection from short listed candidates who have passed the medical examination will be made at the Ministry of Defence (Navy Department) as soon as possible after all candidates have completed their interviews. All candidates concerned will then be told the results of the final selection and successful candidates will normally enter the Commando Training Centre, Lympstone, in September each year.

PART 2

GENERAL CONDITIONS OF ENTRY

AGE LIMITS

1. Candidates must be at least 17 years 6 months, but under 23 years on date of entry.

2. A Registrar's copy of the candidate's birth certificate must be supplied or, if one cannot be obtained, other documentary evidence (which may be a statutory declaration by a parent or guardian before a magistrate), giving exact date of his birth.

NATIONALITY

3. To be eligible candidates must:

(*a*) at all times since birth have been a British subject or a citizen of the Republic of Ireland; and
(*b*) have been born in a country or territory which is, or then was, within the Commonwealth or in the Republic of Ireland; and
(*c*) have parents, both of whom were born in such a country or territory or in the Republic of Ireland and have always been, or always were, British subjects or citizens of the Republic of Ireland.

Applicants not able to satisfy these conditions may in exceptional circumstances and with the special permission of the Secretary of State for Defence, be accepted. Such applications should be accompanied by the following documents:

(*a*) naturalisation certificate or evidence of naturalisation;
(*b*) parents' birth and marriage certificates;
(*c*) candidate's and parents' passports.

4. Candidates who are citizens of the Republic of Ireland will be required as a condition of entry to undertake to apply for British nationality (in order to be issued with a British passport). Application for British nationality will in no way affect a candidate's citizenship of the Republic of Ireland.

RESIDENTIAL QUALIFICATION

5. Candidates who are not of U.K. origin should have resided in the United Kingdom for at least 5 years immediately preceding the application. This rule may be waived in special circumstances by permission of the Secretary of State for Defence.

PROBATIONARY PERIOD

6. It must be clearly understood that the whole period of training is one of probation, and the Ministry of Defence reserve the right to terminate an appointment at any time if the officer:

(*a*) fails to reach a satisfactory standard in training or
(*b*) his conduct is unsatisfactory; or
(*c*) he does not display the qualities required of a Royal Marines officer.

UNIFORM

7. A list of clothing required on joining is sent to all successful candidates. An outfit allowance is

Digitized by Google

payable on entry and is supplemented by free issues of clothing. This allowance, together with the free issues, is sufficient to provide all the essential uniform required by the officer. If an officer is under 18 years of age the outfit allowance may, at Ministry of defence discretion, be paid to the officer's parent or guardian if a claim for this is received before payment is made to the officer.

8. It is a condition of entry that an officer whose appointment is terminated compulsorily before he has completed 2 years' service will be required to return his principal items of free issue uniform, charges being raised against the officer, or if under 18 his parents or guardian, for any specified article not returned.

9. If for any reason an officer is permitted to leave the Royal Marines voluntarily he, or if he is under 18 his parent or guardian, will be required, at the discretion of the Admiralty Board, to refund the value of the outfits and cash grants issued to him on entry on the following scale:

Grants paid and issues made less than 1 year prior to date of resignation	In full
Grants paid and issues made over 1 year but less than 2 years from date of resignation	Two-thirds
Grants paid and issues made over 2 years but less than 3 years from date of resignation	One-third
Grants paid and issues made more than 3 years from date of resignation	Nil

PAY AND GRATUITY

10. The rates of pay will be notified separately. Officers who satisfactorily complete 5 or 10 years' Active List service will be eligible for a tax-free gratuity.

11 Should an officer be invalided, he will receive a gratuity proportionate to the length of Active List service actually completed, subject to the normal provision that any such gratuity is liable to be reduced or withheld if the disability was due to causes within the officer's own control.

12. The gratuity is intended to assist an officer's resettlement in civil life and is, therefore, not payable to his estate should he die or be killed while serving on the Active List. A special gratuity is, however, normally paid to a widow, or if there are children but no widow, this gratuity may be paid in part or in whole for their benefit. Ministry of Social Security pensions are also payable to widows etc. of officers whose death is due to their service.

PART 3
EDUCATIONAL QUALIFICATIONS REQUIRED

1. The educational requirements are shown below, and all candidates must be educationally qualified before entry. Those who have gained any or all of the required qualifications before applying, should forward with their applications their education certificates, or other evidence of having passed these examinations:

(*a*) Passes in English Language, Mathematics, and three other subjects either:
  (1) At Ordinary level in the General Certificate of Education; or
  (2) At Ordinary grade in the Scottish Certificate of Education; or
  (3) In the Irish Leaving Certificate examinations, at pass level on Honours paper or above 40% on Ordinary papers.

(*b*) An Overseas School Certificate issued by the University of Cambridge Local Examination Syndicate (or the equivalent) showing credit ("O" level) passes in English, Mathematics and 3 other subjects.

(*c*) Educational qualifications which in the opinion of the Ministry of Defence are of a standard equivalent to or higher than (*a*)(1) above.

2. Grade 1 passes in the Certificate of Secondary Education will be acceptable, on a subject for subject basis, as an alternative to Ordinary level passes in the General Certificate of Education.

3. The subjects which may be offered in addition to the required passes in English Language and Mathemetics can be any of the subjects which normally have a place in school curricula and are recognised by the GCE and Scottish Certificate of Education examination boards, except as in paragraph 4 below.

4. (*a*) Where GCE or equivalent certificates are held in subjects which overlap significantly in content (e.g. Physics and Physics and Chemistry), only one of the overlapping subjects may count towards the qualifying standard.

(*b*) For the following groups of subjects, normally only one subject may count from its particular group:
  (1) Art, Music
  (2) Commercial Subjects
  (3) Technical Subjects
  (4) Additional Mathematics, Applied Mathematics, Mechanics.

(*c*) Biology may not be offered with either Botany or Zoology.

With regard to (*a*), (*b*) or (*c*) above, cases of doubt should be referred to the Ministry of Defence Naval Personnel Division 1.

5. If a candidate has passed one of the above examinations but has not yet received the actual certificate, a certified statement from the examining body (not the Headmaster) that he has been successful and has obtained passes in the required subjects will be accepted.

PART 4

(*g*) *Diseases of the Ear, Nose and Throat*

(1) *Perforations*—an unhealed perforation is a bar to entry.

A cortical mastoid operation, providing the ear is healthy, the tympanic membrane intact and there is no defect of hearing, is not a cause for rejection.

(3) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx. Simple septal deviations or nasal deformities are not cause for rejection.

(9; The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated in the inguinal canal or at the external ring it must be either removed or brought down into the scrotum. If the result of the operation is satisfactory, and the other testicle is in the scrotum and normal in character, the candidate may be accepted.

TRAINING, PROMOTION AND CAREER PROSPECTS: NOTES

TRAINING

1. On entry officers will undergo 12 months' initial training at the Commando Training Centre, Royal Marines, Lympstone, Devon, on satisfactory completion of which they will be posted to a Commando unit or other Royal Marines establishment. Opportunities exist for certain officers to specialise in various Royal Marine skills.

PROMOTION

2. Successful candidates will be entered as Second Lieutenants and will be promoted to the rank of Acting Lieutenant after 2 years and 4 months from the date of entry. Confirmation in the rank of Lieutenant will take place after a further 14 months' service. Officers may gain up to 8 months' seniority as a Lieutenant due to good results in training.

PROSPECTS

3. After 4 years' service officers will be required to state whether they wish to terminate their commissions after 5 years or to exercise the option to

Digitized by Google

extend to the maximum period of 10 years. Opportunities will generally exist for suitable officers to transfer to Long Service Commissions. Promotion to Captain on a Long Service Commission is made after attaining 8 years' seniority as Lieutenant. Promotion to higher rank is by selection.

4. Officers selected for Long Service Commission will not be eligible for Short Service gratuity. They will be eligible for retired pay and terminal grant or gratuity under the regulations in force for Long Service officers. Short Service Commission service from the age of 18 will normally be taken into account in assessing such retired pay or gratuity. Details of Long Service Commission conditions of service etc. are available on request.

WITHDRAWAL FROM TRAINING

5. Up to the date of completion of training, officers will normally be allowed to withdraw from training, subject only to the rule at Part 2 paragraph 10. Thereafter they will be required to complete their Short Service Commission, although sympathetic consideration will be given to voluntary resignation where compassionate circumstances exist.

R.M. OTHER RANKS—CANDIDATES FOR SHORT SERVICE COMMISSIONS

1. In addition to the normal form of recruitment from civil life, entry will be open to suitably qualified R.M. other ranks The pay of successful candidates will be governed by B.R. 1950, Supplement No. 1 (Manual) Article S 0207 and, on appointment as Second Lieutenants, they will retain their existing pay, plus 50p a day, so long as this is to their advantage.

APPLICATIONS

2. R.M. other ranks who consider they have a good chance of selection should apply to their Commanding Officers who, if the applicant can be recommended, should forward his name to the Ministry of Defence (Naval Personnel Division 1), together with completed Forms CW1 and CW1A. (copy to the Director of Pay and Records, Royal Marines). A report that Form CW1 has been started is to be made in Part II Orders in accordance with para. 4 of that form.

3. Recommended candidates will undergo a medical examination in accordance with B.R. 1750. They will also undergo selection tests, including interview, which will merely test the potentialities of candidates, and it is important that names should not be forwarded to the Ministry of Defence unless Commanding Officers are able to recommend applicants as showing genuine promise of making satisfactory officers.

4. Applicants serving abroad should not be recommended unless they have been given an up-to-date medical examination and satisfy the minimum medical standards for the Royal Marines Officer Service given in B.R. 1750A (Handbook of Naval Medical Standards).

5. Application forms and copies of the full entry regulations will be sent through the usual channels to recommended candidates, who should complete and return the application form without delay. This formal application requires:—

(*a*) Evidence of date of birth. A formal birth certificate need not be forwarded with the application provided that the date of birth inserted by the applicant on the formal application is endorsed "verified" by the unit officer concerned.

(*b*) Evidence of educational standard. Documents showing that the candidate has obtained one of the educational qualifications prescribed in para. 13 will be required to be forwarded to the Ministry of Defence with the formal application. They will be returned as soon as possible.

The collection of this evidence will take time, especially when candidates are serving outside the United Kingdom. Candidates should therefore be advised to save time by collecting the various documents in advance so that they are able to return their application forms quickly.

SELECTION

6. Selection tests and interview will be carried out in H.M.S. *Sultan*, Gosport, and medical examination by the Naval Medical Board, Ministry of Defence, Empress State Building, London, S.W.6. Dates when candidates are required to undergo selection procedure will be communicated by the Ministry of Defence to the authorities concerned.

7. For candidates serving abroad, as much notice as possible will be given of dates so that arrangements can be made to draft them to Royal Marines Barracks, Eastney, prior to attending the interview board. The Commanding Officer, Royal Marines Barracks, Eastney, is to inform the Ministry of Defence (Naval Personnel Division 1) and the Director of Pay and Records, Royal Marines, by signal immediately such a candidate arrives.

8. Service Certificates with enclosures are to be sent to the President of the Admiralty Interview Board at H.M.S. *Sultan*, before the board sits. If this is not possible the documents are to be taken by the candidate when he attends the board.

9. On completion of the full selection procedure, candidates will be returned to their present duties or to the Royal Marines Barracks, Eastney, if from abroad, to await results.

FURTHER ATTEMPTS

10. Candidates may make three attempts while they remain within the age limits. Twelve months must elapse between each attempt.

SHORT CAREER COMMISSIONS
HELICOPTER FLYING DUTIES—ENTRY REGULATIONS

INTRODUCTION

1. Short Career Commissions in the Royal Navy cater for the young man who wishes to serve as an officer for a limited period, or to serve initially on a short service basis while considering the possibility of continuing for a longer period if offered the opportunity to do so.

2. For the Helicopter Flying Duties (Pilot or Observer) specialisation there are two types of commission available. These are:—

Type A—A pensionable commission for 16 years or up to age 38, whichever is later, on the Active List, after which officers are placed on the Retired List.

Type B—As for Type "A" except that officers have the option to leave after 8 or 12 years' service. Where such options are exercised Active List service is followed by 4 years on the Emergency List, which involves a liability for recall in war or other national emergency. A gratuity is payable to officers who opt to leave after successful completion of the relevant periods of service.

3. The entry regulations are detailed as follows:—

Part 1. Methods of Selection
Part 2. General Conditions of Entry
Part 3. Educational Requirements
Part 4. Medical Standards.

There are also some short notes, not forming part of the regulations, on naval training and career prospects.

PART 1
METHODS OF SELECTION AND AWARD

APPLICATIONS

1. The application form should be completed and returned together with educational certificates to Ministry of Defence, Director General Naval Recruiting (Officer Entry), Old Admiralty Building, Whitehall, London, S.W.1. In addition a Registrar's copy of the candidate's birth certificate should accompany the application, or if one cannot be obtained, other documentary evidence (which may be a statutory declaration before a magistrate) giving exact date of birth. Applicants with previous service in H.M. Forces or Reserves should give full details when applying so that adjustments may be made to training and seniority, if appropriate.

APTITUDE TESTS

2. Candidates are required to pass flying aptitude tests at Royal Air Force Biggin Hill. In these tests candidates demonstrate their aptitude for flying as Pilot and Observer and their ability to absorb ground instruction. Candidates who fail these tests will not normally be eligible to make a further attempt until 2 years have elapsed. Information about the type of tests involved is given in the notes at the end of these regulations.

INTERVIEW

3. Candidates who successfully pass the flying aptitude tests attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hampshire. This board is under the presidency of a Flag Officer (or a Captain R.N.) assisted by other naval and civilian members. The Board takes account of academic attainments, Headmasters' reports where appropriate, and the results of tests of intelligence, aptitude and personality conducted at the Board itself.

4. Unsuccessful candidates may appear before the Admiralty Interview Board for a further attempt after a minimum of 12 months, but no candidate may make more than three appearances.

MEDICAL EXAMINATION

5. Candidates whose results at Biggin Hill and the Admiralty Interview Board indicate that they are likely to be within the zone from which selection will finally be made, will proceed from H.M.S. *Sultan* to the Central Air Medical Board at Seafield Park, Fareham, Hants., for medical examination.

6. Candidates who are below the physical or visual standards are informed as soon as possible so that they may appeal if they wish to the Naval Medical Board of Appeal. This consists of a representative of the Medical Director General (Naval) and the appropriate Civil Consultant to the Navy according to the nature of the disqualification(s). The nominal fee of one pound, which must accompany an appeal, is refunded if the appeal is successful. Expenses incurred in travelling, meals and accommodation for attendances at Appeals Boards are not refunded.

TRAVELLING AND OTHER EXPENSES

7. Where travelling expenses above 25p within the United Kingdom are incurred in order to attend the selection tests, 2nd class rail or bus fares from a candidate's school or normal place of residence in the United Kingdom will be refunded for the whole amount. Lodging and food are provided free of charge at H.M.S. *Sultan*, R.A.F. Biggin Hill and the Central Air Medical Board where appropriate.

8. Candidates who have to travel long distances within the United Kingdom to reach the Interview or Medical board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meals, bed and breakfast for each night necessarily spent away from home. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses on accommodation and meals can be refunded.

NOTIFICATION OF RESULT AND DATE OF ENTRY

9. Final selection is made at the Ministry of Defence and takes into account the applicant's aptitudes for Pilot or Observer, his performance at the Admiralty Interview Board and the results of his medical examination. The results of this final selection are notified to applicants as soon as possible, normally about 6 weeks prior to date of entry. Some applicants not chosen for a particular entry may be offered the possibility of being considered for a subsequent entry.

10. Successful applicants will enter as follows:—

Pilots: January, February, May, September and October

Observers: January, May and September.

PART 2
GENERAL CONDITIONS OF ENTRY

AGE LIMITS

1. Candidates must be at least 17 years but not have attained their 26th birthday by the date of entry.

NATIONALITY

2. To be eligible candidates must:—

(*a*) at all times since birth have been a British subject or a citizen of the Republic of Ireland; and
(*b*) have been born in a country or territory which is, or then was, within the Commonwealth or in the Republic of Ireland; and
(*c*) have parents, both of whom were born in such a country or territory or in the Republic of Ireland and have always been, or always were, British subjects or citizens of the Republic of Ireland.

Applicants not able to satisfy these conditions may in exceptional circumstances, and with the special permission of the Secretary of State for Defence, be accepted. Such applications should be accompanied by the following documents:—

(*a*) naturalisation certificate or evidence of naturalisation;
(*b*) parents' birth and marriage certificates;
(*c*) candidate's and parents' passports.

3. Candidates who are citizens of the Republic of Ireland will be required as a condition of entry to undertake to apply for British nationality (in order to be issued with a British passport). Application for British nationality will in no way affect a candidate's citizenship of the Republic of Ireland.

RESIDENTIAL QUALIFICATION

4. Candidates who are not of U.K. origin should have resided in the United Kingdom for at least 5 years immediately preceding the application. This rule may be waived in special circumstances by permission of the Secretary of State for Defence.

UNIFORM

5. Naval Air Cadets are provided with uniform outfits on entry free of charge. On promotion to Midshipman and Acting Sub-Lieutenant, officers are supplied with further free issues of clothing and are given cash grants to purchase additional items of uniform. Cash grants in respect of those under 18 years of age may be paid direct to a parent or guardian if application is made before the officer is promoted.

6. It is a condition of entry that an officer whose appointment is terminated compulsorily before he has completed two years' service will be required to return his principal items of uniform, charges being raised against the officer, or if under 18 his parents or guardian, for any specific article not returned.

7. Also if an officer is permitted to resign voluntarily he will be required, at the discretion of the Ministry of Defence, to refund his initial uniform cash grants and the value of his initial outfit free issue on the following scales:—

Grants paid and issues made less than one year before date of resignation	In full
Grants paid and issues made over one year but less than 2 years before date of resignation	Two-thirds
Grants paid and issues made over 2 years but less than 3 years before date of resignation	One-third
Grants paid and issues made over 3 years before date of resignation	Nil

Each grant and free issue will be considered separately for this purpose. The amount of refund will be reduced by the value of any kit deficiency certificates surrendered by the officer, or any articles of free issue clothing returned to store in a new and unmarked condition, with the exception of made-to-measure garments.

PROBATIONARY PERIOD AND WITHDRAWAL FROM THE SERVICE

8. It must be clearly understood that the whole period of training is one of probation, and the Ministry of Defence reserves the right to terminate an appointment at any time if the officer:—

(*a*) fails to reach a satisfactory standard in training; or
(*b*) his conduct is unsatisfactory; or
(*c*) he does not display the qualities required of a naval officer.

9. Up to the date of completion of aircrew training (approximately 2 years after entry) officers to whom a naval career ceases to appeal will normally be allowed to withdraw from training, subject only to the requirements of paragraph 7 above. Thereafter they will be expected to give a return of service of up to 5 years from the date of completion of aircrew training. Special consideration will, however, be given where compassionate grounds exist.

PART 3

EDUCATIONAL REQUIREMENTS

1. Candidates MUST forward with their applications evidence they they possess one of the following groups of educational qualifications:—

(*a*) Passes in English Language, Mathematics and 3 other subjects
either (i) at Ordinary level in the General Certificate of Education
or (ii) at Lower Grade in the Scottish Leaving Certificate
or (iii) at Ordinary grade in the Scottish Certificate of Education
or (iv) in the Irish Leaving Certificate (passed at Grade D or above on Ordinary or Honours papers)
or (v) at Grade 1 in the Certificate of Secondary Education.
(*b*) An Overseas School Certificate issued by the University of Cambridge Local Examination Syndicate (or the equivalent) showing credit passes in English, Mathematics and 3 other subjects.
(*c*) Educational qualifications which in the opinion of the Ministry of Defence are of equivalent or higher standard than (*a*)(i) above.

2. The subjects which may be offered in addition to the required passes in English language and Mathematics can be any of the subjects which normally have a place in school curricula and are recognised by the GCE examining boards, except as set out below.

3. (*a*) Where GCE or equivalent certificates are held in subjects which overlap significantly in content (e.g. Physics and Physics-with-Chemistry), only one of the overlapping subjects may count towards the qualifying standard.
(*b*) For the following groups of subjects, normally only one subject may count from its particular group:—
(i) Art, Music.
(ii) Commercial Subjects.
(iii) Technical Subjects.
(iv) Additional Mathematics, Applied Mathematics, Mechanics.
(*c*) Botany and Zoology may be offered as separate subjects. Biology is also an acceptable subject, provided it is not offered with either Botany or Zoology.
(*d*) Passes in a General Certificate of Education examination of a recognised examining board and which are based on a modern or experimental syllabus (such as the School Mathematics Project, Midlands Mathematical Experiment, St. Dunstan's Project, Mathematics for Education and Industry Project, Shropshire Experiment, Nuffield Project) are acceptable on a subject for subject basis. With regard to both (*a*) and (*b*) above, cases of doubt should be referred to the Ministry of Defence.

4. If a candiate has passed one of the above examinations but has not yet received the actual certificate, a certified statement from the examining body (not the Headmaster) that he has been successful and has obtained passes in the required subjects will be accepted.

5. The aircrew aptitude tests referred to in Part 1 of the regulations include written tests on Science Subjects, i.e. Physics, Electricity and Chemistry. For these questions candidates should have studied Science (primarily Physics) up to a year before Ordinary Level GCE or equivalent examination.

PART 4

MEDICAL STANDARDS

1. In general, physical defects of the body, impediment of speech, defect of sight or hearing, and pre-disposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate incapable of performing general duties in the Royal Navy, ashore and afloat, in any part of the world, throughout his period of service.

2. An International Vaccination Certificate which has been counter-signed by the Local Medical Officer of Health, must be obtained before entry, showing that the candidate has been vaccinated or re-vaccinated within the last 3 years against smallpox.

3. The following is a list of defects which may cause rejection:—

(1) Poor physique, imperfect development, or skeletal deformity, either hereditary or ac-

quired; obesity. To be judged on their present or future effect on function alability.

(2) Skin disease, unless temporary or trivial. Psoriasis, chronic eczema, or a history of such conditions must be considered cause for rejection, and borderline cases must be referred to a Service Consultant. Scars which, by their extent or position, cause or are likely to cause, disability or marked disfigurement. Diseases and deformity of the nails. Alopecia areata, if chronic.

(3) Psychiatric disorder, impaired intellect, epilepsy, stammer, gross malformation of the skull, dysarthria, dysphasia, dyslexia.

(4) Impaired hearing; discharge from or disease of, one or both ears; unhealed perforation of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

(5) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso pharynx.

(6) Disease of the throat and palate. Hypertrophy of the tonsils is not necessarily a cause for rejection. Chronically diseased gums. Gross oral sepsis. Disease or injury affecting the normal function of either mandibular joint or gross deformity of the jaws.

(7) Tuberculous glands of the throat and neck. Englargement of the thyroid gland, hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding 5 years, and the chest is clinically and radiologically clear.

(8) History of pulmonary tuberculosis of adult type of a candidate below the age of 23, unless there is clear evidence that the disease is arrested and that the candidate has completed a full course of anti-tuberculous treatment and a sufficient period of time has passed as assessed by a Consultant Chest Physician. If the candidate is over age 23 the case will be considered on merit following full clinical examination, full plate chest X-ray, consideration of all available medical reports and preferably a Naval Consultant's opinion. Chronic disease of the chest. A history of treatment with anti-tuberculous drugs where it can be proved that this was merely given on account of a Mantoux conversion (i.e. during the formation of a primary complex) and if it can be confirmed that there was subsequently a satisfactory history and chest X-ray, need be no bar to entry.

(9) Functional or organic disease of the heart and blood vessels. Congenital heart disease except that when an uncomplicated patent ductus arteriosus has been successfully ligatured or when an atrial septal defect of the secundum type with no pulmonary hypertension has been closed, the candidate may be accepted for entry subject to approval by the Medical Director General (Naval).

(10) Allergic diseases, including asthma, hayfever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine, if severe. If there is any history of asthma, clear evidence must be produced that there has been complete freedom from an attack for the preceding 5 years.

(11) Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection. Stricture of the urethra.

(12) Albuminuria; unless the first morning specimen of urine is clear, and there is no clinical evidence (e.g. cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

(13) Glycosuria unless a satisfactory report on a sugar tolerance test is produced.

(14) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated on the inguinal canal or at the external ring it must either be removed or brought down into the scrotum. If the result of the operation is satisfactory and the other testicle is in the scrotum and normal in character the candidate may be accepted.

(15) Hydrocele, or other serious defect or malformation of the genital organs. Incontinence of urine or enuresis within the last two years. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

(16) Fistula or fissure of the anus; haemorrhoids or any disease of the bowels or stomach.

(17) Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause, a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

(18) Acute rheumatic fever—candidates with an established history of rheumatic fever may be accepted if they are otherwise fit, provided:—

(i) they have been on anti-streptococcal antibiotic prophylaxis for a period of five years without recurrence, or
(ii) they have been ten years free from recurrence, no prophylaxis having been given, or
(iii) they are over the age 25 years, and have three years free of recurrence.

(19) Deformity or any chronic disease of the eyes or eyelids.

(20) Seasickness or airsickness if severe.

5. The requirements are as follows:—

Leg Length	..	39 in. minimum (Pilots only)
Weight	..	200 lbs. maximum Fractional deviations from these limits will entail rejection.

Within the maximum weight specified above, the limits of weight relative to age are, as a general rule, 15% either side of the commonly adopted standard tables.

(*Note*:—Leg length is measured with the candidate sitting, his buttocks firmly against a wall and the measurement is taken from the wall to the ball of the heel.)

TRAINING, PROMOTION AND CAREER PROSPECTS: NOTES

TRAINING

1. Successful candidates will be entered as Naval Cadets and undergo 2 terms General Naval and Air Training at the Britannia Royal Naval College, Dartmouth, lasting about 7 months. The Air Training syllabus includes periods of flying experience in light aircraft. Where during the flying a pilot shows a complete lack of ability and is considered to have no chance whatever of qualifying as a pilot he will be withdrawn from training and his appointment terminated. As an alternative to discharge, such Cadets may be considered for transfer to Observer, Air Traffic Control Officer or Seaman training if they are considered suitable and vacancies exist.

2. On satisfactory completion of General Naval and Air Training pilots will proceed to flying training courses lasting about 10 months. The Flying Badge is awarded on successful completion of these courses. This will be followed by advanced and operational flying training.

3. Observers on satisfactory completion of General Naval and Air Training will spend about 3 months in the Dartmouth Training Squadron to familiarise themselves with the capabilities and procedures of the surface units with whom they will eventually co-operate as Observers. They will then continue their basic training at the R.N. Observer School and on successful completion will be awarded their Flying Badge. This will be followed by operational flying training.

4. The whole sequence of training for both pilots and observers takes about 2 years.

PROMOTION

5. On satisfactory completion of General Naval and Air Training pilots will be promoted to Midshipman, or if they are over 21 years of age, to Acting Sub-Lieutenants, provided they are considered as suitable to hold the rank. Observers will be similarly promoted on completion of their period of service with the Dartmouth Training Squadron, i.e. about 3 months following completion of General Naval and Air Training.

6. Aircrew officers serving as Midshipmen will be promoted to Acting Sub-Lieutenant after 1 year 4 months in the rank of Midshipman, or on attaining the age of 19 years 6 months, whichever is the later, subject to having been awarded the Flying Badge and to recommendation for promotion. Those officers who reach the age of 21 before completing 1 year 4 months in the rank of Midshipman may be promoted to Acting Sub-Lieutenant at age 21, provided that they are recommended as suitable to hold this rank. Officers will be confirmed as Sub-Lieutenant after 21 months in the Acting rank subject to completion of all flying training (including operational flying training) and to recommendation.

7. Total time to be served as Sub-Lieutenant (Acting and Confirmed) before promotion to Lieutenant will be from 1 year 8 months to 3 years according to time gained on results obtained during courses.

8. Officers will be considered for promotion by selection to Lieutenant-Commander in the zone of 8–12 years' seniority as a Lieutenant.

Career Prospects

EXTENSION OF SHORT CAREER COMMISSIONS

9. Officers who have completed between 9 and 12 years' service will be eligible to apply to extend their commission to the age of 50. The number of officers accepted will depend on the requirements of the Service. For those officers selected there will be a prospect of promotion to Commander. Officers entered on Type B commissions who extend their commissions to age 50 will lose their option to terminate their service after 12 years.

TRANSFER TO FULL CAREER COMMISSIONS

10. There are good opportunities for aircrew officers to transfer to Full Career Commissions. For those who show outstanding promise during training, there are opportunities for a small number to transfer each year whilst within the zone of 2–3 years' service on Short Career Commissions; the main avenue of transfer, however, is by selection from within the 4–9 year zone of service. Officers transferred to Full Career Commissions will be promoted to Lieutenant-Commander on attaining 8 years' seniority as a Lieutenant. Thereafter promotion to the higher ranks will be in competition with other Full Career Commission officers.

FLYING APTITUDE TESTS AT R.A.F. BIGGIN HILL

11. Candidates initially attend at R.A.F. Biggin Hill where they undergo 12 aptitude tests. These tests are designed to show a candidate's ability to absorb the technical knowledge connected with flying and in addition their ability to learn skills demanded by flying modern aircraft.

12. The subject matter of the tests will be as follows:—

(*a*) *Written Tests*

(1) Non-verbal intelligence tests; patterns.
(2) Educational attainments; General Knowledge.
(3) Science—Physics and Electricity, Chemistry.
(4) Mathematics; Algebra, Trigonometry, Approximations.
(5) Mathematics; Table reading.
(6) Instruments; Part A—dial reading.
(7) Instruments; Part B—instrument comprehension.
(8) Mechanics; Mechanical reasoning (diagrams).
(9) Observation; A test of powers of observation.

Digitized by Google

For the Science test (sub-paragraph (3) above), candidates should have studied Science (primarily Physics) up to a year before Ordinary Level GCE or equivalent examination.

(*b*) "*Performance*" *Tests*

(1) Control velocity test; a test of co-ordination of eyes and hands.

(2) Aircrew film test; ability to keep track of constantly changing information.

(3) Sensory Motor Apparatus; co-ordination of eyes, hands and feet. Control of a moving light.

BREAKPOINTS

13. Officers on Type "B" commissions who wish to leave the service at their 8 or 12 year breakpoints must give 6 months' notice of their intention.

PAY, GRATUITY, ETC.

14. Details of pay, gratuities, etc. will be notified separately.

RATING CANDIDATES FOR AIRCREW DUTIES ON SHORT CAREER COMMISSIONS

1. Naval Ratings and R.M. Other Ranks who are within the prescribed age limits and have the necessary qualifications may apply for aircrew duties under the terms of the foregoing entry regulations.

2. It is the responsibility of Divisional Officers to inform likely candidates of their eligibility, and to encourage them to obtain any qualifications which they lack in good time to undergo selection procedure and start commissioned service before their 26th birthday.

3. Naval Ratings and R.M. Other Ranks appointed as Naval Air Cadets may remain on their existing rate of pay, plus 50p a day, so long as this is to their advantage.

RECOMMENDATION

4. Ratings and Other Ranks who consider they have a good chance of selection should apply to their Commanding Officers, who, if the applicant can be recommended, should forward his name to the Ministry of Defence (Naval Personnel Division I), together with completed C.W. Form 1 and C.W. Form 1a (copy to D.O.D.P.A.R. for Royal Marines and to appropriate drafting authority for Ratings).

5. The medical examination for aircrew is of very high standard, and the flying aptitude assessment and Selection Board will severely test the potentialities of those who apply. It is important that applicants' names should not be forwarded to the Ministry unless Commanding Officers are able to recommend the applicants as showing genuine promise of making satisfactory officers. Applicants serving abroad should not be recommended unless they have, as far as is practicable with local resources, been passed medically fit for flying duties.

APPLICATIONS

6. Application forms and copies of regulations will be sent through the usual channels to recommended candidates, who, in returning completed application forms should state their preference Helicopter Pilot or Helicopter Observer. As with civilian candidates, these preferences will be taken into account; however, the acceptance of a candidate, and his allocation to aircrew duties, will be at the discretion of the Ministry of Defence and subject to the number of vacancies available.

7. Application forms completed by ratings and other ranks require:

(*a*) Evidence of date of birth. A formal birth certificate need not be forwarded with the application provided the date of birth inserted by the rating or other rank on the formal application is endorsed "verified" by the ship's officer or unit officer concerned.

(*b*) Evidence of educational standard. Certificates showing that the candidate has obtained one of the educational qualifications prescribed in the entry regulations are to be forwarded to the Ministry of Defence with the application form. They will be returned as soon as possible.

(*c*) Evidence of parental consent to undergo flying training. This is required only in those cases where the applicant is under 18 years of age. It should be in the following terms, but need not appear on the actual form of application provided it is forwarded to the Ministry of Defence with the application:—

"I hereby give my consent to my son/ward undergoing flying training in the event of his being accepted for a Short Career Commission in the Royal Navy for flying duties."

The collection of this evidence and, in the case of minors, of the parental consent, will take time, especially when ratings or other ranks are serving outside the United Kingdom. Applicants should be advised to save time and help themselves by collecting the various documents in advance so as to be in a position, when application forms are issued, to complete and return the form as quickly as possible.

SELECTION PROCEDURE—DRAFTING OF CANDIDATES FOR SELECTION TESTS AND INTERVIEW

8. Candidates whose applications are accepted by the Ministry of Defence will undergo the selection procedure as described in paragraphs 2 and 3 of Part 1 of the foregoing entry regulations.

9. The dates when candidates will be required at the R.A.F. Station, Biggin Hill, and at Gosport, will be communicated by the Ministry of Defence to the authorities concerned.

10. In cases of candidates serving abroad, as much notice will be given as possible in order that arrangements may be made for them to be drafted to their depots or R.M. barracks in time to undergo selection tests. Commodores of the respective depots or Commanding Officers of R.M. barracks are requested to inform the Ministry of Defence by signal immediately such candidates arrive in order that instructions may be issued for them.

11. The special attention of all authorities is drawn to the following points:—

(*a*) Railway Warrants: Candidates going to flying aptitude tests should be issued with single railway warrants to cover their journey from the originating ship or establishment to Biggin Hill; all other warrants necessary will be issued by the Ministry of Defence. Candidates not attending flying aptitude tests, who are required to undergo the remainder of the selection procedure, must be issued with railway warrants covering their journey to Portsmouth Harbour and their return journey to their originating ship or establishment.

Digitized by Google

(*b*) Service Documents: Service certificates with enclosures are to accompany the men when they go to Gosport. Form S.264, prepared specifically for the candidate's appearance before the Interview Board, completed to the date of leaving the ship or establishment and countersigned by the Commanding Officer, should accompany each Service candidate.

12. Candidates who fail to pass flying aptitude tests or medical examination will return to their present duties, or to depot or R.M. barracks if from abroad.

13. Candidates who complete the full selection procedure will return to their present duties, or to depot or R.M. barracks if from abroad, to await results.

14. Ex-ratings and R.M. Other Ranks who fail during flying training may, if they wish, return to their former rating branch in lieu of release from the Service, but they cannot subsequently be considered again for a Short Career Aircrew commission.

FORMER COMMISSIONED SERVICE OF CANDIDATES ENTERED AS SHORT CAREER AIRCREW

Rank and seniority may be allowed for previous commissioned service as shown below.

(*a*) *Ex-R.A.F. Aircrew Officers (fully trained)*

To be allowed their rank and seniority on the Active List of the R.A.F. towards their rank and seniority on appointment to the Royal Navy as follows:—

Flight-Lieutenant entered as Lieutenant R.N. Flying Officer entered as Sub-Lieutenant, R.N. Pilot Officer entered as Acting Sub-Lieutenant, R.N.	Seniority will in general be from date of entry but antedates may be allowed.

(*b*) *Ex-R.A.F. Aircrew Officers (partly trained)*

Partly trained ex-R.A.F. Aircrew Officers, such as those who have completed basic flying training but have failed at the stage of Advanced flying training, who are accepted to train as Helicopter Specialist Pilot, to be given the rank of Midshipman or Acting Sub-Lieutenant on entry, according to age, with seniority of date of entry.

(*c*) *Ex-Short Service Aircrew Officers, R.N.*

Allowed the rank and seniority held at the time of completion of Short Service commission adjusted by time spent out of the Service.

(*d*) *Former Service in the R.N., R.N.V.R., R.N.R. other than Aircrew*

Rank and seniority held during full-time R.N., R.N.V.R. or R.N.R. service allowed where the training or experience acquired during that service is considered of value during aircrew training. R.N.R. Officers aged 21 or over who have completed P Courses will not normally be required to undergo General Naval and Air Training on entering the Royal Navy.

ROYAL NAVAL FLYING SCHOLARSHIP SCHEME

The aim of the Royal Naval Flying Scholarship scheme is to foster interest in Naval Aviation and a career in the Fleet Air Arm. Recipients of awards under this scheme, however, are under no obligation to join the Royal Navy.

This scheme provides a course of flying training on light aircraft for selected members of the combined Cadet Force (R.N. and Army Sections only), the Sea Cadet Corps and Ministry of Defence approved Sea Scout Troops. Training is given at selected Civilian Flying Clubs.

Candidates for Flying Scholarships will be assessed for pilot aptitude and personal qualities and will be medically examined. All applicants who pass these tests are then considered to be in the zone for the award of a R.N. Flying Scholarship. The final selection of candidates, and the actual award of the Flying Scholarships available annually are made by Admiral Commanding Reserves.

Full details and application forms are obtainable from:—Admiral Commanding Reserves and Director General of Naval Recruiting (R.N. Flying Scholarships), Ministry of Defence, Old War Office Building, Whitehall, London, S.W.1.

SHORT CAREER COMMISSIONS
QUALIFIED ENGINEERS (MECHANICAL OR ELECTRICAL) ENTRY REGULATIONS

INTRODUCTION

1. There are 2 types of Short Career Commissions available to Qualified Engineers (Mechanical or Electrical) who wish to join the Royal Navy. They are:—

(*a*) A 5 year commission with an option to leave on completion of 3 years' service. A gratuity is payable on successful completion of either period. In both cases the period of active service is followed by 4 years on the Emergency List.

(*b*) A pensionable commission for 16 years (or to age 38 if later) after which officers are placed on the Retired List.

2. Whilst on the Emergency List, officers would be liable for service only in war or other national emergency.

3. Engineer Officers in the Royal Navy subspecialise in Marine Propulsion (ME), Submarine (Mechanical or Electrical) (MSM or LSM), Weapon Electrical (WE) and Aeronautical (Mechanical or Electrical) Engineering (MAE or LAE).

4. Candidates for 5 year commissions will normally be eligible to sub-specialise only in ME or WE, although exceptionally a candidate may be considered for the submarine or air sub-specialisations. Candidates are to specify their choice of sub-specialisation when applying.

5. Candidates for 16 year commissions will be eligible for any of the sub-specialisations although, due to the limited requirement, the numbers accepted for mechanical aeronautical engineering may be restricted to those offering exceptional qualifications. Officers will be required to state their preference for sub-specialisation during their first few weeks of training. Candidates who wish to opt for the aeronautical sub-specialisations, however, should state this preference when applying.

6. The entry regulations are detailed as follows:—

Part 1. Methods of Selection
Part 2. General Conditions of Entry
Part 3. Educational Qualifications required
Part 4. Medical standards.

There are also some short notes, not forming part of the regulations, on naval training and career prospects.

PART 1
METHODS OF SELECTION AND AWARD

APPLICATIONS

1. The application form should be completed and returned together with educational certificates to Ministry of Defence Naval Personnel Division 1 (Graduates), Old Admiralty Building, Whitehall, London, S.W.1. In addition a Registrar's copy of the candidate's birth certificate should accompany the application, or if one cannot be obtained, other documentary evidence (which may be a statutory declaration before a magistrate) giving exact date of birth.

INTERVIEW

2. All candidates attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hampshire, under the presidency of a Flag Officer (or a Captain R.N.) assisted by other naval and civilian members. The Board takes account of academic attainments, Tutors' reports where appropriate, and the results of tests of intelligence, aptitude and personality conducted at the Board itself.

3. Unsuccessful candidates may appear before the Admiralty Interview Board for a further attempt after a minimum of 12 months.

MEDICAL EXAMINATION

4. Candidates normally attend a medical examination in London on the day following their interview at H.M.S. *Sultan*.

5. Candidates who are below the physical and/or visual standards are informed as soon as possible so that they may appeal if they wish to the Naval Medical Board of Appeal. This consists of a representative of the Medical Director General (Naval) and the appropriate Civil Consultant to the Navy according to the nature of the disqualification(s). The nominal fee of one pound, which must accompany an appeal, is refunded if the appeal is successful. Expenses incurred in travelling, meals and accommodation for attendances at Appeals Boards are not refunded.

TRAVELLING AND OTHER EXPENSES

6. Where travelling expenses above 25p within the United Kingdom are incurred in order to attend the selection tests or medical examination, 2nd class rail or bus fares from a candidate's school or normal place of residence in the United Kingdom will be refunded for the whole amount. Lodging and food are provided free of charge at H.M.S. *Sultan*, and a light meal is provided at the Medical Board where appropriate.

7. Candidates who have to travel long distances within the United Kingdom to reach the Interview or Medical Board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meals, bed and breakfast for each night necessarily spent away from home. The maximum amounts of refund are shown on the enclosed leaflet. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses on accommodation and meals can be refunded.

ENTRY DATE

8. Successful candidates will normally enter the Royal Navy in January or September. There will only be a September entry, however, for the Aeronautical (Electrical or Mechanical) Engineering specialisations.

RESERVED PLACE SCHEME

9. Some candidates under 26 years of age, although academically qualified for graduate entry on a Full Career Commission, may prefer initially to join on a Short Career Commission so that they may experience life in the Navy before deciding whether they wish to commit themselves to the longer commission. Such entrants may apply for a Full Career Commission place to be held open for them for about 2 years. Subject to satisfactory progress, successful candidates under this scheme can apply to exercise their option to transfer to a Full Career Commission after 18 months, but not later than 28 months after entry into the service.

PART 2
GENERAL CONDITIONS OF ENTRY

AGE LIMITS

1. Candidates must be at least 21 years but not have attained their 40th birthday by the date of entry.

NATIONALITY

2. To be eligible candidates must:—

(*a*) at all times since birth have been a British subject or a citizen of the Republic of Ireland; and
(*b*) have been born in a country or territory which is, or then was, within the Commonwealth or in the Republic of Ireland; and
(*c*) have parents, both of whom were born in such a country or territory or in the Republic of Ireland and have always been, or always were, British subjects or citizens of the Republic of Ireland.

Applicants not able to satisfy these conditions may in exceptional circumstances and with the special permission of the Secretary of State for Defence, be accepted. Such applications should be accompanied by the following documents:—

(*a*) naturalisation certificate or evidence of naturalisation;
(*b*) parents' birth and marriage certificates;
(*c*) candidate's and parents' passports.

3. Candidates who are citizens of the Republic of Ireland will be required as a condition of entry to undertake to apply for British nationality (in order to be issued with a British passport). Application for British nationality will in no way affect a candidate's citizenship of the Republic of Ireland.

RESIDENTIAL QUALIFICATION

4. Candidates who are not of U.K. origin should have resided in the United Kingdom for at least 5 years immediately preceding the application. This rule may be waived in special circumstances by permission of the Secretary of State for Defence.

UNIFORM

5. Officers will be required to provide themselves with a minimum of uniform, details of which will be supplied. The cost of this initial outfit will be met from public funds, a cash grant being given for the purchase of specialised items of uniform from civilian outfitters and the remainder being supplied as free issue items. Officers with previous naval service may receive modified cash grants only, depending on the length of the break in service.

6. It is a condition of entry that officers who are permitted to resign voluntarily will be required, at the discretion of the Ministry of Defence, to refund their uniform cash grants and the value of their initial outfit free issue on the following scales:—

Grants paid and issues made less than one year prior to date of resignation	In full
Grants paid and issues made over one year but less than 2 years from date of resignation	Two-thirds
Grants paid and issues made over 2 years but less than 3 years from date of resignation	One-third

Each grant and free issue will be considered separately for this purpose.

Digitized by Google

7. The amount of refund will be refunded by the value of any kit deficiency certificates surrendered by the officer, or any articles of free issue clothing returned to store in a new and unmarked condition, with the exception of made-to-measure garments.

8. Also, if for any reason an officer's appointment is terminated compulsorily before he has completed 2 years' service he will be required to return his principal items of free issue uniform, charges being raised against the officer for any specified article not returned.

PART 3

EDUCATIONAL QUALIFICATIONS REQUIRED

1. Candidates must hold a degree, or degree equivalent, in electrical or mechanical engineering (or in science with suitable engineering subjects); alternatively they may be Members of the Institution of Mechanical Engineers, Institution of Electronic and Radio Engineers or Institution of Electrical Engineers, Associate Fellows of the Royal Aeronautical Society, Graduate Members of the Royal Aeronautical Society, or they must hold educational qualifications which make them eligible for such membership.

When a candidate is over 35 years of age, it is expected that he would be at least a full Corporate Member (or equivalent) of the appropriate Institution.

Notes:—(*a*) Applications cannot be accepted from anyone who was admitted to Associate Membership of the Institutions only as a result of changes in nomenclature i.e. those without academic qualifications.

(*b*) Associate Fellows or Graduate Members of the Royal Aeronautical Society must have obtained their grade by examination or exemption in accordance with the syllabus and regulations first issued by the Society in April, 1953.

2. Candidates who hold Higher and Ordinary National Certificates are required to obtain and forward a supporting statement from the appropriate Institution that they are exempted from the examinations for Graduate or Associate Membership (as appropriate). Applications may be made in anticipation of the qualifications being obtained; the Ministry of Defence will then reach a decision on the selection of the candidate immediately he qualifies educationally.

PART 4

PHYSICAL REQUIREMENTS

1. In general, physical defects of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate incapable of performing general duties in the Royal Navy, ashore and afloat, in any part of the world, throughout his period of service.

2. An International Vaccination Certificate which has been counter-signed by the Local Medical Officer of Health, must be obtained before entry, showing that the candidate has been vaccinated or re-vaccinated within the last 3 years against smallpox.

3. The following is a list of defects which may cause rejection:—

(1) Poor physique, imperfect development, or skeletal deformity, either hereditary or acquired; obesity. To be judged on their present or future effect on functional ability.

(2) Skin disease, unless temporary or trivial. Psoriasis, chronic eczema, or a history of such conditions must be considered cause for rejection, and borderline cases must be referred to a Service Consultant. Scars which, by their extent or position, cause, or are likely to cause, disability or marked disfigurement. Diseases and deformity of the nails. Alopecia areata, if chronic.

(3) Malformation of the head. Deformity from fracture or depression of the bones of the skull. Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.

(4) Impaired hearing; discharge from or disease of, one or both ears; unhealed perforation of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

(5) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso pharynx.

(6) Disease of the throat, palate and tonsils; simple hypertropy of the tonsils, if there is no history of repeated attacks of tonsillitis, is not a cause for rejection. Diseased gums. Disease or injury affecting the normal function of either mandibular joint.

(7) Gross congenital defects of the jaws or gross defects due to accident or disease or gross oral sepsis.

(8) Tuberculous glands of the throat and neck. Englargement of the thyroid gland, hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding 5 years, and the chest is clinically and radiologically clear.

(9) A history of pulmonary tuberculosis of adult type in a candidate below the age of 23 unless there is clear evidence that the disease is arrested and that a full course of anti-tuberculous treatment has been completed. If the candidate is over age 23 the case will be considered on merit following full clinical examination, full plate chest X-ray, consideration of all available medical reports and preferably a Naval Consultant's opinion. Chronic disease of the chest. A history of treatment with anti-tuberculous drugs where it can be proved that this was merely given on account of Mantoux conversion (i.e. during the formation of primary complex) and if it can be confirmed that there was subsequently a satisfactory history and chest X-ray, need be no bar to entry.

(10) Functional or organic disease of the heart and blood vessels. Congenital heart disease except that when an uncomplicated patent ductus arteriosus has been successfully ligatured or when an atrial septal defect of the secundum type with no pulmonary hypertension has been closed, the candidate may be accepted for entry subject to approval by the Medical Director General (Naval).

(11) Allergic diseases, including asthma, hayfever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine, if severe. If there is any history of asthma, clear evidence must be produced that there has been complete freedom from an attack for the preceding 5 years.

(12) Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection. Stricture of the urethra.

Digitized by Google

(13) Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g. cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

(14) Glycosuria unless a satisfactory report on a sugar tolerance test is produced.

(15) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated on the inguinal canal or at the external ring it must either be removed or brought down into the scrotum. If the result of the operation is satisfactory and the other testicle is in the scrotum and normal in character the candidate may be accepted.

(16) Hydrocele, or other serious defect or malformation of the genital organs. Incontinence of urine or enuresis within the last 5 years. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

(17) Fistula or fissure of the anus; haemorrhoids or any disease of the bowels or stomach.

(18) Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause, a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

(19) A proven history of rheumatic fever, or chorea within the past 2 years even in the absence of any abnormal cardiac signs. Any history of repeated attacks of rheumatic fever or chorea. If there is any history of an isolated attack prior to 2 years before examination for entry, a specialist's examination is required, and if this excludes all signs of cardiac involvement, the candidate may be accepted.

(20) Deformity or any chronic disease of the eyes or eyelids.

(21) Seasickness if severe.

VISUAL STANDARDS

4. Distance and reading glasses are permitted at all times.

Distant Vision	*Near Vision*	*Colour Perception Standard*
Less than 6/60 6/60 correcting to 6/12 6/12 or 6/6 6/24	N.5 one eye N.6 other eye with glasses	Three

5. *Refractive error limits* (under mydriatic):—

Manifest Hypermetropia or Myopia Hypermetropic or Myopic Astigmatism	7.0 dioptres in either eye not to exceed 7.0 dioptres in the meridian of greater error

The fields of vision must be normal to the confrontation test. An alternating concomitant squint is permitted only if it is not abnormal cosmetically with and without glasses.

6. A candidate below age 21 will not normally be accepted if he has a myopic error in any meridian exceeding 4.0 dioptres. Some latitude, however, may be given if the error is only marginally in excess of 4.0 dioptres and there is adequate reason to suppose that the defect is no longer progressive.

TRAINING, PROMOTION AND CAREER PROSPECTS: NOTES

RANK AND SENIORITY ON ENTRY

1. The basic rank on entry will be Sub-Lieutenant. Seniority in that rank will on entry be determined in accordance with pre-entry seniority credits based on academic qualifications and practical experience. The rules are set out below. Entrants will continue to serve as Sub-Lieutenants until their seniority, including pre-entry credits, totals 18 months, when they will normally be promoted to the rank of Lieutenant. If pre-entry credits of 18 months or more have been earned, entry to the Royal Navy will be direct in the rank of Lieutenant with appropriate seniority.

2. The detailed rules for the award of pre-entry seniority credits are as follows:—

(*a*) *EITHER* a maximum of 12 months in respect of degree qualifications on the following scale:—

(1) London and other Universities (not Cambridge) and CNAA Honours Degree:—

Honours 1st Class	12 months
Honours 2nd Class (Upper) ..	10 months
Honours 2nd Class (Lower) ..	9 months
Honours 3rd Class	7 months
Pass Degree	6 months

(2) CNAA Ordinary Degree:—

Pass with Commendation ..	9 months
Pass Degree	6 months

(3) Cambridge University Mechanical Sciences Tripos:—

	Part I	*Part II*
Honours 1st Class	4 months	8 months
Honours 2nd Class (Upper) ..	3 months	7 months
Honours 2nd Class (Lower) ..	2 months	6 months
Honours 3rd Class	1 month	5 months

OR (but not additionally) a maximum of 3 months in respect of professional qualifications as follows:—

(i) Graduate or Associate Membership of the Institution of Electronic and Radio Engineers (where election as a Graduate was on November 1963 or later).

(ii) Graduate or Associate Membership of the Institution of Mechanical Engineers, Royal Aeronautical Society, or Associate Membership of the Institution of Electrical Engineers; or

(*b*) In addition to any award under (*a*) above up to 7 years for previous professional experience subsequent to graduation/professional qualification, and after the age of 21, which in the opinion of the Ministry of Defence would be beneficial to the Royal Navy.

3. Example of application of rules:—

An entrant with 10 months' credit for academic qualifications and 14 months' credit for professional experience would enter as a Lieutenant with 6 months' seniority at the date of entry.

4. For the basis of calculation Diplomas in Technology will rank as Honours Degrees.

5. Degrees from other than British seats of learning are subject to recogniton at Ministry of Defence discretion.

TRAINING

6. Successful candidates will initially undergo a 4 week New Entry Officers Divisional Course at the R.N. Barracks, Portsmouth, before proceeding to courses lasting 6 months to a year, depending on specialisation. Any officer failing to reach a satisfactory standard during training may be discharged

Digitized by Google

at Ministry of Defence discretion, or given a further period of instruction. Promotion while under training is at the discretion of the Ministry of Defence and is subject to the recommendation of Commanding Officers.

TRANSFERS TO PENSIONABLE FULL CAREER COMMISSIONS

16 YEAR PENSIONABLE COMMISSIONS

7. Sixteen year pensionable commissions (or to age 38 if later) may be granted at the outset to candidates under 34. They may also be granted after 18 months' service in complement billets to officers serving on Short Career Commissions, provided that they can complete 16 years' service for the award of retired pay, and can serve at least 10 more years on the Active List before reaching the age of 50.

EXTENSION OF SHORT CAREER COMMISSION

8. Suitable officers will have the opportunity to extend their Short Career Commission to age 50 with a prospect of promotion to Commander. Application may be made at any time after completing 18 months' service in complement posts.

FULL CAREER COMMISSION

9. Officers may also apply at any time after completing 18 months' service in complement posts for transfer to a Full Career Commission for service to normal retiring ages. Normally, an officer who entered after the age of 29 is unlikely to be considered suitable for transfer, although this does not preclude application in exceptional cases. Officers on Full Career Commissions have prospects of reaching the highest ranks.

RESERVED PLACE SCHEME

10. The details of this scheme are given in paragraph 9 of Part 1. Officers opting for a Full Career Commission under this scheme may be required to undergo additional application training; and their seniority, etc., will be re-assessed as though they originally accepted an appointment in the Engineering specialisation on a Full Career Commission under the Graduate Entry Scheme.

EXTENSION OF SERVICE

11. At any time before the last 3 months of his term of service on the Active List, an officer on a 5 year Short Career Commission may apply through the normal service channels to extend his service by 5 years. In some cases, extension by shorter periods may be permitted.

PROMOTION

12. Short Career Commission officers will be considered for promotion to Lieutenant-Commander or Commander in the following zones:—

(*a*) To Lieutenant-Commander	8–12 years' seniority as Lieutenant
(*b*) To Commander	8–14 years' seniority as a Lieutenant-Commander

13. Officers transferred to Full Career Commissions will have better promotion prospects to Commander and above. They will be promoted to Lieutenant-Commander on attaining 8 years' seniority (including seniority credits where applicable) as a Lieutenant. Promotion thereafter is by selection.

PAY, GRATUITIES, ETC.

14. Details of pay, gratuities, etc. will be notified separately.

SERVICE CANDIDATES FOR ENGINEERING DUTIES ON SHORT CAREER COMMISSIONS

RATING CANDIDATES

1. This scheme of entry is also open to ratings who hold or obtain the qualifications described above who are too old for entry under the UY scheme. The procedure for dealing with applications from ratings will be similar to that laid down in this book for rating and R.M. candidates for Helicopter Aircrew commissions.

SPECIAL DUTIES LIST OFFICERS— TRANSFERS TO SHORT CAREER COMMISSIONS

2. Special Duties List Officers of the Engineering Sub-specialisations who hold or obtain professional qualifications which qualify them for entry to the Engineering Specialisation on Short Career Commissions may apply for transfer to this list.

CONDITIONS OF SERVICE

3. Officers who transfer have the choice of either a full term commission (to age 50), or a 16-year pensionable commission, provided they are under 34 years of age at the time of transfer.

4. *Age Limit.* Applicants must be under 40 years of age on transfer.

5. *Rank on Transfer.* Seniority credits, applied on transfer, will be assessed as for direct entry Short Career officers. Commissioned service on the Special Duties List prior to transfer will count in full, up to the maximum of 7 years. Short Career officers with no credits serve for 18 months as Sub-Lieutenants. Thus, a Sub-Lieutenant with 3 years' seniority on the Special Duties List and, for example, Graduate Membership of the Institute of Electrical Engineers, which carries three months' seniority, would transfer as a Lieutenant with one year nine months' seniority.

6. *Transfer from 16-year pensionable commission to a full-term Commission, and from a Short to a Full Career Commission: Promotions to Lieutenant-Commander and Commander: Extension of Service:* will all be in accordance with existing Short Career regulations.

7. *Training.* Depending on the experience and previous training of officers transferring, some special courses may be arranged, generally of a P.C.T. nature.

8. *Applications and Selection Procedure.* Applications may be made at any time through Commanding Officers, enclosing certificates to support statements of professional qualifications. The Commanding Officer is to remark on the applicant's suitability for service on a Short Career Commission. Applicants will not normally be required to appear before an Interview Board.

9. *Pay, etc.* If an officer would suffer a reduction in pay on transfer, he will be placed on a 'mark-time' rate (i.e. his existing S.D. rate) for twelve months only. Subsequently, pay, allowances, retired pay and grant will be as for officers of equivalent rank and seniority on Short (and Full) Career Commissions.

10. *Uniform Grant.* Where a change of rank is made on transfer, the normal allowance for change of uniform will be paid.

SHORT CAREER COMMISSIONS—ENGINEERING (MECHANICAL AND ELECTRICAL) SPECIALISATION—CADET COLLEGE ENTRY—REGULATIONS

INTRODUCTION

1. A Short Career Commission in the Royal Navy caters for the young man who wishes to serve as an officer for a limited period, or who may prefer initially to join on a short service basis before deciding whether he wishes to commit himself to a Full Career Commission.

2. In the Engineering (Mechanical and Electrical) specialisation the Short Career Cadet College Entrant Scheme offers a commission to age 38 or for 16 years from the date of entry, whichever is the later. On satisfactory completion of such a period officers will be eligible for the award of a terminal grant and retired pay.

3. Engineer Officers in the Royal Navy specialise in mechanical or electrical engineering, and further sub-specialise in marine propulsion (ME), submarine (MSM or LSM), weapon electrical (WE) and aeronautical engineering (MAE or LAE). Before entry candidates will have stated their preference to study mechanical or electrical engineering and during initial training they will have the opportunity to restate this preference. As much account as possible will be taken of their preference but the final allocation will depend on Service requirements.

4. During the third year of their degree course, officers will be required to state their preference for sub-specialisation, and again, as much account as possible will be taken of their preference.

5. The entry regulations are detailed as follows:—

Part 1. Methods of Selection
Part 2. General Conditions of Entry
Part 3. Educational Standards Required
Part 4. Medical Standards.

There are also some short notes, not forming part of the regulations, on naval training and career prospects.

PART 1

METHODS OF SELECTION AND AWARD

APPLICATIONS

1. The application form should be completed and returned together with educational certificates to Ministry of Defence, Naval Personnel Division (SCC), Old Admiralty Building, Whitehall, London, S.W.1. In addition a Registrar's copy of the candidate's birth certificate should accompany the application, or if one cannot be obtained, other documentary evidence (which may be a statutory declaration before a magistrate) giving exact date of birth.

INTERVIEW

2. All candidates attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hants., under the presidency of a Flag Officer (or a Captain R.N.) assisted by other naval and civilian members. The Board takes account of academic attainments, Headmasters' or Tutors' reports where appropriate, and the results of tests of intelligence, aptitude and personality conducted at the Board itself.

3. Candidates may make a total of 3 appearances before the Admiralty Interview Board but 12 months must elapse between interviews.

MEDICAL EXAMINATION

4. Candidates who reach a satisfactory standard at the Interview are generally called to attend a medical examination in London about a week later. For candidates who have to travel long distances every effort is made to arrange the medical examination to fit in with their interview.

5. Candidates who are below the physical or visual standards are informed as soon as possible so that they may appeal if they wish to the Naval Medical Board of Appeal. This consists of a representative of the Medical Director General (Naval) and the appropriate Civil Consultant to the Navy according to the nature of the disqualification. The nominal fee of one pound, which must accompany an appeal, is refunded if the appeal is successful. Expenses incurred in travelling, meals and accommodation for attendances at Appeals Boards are not refunded.

TRAVELLING AND OTHER EXPENSES

6. Where travelling expenses above 25p are incurred within the United Kingdom in order to attend the selection tests or medical examination, 2nd Class rail or bus fares from a candidate's school or normal place of residence in the United Kingdom will be refunded for the whole amount. Lodging and food are provided free of charge at H.M.S. *Sultan*, and a light meal is provided at the Medical Board where appropriate.

7. Candidates who have to travel long distances within the United Kingdom to reach the Interview or Medical Board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meals, bed and breakfast for each night necessarily spent away from home. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses or accommodation and meals can be refunded.

NOTIFICATION OF RESULT AND ENTRY DATE

8. Candidates will be informed of the result of their interview, etc., as soon as possible—normally within 3 weeks of the interview at H.M.S. *Sultan*. Successful candidates will enter in September.

PART 2

(*c*) have parents, both of whom were born in such a country or territory or in the Republic of Ireland and have always been, or always were, British subjects or citizens of the Republic of Ireland.

Applicants not able to satisfy these conditions may in exceptional circumstances, and with the special permission of the Secretary of State for Defence, be accepted. Such applications should be accompanied by the following documents:—

4. Candidates who are not of U.K. origin should have resided in the United Kingdom for at least 5 years immediately preceding the application. This rule may be waived in special circumstances by permission of the Secretary of State for Defence.

UNIFORM

5. Cadets are provided with uniform outfits on entry free of charge. On promotion to Midshipman and Acting Sub-Lieutenants officers are supplied with further free issues of clothing and are given cash grants to purchase additional items of uniform.

6. It is a condition of entry that an officer whose appointment is terminated compulsorily before he has completed two years' service will be required to return his principal items of free issue uniform, charges being raised against the officer, or if he is under 18 his parents or guardian, for any specified article not returned.

7. Also if for any reason an officer is permitted to resign voluntarily he, or if he is under 18 his parents or guardian, will be required, at the discretion of the Ministry of Defence, to refund his initial uniform cash grants and the value of his initial outfit free issue on the following scales:—

Grants paid and issues made less than one year before date of resignation	In full
Grants paid and issues made over one year but less than 2 years before date of resignation	Two-thirds
Grants paid and issues made over 2 years but less than 3 years before date of resignation	One-third
Grants paid and issues made over 3 years before date of resignation	Nil

Each grant and free issue will be considered separately for this purpose.

8. The amount of refund will be reduced by the value of any kit deficiency certificates surrendered by the officer, or any articles of free issue clothing returned to store in a new and unmarked condition, with the exception of made-to-measure garments.

PROBATIONARY PERIOD

9. It must be clearly understood that the whole period of training is one of probation, and the Ministry of Defence reserves the right to terminate an appointment at any time if the officer:—

(*a*) fails to reach a satisfactory standard in training; or
(*b*) his conduct is unsatisfactory; or
(*c*) he does not display the qualities required of a naval officer.

10. Up to the completion of second year of degree course (approximately 3 years after entry) a Short Career Officer to whom a naval career ceases to appeal, will normally be allowed to withdraw from training, subject only to the requirements of paragraph 7 above. Thereafter, he will be expected to give a return of service of 5 years from date of completion of full engineering training.

PART 3

EDUCATIONAL STANDARDS REQUIRED

1. All candidates who are already qualified must forward with their applications evidence that they possess qualifications either as shown below, or of a standard acceptable to the Ministry of Defence as equivalent. Applications may be submitted in anticipation of achieving the required standard by the date of entry. Entrants must possess:—

Either (*a*) Five acceptable passes in the GCE including:—
English Language at Ordinary level
Chemistry at Ordinary level
Mathematics (Pure and Applied) at Advanced level
Physics (or JMB Engineering Science or Physical Science) at Advanced level

Notes:—(i) Physical Science at "A" level satisfies both the Physics and Chemistry requirement, but can count as one subject only.
(ii) If sufficient vacancies exist, consideration will be given to accepting entrants not possessing an Ordinary level pass in Chemistry, provided their Advanced level passes in Mathematics (Pure and Applied) and Physics are of a high standard.

Or (*b*) Passes in the Scottish Certificate of Education as follows:—
Higher Grade Mathematics—Grade "B" pass
Higher Grade Physics I and II
Ordinary Grade Applied Mathematics or Higher Grade Dynamics
Ordinary or Higher Grade Chemistry
Ordinary or Higher Grade English

The passes offered must contain at least three subjects in the Higher Grade, two of them being Grade "B" passes (i.e. Mathematics and one other). A candidate with passes in Mathematics and Physics in the Certificate of Sixth Year Studies examinations need not have Highers at "B" Grade on the subjects, nor a Higher Grade pass.

Note:—If sufficient vacancies exist, consideration will be given to accepting entrants not possessing a Higher Grade pass in Physics, but with a Grade "B" pass in Higher Grade Science or Higher Grade Engineering.

Or (*c*) An Ordinary National Certificate in subjects appropriate to further electrical or mechanical specialisation, showing passes at a good standard in four subjects; a pass at Ordinary level in English language in the General Certificate of Education is also required.

2. Grade 1 passes in the Certificate of Secondary Education will be accepted on a subject for subject basis, as an alternative to Ordinary level passes in the General Certificate of Education.

3. A School's Mathematic Project "A" level in Mathematics *or* Further Mathematics satisfies the requirements in Mathematics both Pure and Applied. For other project schemes, acceptance of passes in special "A" level examinations is subject to assessment of the syllabuses and papers concerned.

PART 4

MEDICAL STANDARDS

1. In general, physical defects of body, impediment of speech, defect of sight or hearing, and pre-disposition to constitutional or hereditary diseases or weakness will cause rejection, if these defects are of such a nature as to render the candidate incapable of performing general duties in the Royal Navy, ashore and afloat, in any part of the world, throughout his period of service.

2. An International Vaccination Certificate which has been counter-signed by the Local Medical Officer of Health, must be obtained before entry, showing that the candidate has been vaccinated or re-vaccinated within the last 3 years against smallpox.

3. The following is a list of defects which may cause rejection:—

(1) Poor physique, imperfect development, or skeletal deformity, either hereditary or acquired; obesity. To be judged on their present or future effect on functional ability.

Digitized by Google

(2) Skin disease, unless temporary or trivial. Psoriasis, chronic eczema, or a history of such conditions must be considered cause for rejection, and borderline cases must be referred to a Service Consultant. Scars which, by their extent or position, cause or are likely to cause, disability or marked disfigurement. Diseases and deformity of the nails. Alopecia areata, if chronic.

(3) Psychiatric disorder, impaired intellect, epilepsy, stammer, gross malformation of the skull, dysarthria, dysphasis, dyslexia.

(4) Impaired hearing; discharge from or disease of, one or both ears; unhealed perforation of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

(5) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso pharynx.

(6) Disease of the throat and palate. Hypertrophy of the tonsils is not necessarily a cause for rejection. Chronically diseased gums. Gross oral sepsis. Disease or injury affecting the normal function of either mandibular joint or gross deformity of the jaws.

(7) Tuberculous glands of the throat and neck. Enlargement of the thyroid gland, hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding 5 years, and the chest is clinically and radiologically clear.

(8) History of pulmonary tuberculosis of adult type in a candidate below the age of 23, unless there is clear evidence that the disease is arrested and that the candidate has completed a full course of anti-tuberculous treatment and a sufficient period of time has passed as assessed by a Consultant Chest Physician. If the candidate is over age 23 the case will be considered on merit following full clinical examination, full plate chest X-ray, consideration of all available medical reports and preferably a Naval Consultant's opinion. Chronic disease of the chest. A history of treatment with anti-tuberculous drugs where it can be proved that this was merely given on account of a Mantoux conversion (i.e. during the formation of a primary complex) and if it can be confirmed that there was subsequently a satisfactory history and chest X-ray need be no bar to entry.

(9) Functional or organic disease of the heart and blood vessels. Congenital heart disease except that when an uncomplicated patent ductus arteriosus has been successfully ligatured or when an atrial septal defect of the secundum type with no pulmonary hypertension has been closed, the candidate may be accepted for entry subject to approval by the Medical Director General (Naval).

(10) Allergic diseases, including asthma, hayfever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine, if severe. If there is any history of asthma, clear evidence must be produced that there has been complete freedom from an attack for the preceding 5 years.

(11) Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection. Stricture of the urethra.

(12) Albuminuria; unless the first morning specimen of urine is clear, and there is no clinical evidence (e.g. cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

(13) Glycosuria unless a satisfactory report on a sugar tolerance test is produced.

(14) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated on the inguinal canal or at the external ring it must either be removed or brought down into the scrotum. If the result of the operation is satisfactory and the other testicle is in the scrotum and normal in character the candidate may be accepted.

(15) Hydrocele, or other serious defect or malformation of the genital organs. Incontinence of urine or enuresis within the last two years. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

(16) Fistula or fissure of the anus; haemorrhoids or any disease of the bowels or stomach.

(17) Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause, a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

(18) Acute Rheumatic Fever—Candidates with an established history of rheumatic fever may be accepted if they are otherwise fit, provided:—

(i) they have been on anti-streptococcal antibiotic prophylaxis for a period of five years without recurrence, or

(ii) they have been ten years free from recurrence, no prophylaxis having been given, or

(iii) they are over the age 25 years, and have three years free of recurrence.

(19) Deformity or any chronic disease of the eyes or eyelids.

(20) Seasickness if severe.

VISUAL STANDARDS

4. Distance and reading glasses are permitted at all times.

Distant Vision	*Near Vision*	*Colour Perception Standard*
Less than 6/60 6/60 correction to 6/6 ⇆ 6/12	N.5 one eye N.6 the other eye with glasses	Three

Refractive error limits (under a mydriatic):

Total Hypermetropia	5·0 dioptres in either eye
Astigmatism	The difference between axes must not exceed 5·0 dioptres
Myopia	4·0 dioptres in either eye.

The fields of vision must be normal to the confrontation test. A concomitant squint is permitted only if it is not abnormal cosmetically with and without glasses. If binocular vision is present, Heterophoria (Maddox Rod at 6 metres) must not exceed:—

CAREER PROSPECTS, TRAINING AND PROMOTION: NOTES

CAREER PROSPECTS

1. All officers on Short Career Commissions will have the opportunity to apply for them to be extended for service to the age of 50. The number of such commissions is limited, but those officers selected will have a prospect of promotion to the rank of Commander.

2. There will be good opportunities for officers to transfer to Full Career Commissions; for Engineering specialists applications for such transfers may be made at any time after 18 months' service in complement posts. Officers transferred to Full Career Commissions will be promoted to Lieutenant-Commander on attaining 8 years' seniority as a Lieutenant. They will also enjoy promotion prospects to the rank of Commander and above. Promotion to these ranks will be in competition with other Full Career Commission officers.

TRAINING

3. Engineer Cadets will be given three terms of General Naval Training lasting about 12 months. Two of the terms will be spent at the Britannia Royal Naval College, Dartmouth, and one term at sea. They will then proceed to the Royal Naval Engineering College, Manadon, for three years to read for an Engineering Degree.

4. On successful completion of the Degree Course the fifth and final year of training will be devoted to application training, i.e. to acquiring knowledge of naval equipments. This will take place at the Royal Naval Engineering College, Manadon, and other naval training establishments depending upon subspecialisation.

5. The results achieved during training will count towards eventual seniority as a Lieutenant. A maximum antedate of 1 year 4 months can be gained.

PROMOTION

6. Officers will normally be promoted in accordance with the following arrangements:—

(*a*) To Midshipman or Acting Sub-Lieutenant—on successful completion of 12 months' training Cadets will be promoted to Midshipman or to Acting Sub-Lieutenant if they have attained the age of 21.

(*b*) To Acting Sub-Lieutenant—on completing 16 months as Midshipman or on attaining the age of 19 years 6 months, whichever is the later. Officers who reach the age of 21 before completing 16 months in the rank of Midshipman may be promoted to Acting Sub-Lieutenant at age 21, provided they are recommended.

(*c*) To Sub-Lieutenant

(i) Officers promoted to Acting Sub-Lieutenant at the end of their Cadet year will be confirmed in rank on passing Part II examinations after 2 years on the Degree course.

(ii) Other officers will be confirmed after 24 months as Acting Sub-Lieutenant or on finally completing application training if that is earlier.

(*d*) To Lieutenant

After successful completion of 3 years 4 months' service in the rank of Sub-Lieutenant (Acting or Confirmed).
At this point, antedates of seniority achieved during training will be applied.

7. Short Career officers will be considered for further promotion in the following zones:—

(*a*) To Lieutenant-Commander
8 to 12 years' seniority as Lieutenant.

(*b*) To Commander
8 to 14 years' seniority as Lieutenant-Commander.

PAY, ETC.

8. Details of pay, etc., will be notified separately.

RATING AND OTHER SERVICE CANDIDATES

1. Entry to the Engineering Specialisation on Short Career Commissions under the foregoing conditions is open to suitably qualified Naval Ratings and R.M. Other Ranks; and to Helicopter aircrew with the required qualifications who fail during flying training.

2. Selection procedure for Service candidates will be the same as for civilian candidates. The procedure for dealing with applications from Naval Ratings and R.M. Other Ranks will be similar to that laid down in this book for rating and R.M. candidates for Short Career aircrew commissions.

3. A candidate serving abroad should not be recommended unless he has, as far as is practicable with local resources, been passed medically fit for duty as an Engineer Officer.

4. On appointment to a commission, Naval Ratings and R.M. Other Ranks will remain on their existing rates of pay, plus 50p a day, so long as this is to their advantage. Those who fail during training may, if they wish, return to their former rating branch in lieu of release from the Service, but they cannot subsequently be considered again for a commission in the Engineering Specialisation Short Career.

SHORT CAREER COMMISSIONS
SEAMAN SPECIALISATION—ENTRY REGULATIONS

INTRODUCTION

1. A Short Career Commission in the Royal Navy caters for the young man who wishes to serve as an officer for a limited period, or who may prefer initially to join on a short service basis before deciding whether he wishes to commit himself to a Full Career Commission should he be offered one.

2. In the Seaman specialisation the Short Career Cadet College Entrant Scheme offers a 10 year Commission with an option to leave on completion of 5 years' service. A gratuity is payable on successful completion of either period. In both cases the period of active service is followed by 4 years on the Emergency List. Whilst on the Emergency List, officers would be liable for service only in war or other national emergency.

3. The entry regulations are detailed as follows:—
Part 1. Methods of Selection
Part 2. General Conditions of Entry
Part 3. Educational Standards Required
Part 4. Medical Standards.
There are also some short notes, not forming part of the regulations, on naval training and career prospects.

PART 1
METHODS OF SELECTION AND AWARD

APPLICATIONS

1. The application form should be completed and returned together with educational certificates to Ministry of Defence, Director General of Naval Recruiting (Officer Entry), Old Admiralty Building,

Digitized by Google

Whitehall, London, S.W.1. In addition a Registrar's copy of the candidate's birth certificate should accompany the application, or if one cannot be obtained, other documentary evidence (which may be a statutory declaration before a magistrate) giving exact date of birth.

INTERVIEW

2. All candidates attend the Admiralty Interview Board in H.M.S. *Sultan*, Gosport, Hants., under the presidency of a Flag Officer (or a Captain R.N.) assisted by other naval and civilian members. The Board takes account of academic attainments, Headmasters' or Tutors' reports where appropriate, and the results of tests of intelligence, aptitude and personality conducted at the Board itself.

3. Candidates may make a total of 3 appearances before the Admiralty Interview Board but 12 months must elapse between interviews.

MEDICAL EXAMINATION

4. Candidates who reach a satisfactory standard at the interview are generally called to attend a medical examination in London about a week later. They should not assume that this implies success in the competition. For candidates who have to travel long distances every effort is made to arrange the medical examination to fit in with their interview.

5. Candidates who are below the physical and/or visual standards are informed as soon as possible so that they may appeal if they wish to the Naval Medical Board of Appeal. This consists of a representative of the Medical Director General (Naval) and the appropriate Civil Consultant to the Navy according to the nature of the disqualification(s). The nominal fee of one pound, which must accompany an appeal, is refunded if the appeal is successful. Expenses incurred in travelling, meals and accommodation for attendance at Appeals Boards are not refunded.

TRAVELLING AND OTHER EXPENSES

6. Where travelling expenses above 25p within the United Kingdom are incurred in order to attend the selection tests or medical examination, 2nd Class rail or bus fares from a candidate's school or normal place of residence in the United Kingdom will be refunded for the whole amount. Lodging and food are provided free of charge at H.M.S. *Sultan*, and a light meal is provided at the Medical Board where appropriate.

7. Candidates who have to travel long distances within the United Kingdom to reach the Interview or Medical Board and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meals, bed and breakfast for each night necessarily spent away from home. Claims must be supported by a receipted bill or voucher for each night's accommodation. No other expenses on accommodation and meals can be refunded.

NOTIFICATION OF RESULT AND ENTRY DATE

8. Candidates will be informed of the result of their interview etc. as soon as possible—normally within 3 weeks of the interview at H.M.S. *Sultan*. Successful candidates will enter in January, May or September.

PART 2

GENERAL CONDITIONS OF ENTRY

AGE LIMITS

1. Candidates must be at least 17 but not 23 years of age upon entry.

NATIONALITY

2. To be eligible candidates must:—

(*a*) at all times since birth have been a British subject or a citizen of the Republic of Ireland; and

(*b*) have been born in a country or territory which is, or then was, within the Commonwealth or in the Republic of Ireland; and

(*c*) have parents, both of whom were born in such a country or territory or in the Republic of Ireland and have always been, or always were, British subjects or citizens of the Republic of Ireland.

Applicants not able to satisfy these conditions may in exceptional circumstances and with the special permission of the Secretary of State for Defence, be accepted. Such applications should be accompanied by the following documents:—

(*a*) naturalisation certificate or evidence of naturalisation;

(*b*) parents' birth and marriage certificates;

(*c*) candidate's and parents' passports.

3. Candidates who are citizens of the Republic of Ireland will be required as a condition of entry to undertake to apply for British nationality (in order to be issued with a British passport). Application for British nationality will in no way affect a candidate's citizenship of the Republic of Ireland.

RESIDENTIAL QUALIFICATION

4. Candidates who are not of U.K. origin should have resided in the United Kingdom for at least 5 years immediately preceding the application. This rule may be waived in special circumstances by permission of the Secretary of State for Defence.

UNIFORM

5. Cadets are provided with uniform outfits on entry free of charge. On promotion to Midshipman and Acting Sub-Lieutenants, officers are supplied with further free issues of clothing and are given cash grants to purchase additional items of uniform.

6. It is a condition of entry that an officer whose appointment is terminated compulsorily before he has completed two years' service will be required to return his principal items of free issue uniform, charges being raised against the officer, or if he is under 18 his parents or guardian, for any specified article not returned.

7. Also if for any reason an officer is permitted to resign voluntarily he, or if he is under 18 his parents or guardian, will be required, at the discretion of the Ministry of Defence, to refund his initial uniform cash grants and the value of his initial outfit free issue on the following scales:—

Grants paid and issues made less than one year prior to date of resignation	In full
Grants paid and issues made over one year but less than 2 years before date of resignation ..	Two-thirds
Grants paid and issues made over 2 years but less than 3 years before date of resignation	One-third
Grants paid and issues made over 3 years before date of resignation	Nil

Each grant and free issue will be considered separately for this purpose.

8. The amount of refund will be reduced by the value of any kit deficiency certificates surrendered by the officer, or any articles of free issue clothing returned to store in a new and unmarked condition, with the exception of made-to-measure garments.

PROBATIONARY PERIOD

9. It must be clearly understood that the whole

Digitized by Google

period of training is one of probation, and the Ministry of Defence reserves the right to terminate an appointment at any time if the officer:—

(*a*) fails to reach a satisfactory standard in training; or

(*b*) his conduct is unsatisfactory; or

(*c*) he does not display the qualities required of a naval officer.

10. Up to the date of promotion to Acting Sub-Lieutenant (approximately 2 years after entry) a Short Service officer to whom a naval career ceases to appeal will normally be allowed to withdraw from training, subject only to the requirements of paragraph 7 above. Thereafter he will be expected to give a return of service of 2½ years from date of promotion to Acting Sub-Lieutenant.

PART 3

EDUCATIONAL REQUIREMENTS

1. All candidates MUST forward with their applications evidence that they possess one of the following groups of educational qualifications:—

(*a*) Passes in English Language, Mathematics and 3 other subjects either

(i) at Ordinary level in General Certificate of Education; or
(ii) at Lower Grade in the Scottish Leaving Certificate; or
(iii) at Ordinary Grade in the Scottish Certificate of Education; or
(iv) in the Irish Leaving Certificate (passed at Grade D or above on Ordinary or Honours papers); or
(v) at Grade 1 in the Certificate of Secondary Education.

(*b*) An Overseas School certificate issued by the University of Cambridge Local Examination Syndicate (or the equivalent) showing credit passes in English, Mathematics and 3 other subjects.

(*c*) Educational qualifications which in the opinion of the Ministry of Defence are of equivalent or higher standard than (*a*) (i) above.

2. The subjects which may be offered in addition to the required passes in English Language and Mathematics can be any of the subjects which normally have a place in school curricula and are recognised by the GCE examining boards, except as set out below.

3. (*a*) Where GCE or equivalent certificates are held in subjects which overlap significantly in content (e.g. Physics and Physics-with-Chemistry), only one of the overlapping subjects may count towards the qualifying standard.

(*b*) For the following groups of subjects, normally only one subject may count from its particular group:—

(i) Art, Music
(ii) Commercial Subjects
(iii) Technical Subjects
(iv) Additional Mathematics, Applied Mathematics, Mechanics.

(*c*) Botany and Zoology may be offered as separate subjects. Biology is also an acceptable subject, provided it is not offered with either Botany or Zoology.

(*d*) Passes in a General Certificate of Education examination of a recognised examining board and which are based on a modern or experimental syllabus (such as the School Mathematics Project, Midlands Mathematical Experiment, St. Dunstan's Project, Mathematics for Education and Industry Project, Shropshire Experiment, Nuffield Project) are acceptable on a subject for subject basis. With regard to both (*a*) and (*b*) above, cases of doubt should be referred to the Ministry of Defence.

4. If a candidate has passed one of the above examinations but has not yet received the actual certificate, a certified statement from the examining body (not the Headmaster) that he has been successful and has obtained passes in the required subjects will be accepted.

PART 4

MEDICAL STANDARDS

1. In general, physical defects of body, impediment of speech, defect of sight, or hearing, and pre-disposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate incapable of performing general duties in the Royal Navy, ashore and afloat, in any part of the world, throughout his period of service.

2. An International Vaccination Certificate which has been counter-signed by the Local Medical Officer of Health, must be obtained before entry, showing that the candidate has been vaccinated or re-vaccinated within the last 3 years against smallpox.

3. The following is a list of defects which may cause rejection:

(1) Poor physique, imperfect development, or skeletal deformity, either hereditary or acquired; obesity. To be judged on their present or future effect on functional ability.

(2) Skin disease, unless temporary or trivial. Psoriasis, chronic eczema, or a history of such conditions must be considered cause for rejection, and borderline cases must be referred to a Service Consultant. Scars which, by their extent or position, cause or are likely to cause, disability or marked disfigurement. Diseases and deformity of the nails. Alopecia areata, if chronic.

(3) Psychiatric disorder, impaired intellect, epilepsy, stammer, gross malformation of the skull, dysarthria, dysphasia, dyslexia.

(4) Impaired hearing; discharge from or disease of, one or both ears; unhealed perforation of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

(5) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso pharynx.

(6) Disease of the throat and palate. Hypertrophy of the tonsils is not necessarily a cause for rejection. Chronically diseased gums. Gross oral sepsis. Disease or injury affecting the normal function of either mandibular joint or gross deformity of the jaws.

(7) Tuberculous glands of the throat and neck. Enlargement of the thyroid gland, hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding 5 years, and the chest is clinically and radiologically clear.

(8) History of pulmonary tuberculosis of adult type in a candidate below the age of 23, unless there is clear evidence that the disease is

Digitized by Google

arrested and that the candidate has completed a full course of anti-tuberculous treatment and a sufficient period of time has passed as assessed by a Consultant Chest Physician. If the candidate is over age 23 the case will be considered on merit following full clinical examination, full plate chest X-ray, consideration of all available medical reports and preferably a Naval Consultant's opinion. Chronic disease of the chest. A history of treatment with anti-tuberculous drugs where it can be proved that this was merely given on account of a Mantoux conversion (i.e. during the formation of a primary complex) and if it can be confirmed that there was subsequently a satisfactory history and chest X-ray, need be no bar to entry.

(9) Functional or organic disease of the heart and blood vessels. Congenital heart disease except that when an uncomplicated patent ductus arteriosus has been successfully ligatured or when an atrial septal defect of the secundum type with no pulmonary hypertension has been closed, the candidate may be accepted for entry subject to approval by the Medical Director General (Naval).

(10) Allergic diseases, including asthma, hay-fever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine, if severe. If there is any history of asthma, clear evidence must be produced that there has been complete freedom from an attack for the preceding 5 years.

(11) Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection. Stricture of the urethra.

(12) Albuminuria; unless the first morning specimen of urine is clear, and there is no clinical evidence (e.g. cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

(13) Glycosuria unless a satisfactory report on a sugar tolerance test is produced.

(14) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated on the inguinal canal or at the external ring it must either be removed or brought down into the scrotum. If the result of the operation is satisfactory and the other testicle is in the scrotum and normal in character the candidate may be accepted.

(15) Hydrocele, or other serious defect or malformation of the genital organs. Incontinence of urine or enuresis within the last 2 years. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

(16) Fistula or fissure of the anus; haemorrhoids or any disease of the bowels or stomach.

(17) Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause, a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

(18) Acute Rheumatic Fever—Candidates with an established history of rheumatic fever may be accepted if they are otherwise fit, provided:—

(i) they have been on anti-streptococcal prophylaxis for a period of five years without recurrence, or
(ii) they have been ten years free from recurrence, no prophylaxis having been given.

(19) Deformity or any chronic disease of the eyes or eyelids.

(20) Seasickness if severe.

CAREER PROSPECTS, TRAINING AND PROMOTION: NOTES

CAREER PROSPECTS

1. There will be good opportunities for officers to transfer to Full Career Commissions; for Seaman specialists these transfers are mainly effected in the 4–8 year zone of service, but officers showing outstanding promise during training will have the opportunity to transfer within the 2–3 year zone of service. Officers transferred to Full Career Commissions will be promoted to Lieutenant-Commander on attaining 8 years' seniority as a Lieutenant. They will also enjoy better promotion prospects to the rank of Commander and above. Promotion to these ranks will be in competition with other Full Career Commission Officers.

2. All officers on Short Career Commissions will have the opportunity to apply for them to be extended for service to the age of 50. The number of such commissions is limited, but those officers selected will have prospects of promotion to the rank of Commander.

TRAINING

3. Successful candidates will be entered as Cadets and will undergo 12 months' initial training at Dartmouth and at sea. On successful completion of this they will be appointed Midshipman for 12 months' further sea training. Marks obtained during these periods will count towards eventual seniority as a Lieutenant. Up to 8 months' seniority may be gained in this way.

Digitized by Google

4. Applicants with previous commissioned service should indicate it when applying so that adjustments may be made to training and seniority, if appropriate. R.N.R. officers will, in general, start at Dartmouth on equal terms with candidates who have had no previous commissioned service. However, if they are over 21, are on List 1 and have completed P or I Courses, they may on the advice of the Admiral Commanding Reserves, be excused training at Dartmouth. They will then under a special course of training lasting about 25 weeks, or even be allowed to join the Fleet with no further training. While under training these officers will be Acting Sub-Lieutenants, and Sub-Lieutenants on joining the Fleet.

5. In the main, Seaman Officers will be employed on general seaman duties in all classes of ships and some will have the opportunity to sub-specialise in Submarines, Aircraft Direction, Mine Countermeasures and Clearance Diving, Hydrography, Gunnery, or Torpedo and Anti-Submarine Duties.

PROMOTION

6. Officers will normally be promoted in accordance with the following arrangements:—

(*a*) To Midshipman—on successful completion of 12 months' basic training as a cadet.

(*b*) To Acting Sub-Lieutenant—on completing 12 months as a Midshipman.

(*c*) To Sub-Lieutenant—on completing 12 months as an Acting Sub-Lieutenant.

(*d*) To Lieutenant—taking into account seniority gains during training, on satisfactory completion of between 23 and 32 months' service in the rank of Sub-Lieutenant (Acting or Confirmed) or Midshipman after the age of 21; promotion is subject to Commanding Officer's recommendation.

5 YEAR BREAKPOINT

7. Officers who wish to leave the service at their 5 year breakpoint must give 6 months' notice of their intention.

PAY, GRATUITY, ETC.

8. Details of pay, gratuity, etc., will be notified separately.

RATING AND OTHER SERVICE CANDIDATES FOR SEAMAN DUTIES ON SHORT CAREER COMMISSIONS

Entry to the Seaman Specialisation under the foregoing conditions is open to suitably qualified Naval Ratings and R.M. Other Ranks; Upper Yardmen who fail to reach the academic standard required for Full Career Commissions, or for Short Career Engineering Commissions or Helicopter Aircrew with the required qualifications who fail during flying training.

2. Aircrew officers who fail during flying training and are selected for Seaman duties will return to Dartmouth for a term in the Dartmouth Training Squadron.

3. Naval Ratings and R.M. Other Ranks selected as Seaman Officers will enter Dartmouth as Cadets for General Naval Training. They may remain on their existing rates of pay, plus 50p a day, so long as this is to their advantage.

4. Selection procedure for Service candidates other than Upper Yardmen will be the same as for civilian candidates. The procedure for dealing with applications from Naval Ratings and R.M. Other Ranks will be similar to that laid down in this book for rating and R.M. candidates for Short Career Aircrew Commissions.

5. Candidates serving abroad should not be recommended unless they have, as far as is practicable with local resources, been passed medically fit for seaman duties.

6. Ex-Ratings and R.M. Other Ranks who fail during Seaman Officer training may, if they wish, return to their former rating branch in lieu of release from the Service.

(*b*) have been born in a country or territory which is, or then was, within the Commonwealth, or in the Republic of Ireland; and

(*c*) have parents, both of whom were born in such a country or territory or in the Republic of Ireland and have always been or always were, British subjects or citizens of the Republic of Ireland.

8. Applicants not able to satisfy these conditions may, in exceptional circumstances and with the special permission of the Secretary of State for Defence, be accepted. Such applicants are advised to forward their applications at least four months before the proposed date of entry. Their applications should, if possible be accompanied by the following documents:

(*c*) Candidate's and parents' passports.

9. Candidates who are citizens of the Republic of Ireland will be required, as a condition of entry, to undertake to apply for British nationality (in order to be issued with a British passport). Application for British nationality will in no way affect candidates' citizenship of the Republic of Ireland.

Residential Qualification

10. Candidates who are not of United Kingdom origin should have resided in the United Kingdom for a minimum of five years immediately preceding the application. This rule may be waived in special circumstances by permission of the Secretary of State for Defence.

Conditions of Service

13. Chaplains will, on entry, be granted Short Service commissions of 4 years. Chaplains leaving the Service on the expiration of the Short Service commission will be placed on the Emergency List and will be liable for service in war or emergency during the subsequent 4 years. Antedates of Seniority

15. Chaplains will be allowed up to four years' antedate of seniority, for basic pay purposes only, for experience as an ordained clergyman after their 25th birthday and before entry into the Royal Navy. This will not affect relative seniority within the Chaplains' Branch, which will be reckoned according to the actual date of entry. The actual date of entry will also be used in determining allowances.

16. During the Short Service Commission period a Chaplain having proved himself to be in every way suitable for permanent duty in the Navy may, at the beginning of his fourth year, be offered the opportunity to apply for a pensionable commission of sixteen years. If he is given this option and wishes to continue, an application must be promptly submitted through normal Service channels. A report on Form S.206 and a certificate of medical fitness should be forwarded with the application, together with the Commanding Officer's recommendation. If granted,

A chaplain who is not given the option to continue will be so informed and he will withdraw at the end of the four year Short Service Commission with a gratuity.

17. Between the end of the 12th and 16th years of service, a Chaplain may be selected for retention, either

(*a*) for a permanent commission up to the date that he reaches the age of 55; or

Chaplains who held permanent commissions on 31st July 1962

18. Chaplains who held permanent commissions on the 31st July 1962 have the option of:

(*a*) continuing to serve until the age of 55; or

TRAVELLING EXPENSES

21. Second-class rail or bus fares incurred in travelling to interview and medical examination from the candidate's usual place of residence in the United Kingdom will be paid by the Ministry of Defence if they exceed the sum of 25p. Candidates who have to travel long distances to reach the Ministry of Defence for interview and are obliged to pay for accommodation (or for a sleeping berth on a train or ship) may be refunded reasonable expenses on evening meal, bed and breakfast up to a maximum of £3·20 for each night necessarily spent away from home. This amount may be increased to £3·50 when the interview or examination is held within four miles of Charing Cross. A claim for this refund must be supported by a receipted bill or voucher for each night's accommodation. Apart from this, expenses on accommodation and meals cannot be refunded.

MISCELLANEOUS

22. All Chaplains must be prepared to serve in any part of the world.

23. Chaplains on board ship are victualled under the usual conditions for Naval Officers. They are required to pay the usual mess subscriptions.

24. Chaplains are required to be in possession of Naval uniform, the initial cost of which is met by a cash allowance and a free issue of certain items of clothing. Uniform or clerical clothes will be worn as laid down in the Uniform Regulations. In the event of voluntary resignation within three years of entry, refund of the allowance and the cash value of the free-issue clothing may be required in whole or in part.

PART 3

MEDICAL STANDARDS

1. In general, physical defects of body, impediment of speech, defect of sight or hearing, and pre-disposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate incapable of performing general duties in the Royal Navy, ashore and afloat, in any part of the world, throughout his period of service.

2. An International Vaccination Certificate which has been counter-signed by the Local Medical Officer of Health, may be obtained before entry, showing that the candidate has been vaccinated or re-vaccinated within the last 3 years against smallpox.

3. The following is a list of defects which may cause rejection.

(1) Poor physique, imperfect development, or skeletal deformity, either hereditary or acquired; obesity. To be judged on their present or future effect on functional ability.

(2) Skin disease, unless temporary or trivial. Psoriasis, chronic eczema, or a history of such conditions must be considered cause for rejection, and borderline cases must be referred to a Service Consultant. Scars which, by their extent or position, cause or are likely to cause, disability or marked disfigurement. Diseases and deformity of the nails. Alopecia areata, if chronic.

(3) Psychiatric disorder, impaired intellect, epilepsy, stammer, gross malformation of the skull, dysarthria, dysphasia, dyslexia.

(4) Impaired hearing; discharge from or disease of one or both ears; unhealed perforation of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

(5) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso pharynx.

(6) Disease of the throat and palate. Hypertrophy of the tonsils is not necessarily a cause for rejection. Chronically diseased gums. Gross oral sepsis. Disease or injury affecting the normal function of either mandibular joint or gross deformity of the jaws.

(7) Tuberculous glands of the throat and neck. Enlargement of the thyroid gland, hyperthyroidism. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding 5 years, and the chest is clinically and radiologically clear.

(8) History of pulmonary tuberculosis of adult type in a candidate below the age of 23, unless there is clear evidence that the disease is arrested and that the candidate has completed a full course of anti-tuberculous

Digitized by Google

treatment and a sufficient period of time has passed as assessed by a Consultant Chest Physician. If the candidate is over age 23 the case will be considered on merit following full clinical examination, full plate chest X-ray, consideration of all available medical reports and preferably a Naval Consultant's opinion. Chronic disease of the chest. A history of treatment with anti-tuberculous drugs where it can be proved that this was merely given on account of a Mantoux conversion (i.e. during the formation of a primary complex) and if it can be confirmed that there was subsequently a satisfactory history and chest X-ray, need be no bar to entry.

(9) Functional or organic disease of the heart and blood vessels. Congenital heart disease except that when an uncomplicated patent ductus artoriosus has been successfully ligatured or when an atrial septal defect of the secondum type with no pulmonary hypertension has been closed, the candidate may be accepted for entry subject to approval by the Medical Director General (Naval).

(10) Allergic diseases, including asthma, hay-fever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty. Migraine, if severe. If there is any history of asthma, clear evidence must be produced that there has been complete freedom from an attack for the preceding 5 years.

(11) Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection. Stricture of the urethra.

(12) Albuminuria; unless the first morning specimen of urine is clear, and there is no clinical evidence (e.g. cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

(13) Glycosuria unless a satisfactory report on a sugar tolerance test is produced.

(14) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If the testicle is situated on the inguinal canal or at the external ring it must either be removed or brought down into the scrotum. If the result of the operation is satisfactory and the other testicle is in the scrotum and normal in character the candidate may be accepted.

(15) Hydrocele, or other serious defect or malformation of the genital organs. Incontinence of urine or enuresis within the last 2 years. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

(16) Fistula or fissure of the anus; haemorrhoids or any disease of the bowels or stomach.

(17) Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause, a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

(18) Acute rheumatic fever—candidates with an established history of rheumatic fever may be accepted if they are otherwise fit, provided:—

(i) they have been on anti-streptococcal antibiotic prophylaxis for a period of 5 years without recurrence, or

(ii) they have been 10 years free from recurrence, no prophylaxis having been given, or

(iii) they are over the age of 25 years, and have 3 years free of recurrence.

(19) Deformity or any chronic disease of the eye or eyelid.

(20) Seasickness if severe.

Manifest hypermetropia or myopia not to exceed 7·0 dioptres. Hypermetropic or myoptic astigmatism not to exceed 7·0 dioptres the meridian of greatest error.

Fields of vision must be normal to the confrontation tests. A concomitant squint is permissible only if it is not abnormal cosmetically with and without glasses. If binocular vision is present heterophoria must not exceed:—

Eso- and Exo-phoria ..	6 prism dioptres
Hyperphoria	1 prism dioptre.

DENTAL STANDARDS

5. The candidate should have no marked oral deformity and the teeth must be in a healthy condition and adequate for the efficient mastication of food. Any defects must be remedied prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not disqualify a candidate who is fit and suitable in every other respect.

1. The basic rank on entry will be Instructor Sub-Lieutenant. Seniority in that rank will be determined in accordance with pre-entry seniority credits based on academic qualifications and practical experience. The rules are set out below. If pre-entry credits of 12 months or more have been earned, entry to the Royal Navy will be direct in the rank of Instructor Lieutenant with appropriate seniority.

MEDICAL STANDARDS

1. The following is a list of defects which may cause rejection:—

(*a*) *Poor Physique* imperfect development or skeletal deformity either hereditary or acquired.

(1) asymmetry of torso or limbs, limitation of movement of joints, the presence of muscular wasting.

(2) abnormal spinal conditions, abnormal locomotion, amputations.

(3) Hallux Valgus, Hallux Rigidus, Hammer toes, Pes Cavus, Flat Feet.

(4) malformation of the head. Deformity from fracture or depression of the bones of the skull.

(*b*) *Obesity* Providing that the candidate's cardiovascular and respiratory systems are within normal limits, that the exercise tolerance is normal, and that there is no undue dyspnoea on exertion, the candidate's actual weight may be ignored.

(*c*) *Skin Disease* unless temporary or trivial. Psoriasis, chronic eczema, dermatitis, alopecia areata or a history of such conditions must be considered cause for rejection.

(*d*) *Psychiatric Disorders* or a history thereof, including anxiety states, depression, impaired intellect, emotional instability, stammer.

(*e*) *Disorders of the Central Nervous System* Organic disease of the CNS; Epilepsy; Migraine if recurrent and of sufficient severity to require medical treatment or absence from work is normally a bar to entry.

(*f*) *Deformity or any chronic disease of eyes or eyelids*

(*g*) *Diseases of the Ear, Nose and Throat*

(1) *Perforations*—an unhealed perforation is a bar to entry.

(2) *Mastoid Operation* A radical mastoid operation is a bar to entry. A modified radical mastoid operation may be acceptable on the advice of a Naval E.N.T. Specialist. A cortical mastoid operation, providing the ear is healthy, the tympanic membrane intact and there is no defect of hearing, is not a cause for rejection.

(3) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx. Simple septal deviations or nasal deformities are not cause for rejection.

(4) Disease of the throat or palate. Disease or injury affecting the normal function of either mandibular joint.

(5) *Tonsilitis* apparent enlargement of the tonsils is not a cause for rejection.

(6) *Sinusitis* repeated attacks of sinusitis, which have been severe enough to cause incapacity will usually entail rejection. In case of doubt, a specialist opinion should be obtained.

(*h*) *Diseases of the Chest* Definite evidence of disease of the lungs or pleura. Cases of doubt should be referred to the Medical Director-General (Naval) for decision.

(1) *Asthma* where this forms, or is likely to form, a serious impediment to the efficient performance of duty.

(*i*) *Cardio-vascular* functional or organic disease of the heart and blood vessels. Congenital heart disease excepting those with an uncomplicated lesion such as patent ductus arteriosus or atrial septal defect which has been completely cured by surgery. These cases may be accepted for entry subject to approval by the Medical Director-General (Naval).

(*j*) *Rheumatic Fever* An established history of rheumatic fever may be accepted in the absence of abnormal cardiac signs provided:

(1) there has been anti-streptococcal antibiotic prophylaxis for a period of 5 years without recurrence, or

(2) there has been ten years' freedom from recurrence, no prophylaxis having been given, or

(3) the candidate is over age 25 years and has been three years free of recurrence.

(*k*) *Disease of the liver, spleen, stomach or bowels*

(1) Peptic Ulcer.

(2) Hernia does not entail rejection. However, a satisfactory surgical repair must have been carried out before a candidate can be allowed to enter.

(3) Fistula or fissure of anus; Haemorrhoids.

(*m*) *Genito-Urinary Conditions*

(1) Congenital, active or latent syphilis. Gonorrhoea.

(2) Albuminuria, unless three consecutive first morning specimens are found to be clear of albumin. Any deposit is also to be checked.

(3) Glycosuria, unless a satisfactory report on a sugar tolerance test is produced.

(4) Stricture of the urethra.

(5) Incontinence of urine.

(6) Enuresis, if this is within the last 2 years.

(7) Hydrocele and Varicocele except that a satisfactory surgical repair will normally render a candidate fit for entry.

(8) Serious defect or malformation of the genital organs.

(9) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or

Digitized by Google

mental health of the candidate. If a testicle is situated in the inguinal canal or at the external ring it must be either removed or brought down into the scrotum. If the result of the operation is satisfactory, and the other testicle is in the scrotum and normal in character, the candidate may be accepted.

(10) Diseases and malformations of the kidneys.

(11) Urolithiasis.

(*n*) *Allergic Diseases* where these form, or are likely to form, a serious impediment to the efficient performance of duty.

(1) *Hay fever* mild attacks which would not affect the efficient performance of duty may be ignored. Severe hay fever is likely to be a bar to entry, the severity being judged by the need for prolonged medication.

(*o*) *Metabolic Conditions* diseases of the thyroid gland, hyperthyroidism, myxoedema.

VISUAL STANDARDS

2. Both eyes to be healthy, the vision to be correctable to 6/6; 6/24 or to 6/12; 6/12 at least. The candidate should be able to read N.5 one eye, N.6 the other eye. There should be no history of asthenopia.

The refractive error should not exceed:—

(*a*) 7 dioptres of hypermetropia or of compound hypermetropic astigmatism under homatropine in the meridian of greater error in either eye.

(*b*) 7 dioptres of myopia or of compound myopic astigmatism under homatropine in the meridian of greater error in either eye. The fields of vision should be full.

The minimum standard of Colour Perception is Standard Four.

An alternating concomitant squint with small deviation (not abnormal cosmetically), is permitted, but vision must be capable of correction to 6/24 in the worse eye.

If binocular vision is present, heterophoria (Maddox rod at 6 metres) must not exceed:

Eso- and Exo-phoria ..	6 prism dioptres
Hyperphoria	1 prism dioptre.

3. Candidates who are accepted with a distant visual acuity of less than 6/60; 6/60 and whose vision does not correct up to 6/12 or better in either eye are to have this fact noted in their medical history documents and are to be examined by a Naval Ophthalmic Specialist should they apply for a Full Career Commission.

DENTAL STANDARDS

4. The candidate should have no marked oral deformity and the teeth must be in a healthy condition and adequate for the efficient mastication of food. Any defects must be remedied prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not disqualify a candidate who is fit and suitable in every other respect.

PART 4

TRAINING, PROMOTION AND CAREER PROSPECTS

(This information is for guidance only and does not form part of the Entry Regulations. From time to time changes may be made in the conditions of service.)

TRAINING

1. A course of instruction on Naval Regulations and procedure is given to each Short Service Officer on entry.

2. Post-graduate courses are arranged at recognised civil teaching centres for officers selected for specialised posts.

PROMOTION AND SENIORITY

3. An officer will normally be entered as Surgeon Lieutenant and promoted to Surgeon Lieutenant-Commander after attaining 5 years' seniority as Surgeon Lieutenant. Promotion to the rank of Surgeon Commander and above is by selection subject to completion of such periods of service and such other conditions as may be specified from time to time.

SENIORITY

4. (*a*) Previous service on the Active List in the Armed Forces. Previous commissioned service in the Armed Forces as a Medical Officer will be allowed to count in full towards seniority, promotion and pay, whilst other previous commissioned service on the Active List in the Armed Forces will count as half seniority, promotion and pay. All previous commissioned service in the Armed Forces from age 21, subject to there not being a break of more than 5 years before re-entry, will count in full for retired pay. In any case where there is a break of more than 5 years a Ministry of Defence decision should be sought.

(*b*) Recognised medical experience after full registration in a hospital or civil practice may render an officer eligible for the grant of an antedate of seniority up to a maximum of 7 years, the basis of calculations being:—

First 4 years approved experience	In Full
Subsequent experience as a Specialist	In full
Other recognised experience	In half

5. The Medical Director General (Naval) will decide as to the suitability of the officer's civilian experience for the purpose of granting an antedate. Additional seniority so granted will count for increase of pay and promotion but will not reckon as service for retired pay or gratuity.

TRANSFER TO 16 YEAR PENSIONABLE COMMISSION

6. Officers who have served 12 months or more of a Short Service Commission may apply for transfer to a 16 year Pensionable Commission. To be eligible for this, they must be able:

(*a*) to complete at least 16 years' service reckonable for retired pay purposes before reaching their compulsory retirement age,

(*b*) to serve a minimum of 10 years from the date of transfer to a 16 year Pensionable Commission.

7. A taxable grant will be paid to officers who undertake a 16 year Pensionable Commission, but those who retire before completing 16 years will be required at Ministry of Defence discretion to make refund in whole or part of the grant received.

8. Officers transferring to a 16 year Pensionable Commission will not be entitled to a gratuity for the completed portion of their Short Service Commission in addition to the grant, but their service on that Commission may count towards an ultimate award of retired pay or gratuity.

9. Medical Officers serving on 16 year Pensionable Commissions will be considered for promotion to Surgeon Commander on the same basis as Full Career officers.

10. It will be possible for officers on 16 year Pensionable Commissions to seek transfer to Full Career Commissions. Reversion to Short Service Commissions will not be permitted.

11. Applications from Short Service Medical Officers to transfer to 16 year Pensionable Com-

Digitized by Google

missions should be sent through the usual channels to Head of Naval Personnel Division 2. They must be accompanied by evidence of medical fitness in accordance with BR 1750A, a report on Form S206 and a recommendation by the Commanding Officer, and Command or Fleet Medical Officer where appropriate on the officer's suitability for transfer to a 16-year Commission.

TRANSFER TO FULL CAREER COMMISSION

12. Officers who have served 12 months or more of a Short Service Commission may apply for transfer to a Full Career Commission. Officers are transferred to Full Career Commission at the discretion of the Admiralty Board and in determining the number to be transferred consideration will be given by the Admiralty Board to the number of higher appointments available from time to time for Full Career Officers.

13. A taxable Full Career Commission Grant will be paid to Medical Officers whose transfer from a Short Service Commission to a Full Career Commission is approved. Details are in the enclosed leaflet.

(*a*) The acceptance of such a commission implies an undertaking to serve until the normal retiring age. If, however, an officer applies to resign or retire before the completion of his service and Service requirements allow him to be released the Ministry of Defence reserve the right to require a refund of the whole or part of the Full Career Commission Grant.

(*b*) Officers who transfer from a Short Service to a Full Career Commission will not be entitled to a gratuity in respect of the completed portion of their Short Service Commission in addition to the Full Career Commission Grant, but his service in that commission will count towards an ultimate award of retired pay or gratuity.

(*c*) Officers cannot revert from a Full Career Commission to a Short Service Commission.

14. Any officer who has been given an antedate of seniority during his Short Service Commission will transfer to a Full Career Commission or 16 year Pensionable Commission with that seniority.

PAY AND GRATUITIES

15. Details of pay and tax free gratuities which are awarded to officers on satisfactory completion of 3 or 5 year Short Service Commissions will be notified separately.

(*b*) *Obesity* Providing that the candidate's cardiovascular and respiratory systems are within normal limits, that the exercise tolerance is normal and that there is no undue dyspnoea on exertion, the candidate's actual weight may be ignored.

(*c*) *Skin Disease* unless temporary or trivial. Psoriasis, chronic eczema, dermatitis, alopecia areata or a history of such conditions must be considered cause for rejection.

Digitized by Google

Migraine if recurrent and of sufficient severity to require medical treatment or absence from work is normally a bar to entry.

(*f*) *Deformity or any chronic disease of eyes or eyelids*

(*g*) *Diseases of the Ear, Nose and Throat*

(1) *Perforations*—an unhealed perforation is a bar to entry.

(2) *Mastoid Operation* A radical mastoid operation is a bar to entry. A modified radical mastoid operation may be acceptable on the advice of a Naval E.N.T. Specialist. A cortical mastoid operation, providing the ear is healthy, the tympanic membrane intact and there is no defect of hearing, is not a cause for rejection.

(3) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharnyx. Simple septal deviations or nasal deformities are not cause for rejection.

(4) Disease of the throat or palate. Disease or injury affecting the normal function of either mandibular joint.

(5) *Tonsilitis* apparent enlargement of the tonsils is not a cause for rejection.

(6) *Sinusitis* repeated attacks of sinusitis, which have been severe enough to cause incapacity will usually entail rejection. In case of doubt, a specialist opinion should be obtained.

(*h*) *Diseases of the Chest* Definite evidence of disease of the lungs or pleura. Cases of doubt should be referred to the Medical Director-General (Naval) for decision.

(1) *Asthma* where this forms, or is likely to form, a serious impediment to the efficient performance of duty.

(*i*) *Cardio-vascular* functional or organic disease of the heart and blood vessels. Congenital heart disease excepting those with an uncomplicated lesion such as patent ductus arteriosus or atrial septal defect which has been completely cured by surgery. These cases may be accepted for entry subject to approval by the Medical Director-General (Naval).

(*j*) *Rheumatic Fever* An established history of rheumatic fever may be accepted in the absence of abnormal cardiac signs provided:

(1) there has been anti-streptococcal antibiotic prophylaxis for a period of 5 years without recurrence, or

(2) there has been ten years' freedom from recurrence, no prophylaxis having been given, or

(3) the candidate is over age 25 years and has been three years free of recurrence.

(9) The absence of one testicle should not cause rejection unless the testicle has been removed on account of disease, or its absence has affected the bodily or mental health of the candidate. If a testicle is situated in the inguinal canal or at the external ring it must be either removed or brought down into the scrotum. If the result of the operation is satisfactory, and the other testicle is in the scrotum and normal in character, the candidate may be accepted.

(10) Diseases and malformations of the kidneys.

(11) Urolithiasis.

(*n*) *Allergic Diseases* where these form, or are likely to form, a serious impediment to the efficient performance of duty.

Hyperphoria	.. ..	1 prism dioptre.

Candidates who are accepted with a distant visual acuity of less than 6/60:6/60 and whose vision does not correct up to 6/12 or better in either eye are to have this fact noted in their medical history documents and are to be examined by a Naval Ophthalmic Specialist should they later apply for a Permanent Commission.

DENTAL STANDARDS

3. The candidate's teeth must be in a healthy condition and adequate for the efficient mastication of food. Any defects must be remedied prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not necessarily disqualify a candidate who is fit and suitable in every other respect.

TRAINING, PROMOTION AND CAREER PROSPECTS: NOTES

1. The following notes say what the position is at present as regards promotion and career prospects, but changes may be made from time to time.

TRAINING

2. Medical cadets will be required to undergo a period of 2 weeks' training at the Royal Naval Barracks, Portsmouth, within the first 6 months of their cadet service. This training will be of general nature to introduce them to the customs and traditions of the Service. In the subsequent period of their cadetship and during their pre-registration year they may be required to have further training; subject always to Medical School and Hospital requirements. During this training cadets will wear uniform.

3. While at Medical School cadets will follow the normal routine of medical students. They will wear civilian clothes, and be regarded as ordinary students and expected to take a normal part in the corporate life of the Medical School.

4. The aim will be to provide pre-registration entries with training, along the same lines as that for medical cadets (para. 2 refers) before the beginning of their first pre-registration appointment. If this is not possible such training will be provided as soon as it can be fitted in with the requirements of hospital appointments.

PROMOTION

5. Medical Cadets will enter in the rank of Surgeon Sub-Lieutenant, and be promoted to Acting Surgeon Lieutenant after qualifying, on taking up pre-registration appointments. Pre-registration doctor candidates will enter in the rank of Acting Surgeon Lieutenant.

6. Promotion to Surgeon Lieutenant will be made on registration. Short Service Commissions begin at this point.

7. Officers who transfer to Full Career of 16 years Pensionable Commissions (see below) will be promoted to Surgeon Lieutenant-Commander on attaining 5 years' seniority as a Surgeon Lieutenant. Promotion to Surgeon Commander and above is by selection.

GRATUITIES

8. Tax-free gratuities are payable on satisfactory completion of Short Service Commissions. Details will be notified separately.

TRANSFER TO 16-YEAR PENSIONABLE COMMISSIONS

9. Officers who have served 12 months or more of a Short Service Commission may apply for transfer to a 16-year Pensionable Commission. To be eligible for this, they must be able:—

(*a*) to complete at least 16 years' service reckonable for retired pay purposes before reaching their compulsory retirement age;

(*b*) to serve a minimum of 10 years from the date of transfer to a 16-year Pensionable Commission.

10. A taxable grant will be paid to Officers who undertake a 16-year Pensionable Commission, but those who retire before completing 16 years will be required, at Ministry of Defence discretion, to refund in whole or part the grant received. Details are in the leaflet enclosed.

11. An officer transferring to a 16-year Pensionable Commission will not be entitled to a gratuity for the completed portion of his Short Service Commission in addition to the grant, but service on that commission may count towards an ultimate award of retired pay or gratuity.

12. Medical Officers serving on 16-year Pensionable Commissions will be considered for promotion to Surgeon Commander on the same basis as Full Career Commission officers.

13. It will be possible for officers on 16-year Pensionable Commissions to seek transfer to a Full Career Commission but no further grant is payable. Reversion to a Short Service Commission will not be allowed.

TRANSFER TO A FULL CAREER COMMISSION

14. Officers who wish to be transferred to Full Career Commissions may be allowed to do so at the discretion of the Admiralty Board. In determining the number to be transferred, consideration will be given by the Admiralty Board to the number of higher appointments available.

15. A Full Career Commission Grant will be paid to Medical Officers whose transfer to a Full Career Commission is approved, unless they have transferred from a 16-year Pensionable Commission and have already received a grant. Details are in the leaflet enclosed:—

(*a*) Payment of these Grants will be made after the completion of one year's satisfactory commissioned service in the Medical Branch of the Royal Navy. If this has been performed before transfer to a Full Career Commission, payment of the grant will be made on the commission being granted. The acceptance of a Full Career Commission implies an undertaking to serve until the normal retiring age. If, however, an officer applies to resign or retire before the completion of his service, and Service requirements allow him to be released, the Ministry of Defence reserve the right to require a refund of the whole or part of the Full Career Commission Grant.

(*b*) Officers who transfer to a Full Career Commission will not be entitled to a gratuity in respect of the completed portion of their Short Service Commission in addition to the Full Career Commission Grant; but service on that commission may count towards an ultimate award of retired pay or gratuity.

(*c*) Officers cannot revert from a Full Career Commission to a Short Service Commission.

3. The entry regulations are detailed as follows:

Part 1. Methods of Selection
Part 2. General Conditions of Entry

Digitized by Google

(c) *Skin Disease* unless temporary or trivial. Psoriasis, chronic eczema, dermatitis, alopecia areata or a history of such conditions must be considered cause for rejection.

(d) *Psychiatric Disorders* or a history thereof, including anxiety states, depression, impaired intellect, emotional instability, stammer.

(g) *Diseases of the Ear, Nose and Throat*
- (1) *Perforations*—an unhealed perforation is a bar to entry.
- (2) *Mastoid Operation* A radical mastoid operation is a bar to entry. A modified radical mastoid operation may be acceptable on the advice of a Naval E.N.T. Specialist. A cortical mastoid operation, providing the ear is healthy, the tympanic membrane intact and there is no defect of hearing, is not a cause for rejection.
- (3) Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx. Simple septal deviations or nasal deformities are not cause for rejection.
- (4) Disease of the throat or palate. Disease or injury affecting the normal function of either mandibular joint.
- (5) *Tonsilitis* apparent enlargement of the tonsils is not a cause for rejection.
- (6) *Sinusitis* repeated attacks of sinusitis, which have been severe enough to cause incapacity will usually entail rejection. In case of doubt, a specialist opinion should be obtained.

These cases may be accepted for entry subject to approval by the Medical Director-General (Naval).

(j) *Rheumatic Fever* An established history of rheumatic fever may be accepted in the absence of abnormal cardiac signs provided:
- (1) there has been anti-streptococcal antibiotic prophylaxis for a period of 5 years without recurrence, or

(o) *Metabolic Conditions* diseases of the thyroid gland, hyperthyroidism, myxoedema.

(p) *Gynaecological Disorders* a history of menstrual or gynaecological disorders unless very minor will normally entail rejection. In cases of doubt a specialist gynaecological opinion should be obtained.

ENTRY AND TRAINING OF ARTIFICER APPRENTICES

METHOD OF SELECTION. Artificer Apprentice candidates first undergo a selection procedure comprising interview and aptitude tests; those who are successful are then required to pass a Navy Department examination unless they can claim exemption from this examination in any of the following ways:

(*a*) by obtaining passes at the Ordinary Level in mathematics and a suitable science subject, or in mathematics and English language in a General Certificate of Education;

(*b*) by obtaining passes at the Ordinary grade in mathematics and a suitable science subject, or in mathematics and English in the Scottish Certificate of Education;

(*c*) by obtaining passes at Grade I in mathematics and a suitable science subject, or in mathematics and English in the Certificate of Secondary Education; or, alternatively, by obtaining passes at Grade 2 in Mathematics, English and a suitable Science subject.

(*d*) by obtaining a General Course of Engineering Certificate (G2);

(*e*) by obtaining a pass in mathematics and an aggregate pass in two of the three science subjects in the Northern Ireland Technical Certificate;

(*f*) by producing evidence of having passed any other examination which in the opinion of the Ministry of Defence (Navy Department) is of equivalent or higher standard.

Note: Arithmetic is not an acceptable alternative to mathematics.

The entry is competitive and acceptance will also depend on the number of vacancies available.

METHOD OF APPLICATION AND RECOMMENDATION. Application may be made by letter or in person to any R.N. and R.M. Careers Office. On receipt of an application the Careers Office concerned will request a character reference from the headmaster of the school the candidate is attending or, if he has left school, of the school he last attended. Candidates required to take the Naval qualifying examination should apply by the first Tuesday in February, May or October for entry in the following May, September or January respectively, but applications from candidates who are exempt from the examination can be accepted up to one month before the entry date.

INTERVIEW, APTITUDE TESTS AND MEDICAL EXAMINATION. The interview and aptitude tests are carried out at a Naval Careers Office. They are designed to assess the candidate's aptitude for practical work and his suitability for intensive training in an engineering trade and in due course for a Naval career.

A candidate who fails in the aptitude tests may, provided he remains within the age limit, apply again four months later.

Candidates also have to appear before a Medical Officer to ensure that they are of the required medical standard, viz:

Candidates must be in good health and of sound constitution, and be free, as far as can be ascertained, from any disease or defect that would unfit them for the duties of Artificer in the Royal Navy.

HEARING must be unimpaired.

VISION

(*a*) *Visual acuity*—with or without correcting lenses.

Better eye	6/6 N.5	Worse eye 6/24 N.10
or	6/12 N.5	6/12 N.10
or	6/9 N.5	6/18 N.10

(*b*) *Refraction Limits*—a spectacle correction of not more than ±5 dioptres in any meridian.

(*c*) *Colour Perception*—standard 4 as prescribed in BR 1750A.

TEETH must be in good condition and afford an efficient masticating area, including sound functionally opposed molars and incisors on both sides of the mouth. The wearing of dentures will not cause rejection provided they fit well.

HEIGHT. Candidates must be at least 5 feet in height.

NAVY DEPARTMENT EXAMINATION. The question papers are the same for all candidates and are supplied to Naval Careers Officers who arrange to hold the examination, notify candidates of the arrangements and subsequently the results. The examination is completed in one day and consists of three papers as shown below:—

	Maximum Marks	*Time Allowed*
Mathematics	300	1½ hours
Science	200	1 hour
English	200	1½ hours

Candidates must attain a standard in mathematics, in science, and in the examination as a whole, satisfactory to the examiners.

The examination is set by the Ministry of Defence (Navy Department) and is held on the second Tuesday in February, May and October of each year for entry in the following May, September and January respectively. In certain cases arrangements can be made for candidates to sit the examination on the second Tuesday in March, June, July or November, depending on the entry for which he is competing.

A candidate who fails the qualifying examination may, provided he remains within the age limits, apply to sit the examination for the next entry. Should he fail at the second attempt, he will be required to undergo the selection procedure again before making a further attempt at the qualifying examination.

AGE. Candidates must be between the ages of 15½ years and 21 years on the first day of the month of entry, i.e., either January, May or September.

DEFERMENT OF ENTRY

A candidate who is fully qualified for entry in all respects may in certain circumstances be allowed to defer his entry into the Service until some subsequent occasion. His request for such deferment must be made whilst he is undergoing the selection tests. He must at the same time state the entry which he wishes to join. The upper age limit still applies.

A rating already serving in the Royal Navy who is within the prescribed age limits may become a candidate for an apprenticeship at the discretion of his Commanding Officer.

NATIONALITY. A candidate must:

(*a*) at all times since birth have been a British subject (i.e. a citizen of the United Kingdom and Colonies or of a Commonwealth country) or citizen of the Republic or Ireland; and

(*b*) have been born in a country or territory which is, or then was, within the Commonwealth or in the Republic of Ireland; and

(*c*) have parents both of whom were born in such a country or territory or in the Republic of Ireland and have always been, or always were, British subjects or citizens of the Republic of Ireland;

(*d*) if not of United Kingdom origin, normally have resided in the United Kingdom for a minimum of five years immediately preceding application.

Candidates not able to satisfy these conditions may, nevertheless, in exceptional circumstances and with the permission of the Secretary of State for Defence, be accepted for entry.

CONSENT OF PARENTS ON ENTRY. A successful candidate must produce the consent, in writing, of his parents or legal guardian to his entering the Navy and engaging to serve for 12 years from the age of 18 in addition to whatever period may be served before he reaches that age.

Digitized by Google

The candidate has the right to leave the R.N. on giving 18 months' notice, which can be given at any time after 18 months from completion of his Standard Training period (5 years). Thereafter they are liable to serve for a further period of 3 years in the Royal Fleet Reserve.

A serving rating who is a successful candidate must also produce the written consent of his parents or guardian to his transfer to Artificer Apprentice and the change of engagement entailed.

New entry Apprentices under the age of 17½ (but not transferees from other branches) have the right to be discharged on request and without payment after four weeks' service. Fourteen days of notice of intent (which can be part of the four weeks' service) must be given. This right expires after 6 months' service.

Those aged over 17½ on joining can leave after payment of £20 and having completed four weeks' service as follows:—

17½ to 18 on entry—during first 6 months' service or before the age of 18 years 3 months, whichever is earlier.

18 and over on entry—during the first 3 months' service.

CANDIDATES WITH SERVICE CLAIMS

Candidates with Service claims will be selected for entry in preference to others of equal ability. An application for a Service nomination is not an application to be a candidate. This must be rendered separately by the appropriate authority. Candidates are recommended by Commanders-in-Chief at home and abroad, the Admiral Commanding Reserves, Flag Officers Commanding in Home Waters, and the Commandant General Royal Marines.

Candidates must be sons of Commissioned Officers, Fleet Chief Petty Officers, Chief Petty Officers or Petty Officers of the Royal Navy; Commissioned Officers or Non-Commissioned Officers, of or above the rank of Sergeant, of Royal Marines; Clerks, Draughtsmen, Inspectors and Foremen of the Artisan branches, or skilled Artisans not below the grade of Chargemen, of H.M. Dockyards. Service nominations are restricted to:—

(*a*) boys whose fathers are dead;

(*b*) boys whose fathers have been invalided or who have, for some similar reason, strong claims to special consideration on compassionate grounds;

(*c*) boys whose fathers can show long and faithful service, or other sound reasons for consideration.

In allotting Service nominations under sub-heading (*a*), preference will be given to boys whose fathers have been killed in action, lost at sea on active service, or killed on duty; or have died of wounds in action or injuries received on duty, within 6 months from the date of such actions or injuries. Boys who are ineligible solely because their fathers were below the rank or grade specified in the paragraph above may be included in the recommendations for nomination if considered deserving and suitable candidates. Their names will, however, be considered after those of candidates whose fathers were of the necessary rank or grade.

Parents, if serving, should apply for a recommendation through the Commanding Officer of the ship or establishment in which they are serving, who will transmit the request to the appropriate authority. If not serving, parents should apply to the Flag Officer at the nearest Home Port. Royal Marines, if not serving afloat, should apply to the Director of Drafting, Pay and Records, Royal Marines, Melvill Camp, Eastney, Southsea.

Recommendations by one of the authorities quoted above can be accepted at the Ministry of Defence at any time after the boy has attained the age of 14 years 9 months. The latest date for the receipt of recommendations is the closing date for the receipt of applications for the last examination for which the boy is eligible by age.

Candidates will be eligible for nomination to an apprenticeship in connection with any competition held after the receipt of the recommendation at the Ministry of Defence. If a candidate fails to qualify at the first attempt and competes on one or more further occasions, the original recommendation for a Service nomination holds good.

A brief note of the father's services and of the family circumstances must be given.

In exceptional circumstances officers and men holding the ranks or rates mentioned above may apply for a recommendation for boys to whom they stand in the position of guardian. Independent evidence that the boy has been brought up by his guardian for 5 years or more should be forwarded with the recommendation.

THE TRAINING OF AN ARTIFICER

On entering the Navy the Artificer Apprentice becomes entitled to the normal naval rate of pay of his rating. He joins H.M.S. *Fisgard*, the Royal Naval Artificers' Training Establishment at Torpoint, Cornwall, where he lives and is educated free of charge in an establishment run on the lines of a good technical college. He is appointed to one of the Houses, each of which is named after a famous Admiral, who originally entered the Royal Navy as an Artificer Apprentice and his work and recreational activities are directed by the House Tutor and House Officer.

The Apprentice spends two or three terms, which last 8 or 12 months, in H.M.S. *Fisgard*. During this time, he is trained in general craftsmanship, including fitting, metal working and machining as appropriate. He learns enough about the machinery and equipment of the Fleet to assist him in making his choice of Category.

The educational side of the training of Artificer Apprentices is along the broad lines of the Ordinary National Certificate and all apprentices also have opportunities to sit for General Certificate of Education examinations.

Category and Trade Selection. On completion of the first term at H.M.S. *Fisgard* the Apprentice is asked in which category he would like to specialise —Electrical, Marine Engineering or Aircraft. It cannot be guaranteed that he will enter any particular category, but his wishes and his aptitude are carefully considered. During his last 4 months at H.M.S. *Fisgard* he starts on the specialised work of the category to which he has been allocated.

Within the following categories Apprentices specialise as follows:

Electrical—Control, Radio or Ordnance Electrical;
Marine Engineering Propulsion or Hull.
Aircraft—Air Engineering, Radio (Air) or Electrical (Air).

Here again, consideration is given to the Apprentice's preference, but his aptitude and the demands of the Service will determine the final choice.

Specialist Courses. After leaving H.M.S. *Fisgard*, Aircraft Artificer Apprentices join H.M.S. *Daedalus*, the Air Electrical and Air Engineering School at Lee-on-Solent, Hants. Apprentices of the control, Radio and Ordnance Electrical Categories join H.M.S. *Collingwood*, the Royal Naval Electrical School near Fareham, Hants, and go to sea during their apprenticeship. Electrical and Radio Electrical Artificer Apprentices (Air) go to H.M.S. *Daedalus*, Marine Engineering Artificer apprentices go to H.M.S. *Caledonia*, the Royal Naval Artificers' Training Establishment at Rosyth on the Firth of Forth; these apprentices go to sea for the last 8 months of their apprenticeship.

After eight terms' training, Aircraft Artificer Apprentices spend one year at an air station gaining practical experience before returning to H.M.S. *Daedalus* for a further 8 months' training.

Electrical Artificers (Air) and Radio Electrical Artificers (Air) do the same after six terms' training but spend only eight months at an air station.

At these training establishments and in ships, apprentices receive both theoretical and practical instruction in the operation and upkeep of the machinery and other equipment of the kind for which they will later be responsible. There will, for instance, be lathe work, the taking to pieces and assembling of engines and pumps, aircraft and electrical components, in addition to lectures in which the function of these machines is explained.

At these specialist training establishments, academic work proceeds in parallel with the technical instruction for most of the time. All apprentices have the opportunity to gain an Ordinary National Certificate, and over 60% of them do so.

Throughout the apprenticeship great emphasis is put on the development of character and powers of leadership to fit the apprentices for the positions of responsibility which they will subsequently hold in the Service.

PASSING-OUT EXAMINATION. Naval Artificer Apprentices of each category have to pass an examination and a practical test set for their category, and provided they are successful they are rated Artificer 3rd Class on completion of their apprenticeship.

Further details and pamphlets describing the entry may be obtained on application to the Director of Naval Careers Service, Old Admiralty Building, Spring Gardens, London, S.W.1, A 2BE, or at any R.N. and R.M. Careers Office.

The Royal Humane Society's Testimonials on Vellum and Parchment are awarded for gallantry in saving or attempting to save, life at sea or on land, the Testimonial on Vellum being awarded for greater gallantry than the Testimonial on Parchment.

The Royal Humane Society's Resuscitation Certificate is awarded for restoring the apparently dead from drowning or asphyxia.

The Royal Humane Society's "In Memoriam" Testimonials on Vellum are presented at the discretion of the Society's Committee to the relatives of those who lose their lives in attempting rescues, and should therefore be reported for consideration.

Recommendations for the above awards must be made within 2 months of the gallant action, but if the rescues or attempted rescues, occur at a distance from the British Isles this time limit may be extended to 18 months.

The present practice in recommending awards for various services may be summarised as follows:—

CIVILIANS

*A. Gallantry and distinguished conduct during or after enemy action and in bomb disposal.	G.C., G.M., Appointment to the appropriate class of the Order of the British Empire (Civil), B.E.M. (Civil), Commendation.
B. Meritorious service	Appointment to the appropriate class of the Order of the British Empire (Civil), B.E.M. (Civil), Commendation (for flying service only).

It is customary for the ribbons of these Orders and Medals to be worn immediately on the Appointment or Award being published in the London Gazette or promulgated to the Fleet.

* As from 14th January, 1958, appointments to or promotions in, the Order of the British Empire and awards of the British Empire Medal, when granted for gallantry, are so described in the announcement in the London Gazette and are distinguished by the wearing of a silver oak leaf Emblem on the ribbon. When the ribbon only is worn the Emblem will be in miniature. This arrangement applies both to military and civil awards. Classification of an award as made for gallantry has no effect on seniority or precedence in the various classes of the Order. A person appointed to the Order after 14th January, 1958, for gallantry and subsequently promoted in the Order, retains and wears the Emblem whether promoted for gallantry or otherwise. A holder of the British Empire Medal for gallantry, granted after 14th January, 1958, if subsequently appointed to the Order, will continue to wear the Emblem on the ribbon of the medal; he will wear the Emblem also on the ribbon of the Order only if appointed to the Order for gallantry.

On the riband of the British Empire Medal for Gallantry, the Gallantry Emblem is worn above any Bar which may have been granted, and when ribands are worn alone the Gallantry Emblem is worn further from the left shoulder than any silver rose Emblem denoting the award of a Bar.

INVESTITURE AND PRESENTATION OF AWARDS

The awards listed in paragraphs 1 to 11, 12 (when awarded for gallantry), 13 and 14 above, will be presented by the Queen at Investitures.

2. Naval personnel who are domiciled or serving in the United Kingdom will be summoned to an Investiture; for those who are domiciled or serving temporarily overseas, arrangements will be made for them to receive their awards from the appropriate Representative of the Queen.

3. Awards in the Order of the British Empire granted in connection with a specific deed carried out in dangerous circumstances to recipients who have died before the award could be presented to them, and all the decorations and medals named in paragraphs 1 to 14, above, if the recipients have fallen

in action before they could receive their awards at the Queen's hands, will be handed by Her Majesty to the recipient's Next-of-Kin, who will be summoned to a Next-of-Kin Ceremony.

4. *British Empire Medals.*—British Empire Medals (Military Division) awarded, other than for gallantry, to members of the Armed Services who are stationed in the United Kingdom, will be presented, on the Queen's behalf, by a Commander-in-Chief or, where that is not practicable, by another suitable senior officer.

20. *Deprivation or Forfeiture.*—If the conduct of a Reservist who has been awarded the Medal is considered to disqualify him or her from wearing it, he or she may be deprived of it by the Administrative Authority. The deprivation is to be reported to the Defence Council. REGULATIONS RESPECTING THE LONG SERVICE AND GOOD CONDUCT MEDAL FOR THE ROYAL FLEET RESERVE

1. Men of the Royal Fleet Reserve who are not in possession of the R.N. Long Service and Good Conduct Medal are eligible for the award of the Royal Fleet Reserve Long Service and Good Conduct Medal provided that they:—

(*a*) have completed at least 15 years' service from the age of 18 years in the Fleet and Royal Fleet Reserve combined; for this purpose efficient service in the R.N.R., R.M.R., (formerly R.M.F.V.R.) or in the Commonwealth Forces may count as qualifying service;

(*b*) have satisfactorily carried out any prescribed training;

(*c*) have obtained a character not below "V.G." during the 15 years preceding the award;

(*d*) have not been awarded a character below "Good" during any year of their service from the age of 18 (but see Clause 3); and

(*e*) are recommended for the award of the medal by the Registrar of the Royal Fleet Reserve.

Men holding the medal who complete a further 15 years' service under the above conditions may be awarded a clasp to the medal.

Only service in the Reserve, as mobilized reservist or on engagements in respect of which approval has been given for the service to reckon for reserve benefits may count.

Digitized by Google

2. Applications for the award of the Royal Fleet Reserve Long Service and Good Conduct Medal are not to be forwarded on behalf of men whose retention in the Reserve is dependent on the fulfilment of an undertaking to render themselves medically fit unless they had already completed the necessary qualifying service and were otherwise eligible for the award on the date on which their unfitness was discovered.

3. Men whose characters were assessed below "Good" during the first 5 years of their active service from the age of 18 may be specially considered for award of the medal either:—

(*a*) After the completion of 15 years' service with continuous "V.G." character, on the ground of having displayed heroism or gallantry in action, or having rendered some special service in time of emergency, subsequently to the assessment of character below "Good," or

(*b*) On the ground of having 18 years' service with continuous "V.G." character subsequent to that assessment.

The conditions laid down in clause 1 (*a*), (*b*), (*c*) and (*e*) will apply to all men. Desertion at any time will render a man ineligible for the award of the medal, except in special circumstances where a man can show the necessary period of service with continuous "V.G." character commencing from the date of recovery from desertion.

4. Service in the Royal Fleet Reserve for years for which a reservist is not required to perform drill, and is not able, therefore, to earn a "V.G." assessment of character, is to be regarded as equivalent to "V.G." service for the purposes of paragraphs 1 and 3 provided that the other conditions of service are complied with.

5. Men in possession of the Royal Fleet Reserve Long Service and Good Conduct Medal who subsequently re-enter the Royal Navy or Royal Marines on regular engagements and qualify for the award of the Active Service, Long Service and Good Conduct Medal, will be required to surrender the Reserve Medal on being awarded the Active Service Medal. Similarly, men who possess the Royal Fleet Reserve Medal will be required to surrender it on being subsequently awarded the Long Service and Good Conduct Medal of any Commonwealth Navy.

6. When the conduct of any man after he has been awarded the medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Commander-in-Chief or the Commandant General, Royal Marines. The deprivation will be reported to the Ministry of Defence (NP2).

When reservists are mobilised or re-entered in the Royal Navy, the regulations for the deprivation of the Active Service, Long Service and Good Conduct Medal (Queen's Regulations for the Royal Navy, Chapter 19) are to apply equally to the deprivation of the Royal Fleet Reserve Medal.

7. A man who has been deprived of the medal for misconduct may have it restored at the discretion of the Commander-in-Chief or the Commandant General, Royal Marines, on completion of 5 years' service with "Very Good Conduct" before discharge, or on discharge from the Reserve provided that he has completed at least 3 years' service with "Very Good Conduct" since being deprived of the medal.

8. When it is desired to replace a medal which has been accidentally lost, the man to whom the medal belonged must make a declaration before a Magistrate or Registrar of the Royal Fleet Reserve, stating the circumstances in which the loss occurred, together with his rating, name, class, number in the Reserve, and Royal Naval official number, or Royal Marine register number. This declaration will be sent to the Director General of Defence Accounts through the Registrar of the Royal Fleet Reserve, and the Medal will be replaced, on payment, if the explanation of its loss is considered satisfactory.

9. Medals are to be worn, in conformity with the Regulations for Naval Uniforms (Ratings), with No. 2 dress (or No. 7 in hot climates) on those occasions when the wearing of No. 1 or No. 6 dress is authorised for Active Service ratings, i.e., at inspections and musters, on ceremonial occasions, and on Sundays in harbour. Medals are not to be worn on any other occasion.

GOOD CONDUCT MEDAL AND GRATUITY

Qualification for Award.—The Long Service and Good Conduct Medal represents, with Good Conduct Badges, the highest standard of conduct in the Service and it is important that recommendations for the award of the medal should not be made as a matter of course on completion of the necessary period of qualifying service.

2. *Gratuities.*—Except where otherwise stated, the award of a Good Conduct Medal will carry with it, irrespective of rating, a gratuity of £20, payment of which will be authorised by the Director-General Defence Accounts.

3. *Entitlement.*—(*a*) To be entitled to the award of the Long Service and Good Conduct Medal and Gratuity, a Naval rating or a Royal Marine must:—

(1) have completed 15 years' pensionable service with continuous "Very Good" character, and with previous character not inferior to "Good" in service which is reckonable for pension purposes. Where character during such service has been assessed as "Good" on the 31st December in any year, time reckoning for the medal will not commence until the 1st January following;

(2) have actually re-engaged to complete time for pension (but see clause (*b*) below regarding ratings on non-continuous service engagements);

(3) be in possession of the full number of Good Conduct Badges which he could have earned during his service;

(4) be provisionally recommended by the Captain of the ship or the Commanding Officer of the establishment in which he is serving at the time of the application as in every respect deserving of the award.

(*b*) *Non-Continuous Service.*—Maltese ratings serving on non-continuous service engagements are eligible for the award of the medal and gratuity under the foregoing conditions, except that clause 3 (*a*) (2) above is not applicable. Ratings locally entered at Hong Kong and Singapore are eligible for award of the medal and a gratuity of £10 under the same conditions. Other locally entered ratings may be awarded the medal without gratuity if their records of service and character conform to the requirements for an award under the ordinary rules.

(*c*) Desertion will render a man ineligible for the award of the medal under the ordinary regulations (see Article 8—Special Recommendations).

4. *Long Service and Good Conduct Gratuities.—Additional Allowance.*—(*a*) Ratings, including Maltese ratings, who are awarded the gratuity of £20, are also eligible to earn an additional allowance which is payable in a lump sum with the first payment of pension on discharge, at the rate of £1 for each year of qualifying service with "Very Good" character rendered subsequent to the award or restoration of the medal. The lump sum is not payable to non-European locally entered ratings.

(*b*) A rating who is promoted to officer after the award of the medal and gratuity will be allowed, on confirmation in rank, to receive payment of any additional allowance that may have been earned up to the date of his promotion.

(*c*) Service during which a "Good" character is

Digitized by Google

awarded will not count as qualifying service for the additional allowance, notwithstanding that the man may not have been deprived of the medal.

(*d*) When a man is deprived of or forfeits his medal he will forfeit the additional allowance already accrued. If the medal is restored before he is pensioned, the amount earned subsequently to the date of restoration only will be awarded.

(*e*) When a man is invalided after having been awarded the medal and gratuity, and before completion of the full time for pension, he will be granted any additional allowance that may have been earned up to the date of his discharge.

(*f*) Any man who voluntarily quits the Service after the award of the medal and gratuity, and before becoming entitled to a pension, will forfeit all claim to any additional allowance that may have been earned.

(*g*) Where a man who has been discharged to pension is permitted to re-engage for a further period of service subject to relinquishment of pension, such further service will be allowed to count for purposes of the additional allowance under the usual regulations, provided that the man is qualified in all respects or this allowance.

5. *Long Service and Good Conduct Gratuities and Additional Allowances of Dead Men.*—If a man should die after the award of his medal any gratuity or additional allowance to which he may be entitled will be paid to his widow, or next-of-kin if dependent upon him.

6. *Breaks in Service.*—A break in service not due to desertion, dismissal, sentence of imprisonment, or other misconduct on the man's part, will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for the medal and gratuity, provided that he rejoins within 5 years or, if invalided, as soon as the state of his health permits, or if approval has been given to bridge the break in service of more than 5 years.

7. *Recommendations.*—(*a*) The names of men provisionally recommended for medals and gratuities are to be sent to the Director-General Defence Accounts on Form S.218, accompanied by their Service Certificates or certified copies thereof, in sufficient time to allow for verification of entitlement and preparation of the medal (normally one calendar month), and for approval to be received and presentation to be made on the date when the award is due.

(*b*) Recommendations for Royal Marine ranks are to be forwarded through the Director of Drafting Pay and Records, Royal Marines, six weeks before the medal is due.

8. *Special Recommendations.*—(*a*) If a man has the essential service qualification of 15 years with continuous "Very Good" character in accordance with the foregoing articles but is ineligible for the award of the medal under the ordinary regulations, the Secretary of State will consider any recommendation for a special award of the medal on the grounds that the man has displayed heroism or gallantry in action or has rendered some special service in time of emergency, during service qualifying for the medal and subsequent to the lapse which disqualifies him under the ordinary rules. The recommendation should be made by letter submitted through the Commander-in-Chief or administrative authority, or, for a Royal Marine, through the Director of Drafting, Pay and Records, stating fully the circumstances in which the application is made.

(*b*) A recommendation for a man who has a record of 18 years' qualifying service with continuous "Very Good" character will also be considered although he may be disqualified under the ordinary regulations.

9. *Presentation of Medal and Gratuity.*—(*a*) When approval has been received, the medal is, if possible, to be presented by the Commanding Officer before the ship's company or Royal Marines Unit. The gratuity is to be paid on the authority which will be issued by the Director-General Defence Accounts. In no circumstances is the medal to be presented or the gratuity to be paid before the date on which the award is due.

(*b*) The award of the medal and gratuity is to be noted on the Service Certificate. In order that the possession of the medal may not be overlooked when consideration is being given to deprivation of a Good Conduct Badge, the award of the medal is to be noted at the foot of the Badge column in addition to the Medals section of the Service Certificate.

10. *Misconduct pending presentation.*—The Ministry of Defence is to be informed by signal if the man's conduct falls below the requisite standard in the interval between the recommendation and the date when the award becomes due. The medal is not to be awarded and, if received in the ship, is to be returned to the Director-General Defence Accounts with an explanation and with the authority for paying the gratuity.

(2) If the presentation of the medal is delayed for any reason beyond the date when the award is due, and misconduct (other than a trivial offence not breaking the continuity of the man's "Very Good Conduct" or "V.G." character) occurs in the interval, the medal is to be withheld and a report made to the Commander-in-Chief or Flag Officer or, for Royal Marines on shore, the Commandant General, Royal Marines. Unless the offence, or the punishment awarded, automatically involves loss of the medal, the report is to state whether deprivation would have been proposed if the medal had been in the man's possession at the time of punishment. If deprivation would have been automatic or proposed, the higher authority may direct that the medal should be regarded as awarded on the due date, and deprived. If this course is considered inappropriate, the higher authority is to report the matter to the Ministry of Defence. When deprivation would have been neither automatic nor proposed, the medal should be awarded from the due date and retained (but, if the man has lost a good conduct badge, the medal should not be presented until the badge is restored).

Note.—The rules about restoration of the G.C. Medal are contained in the Queen's Regulations for the Royal Navy, Chapter 19.

11. *First Clasp.*—A man holding the medal who completes a further 15 years' service on any kind of Royal Naval engagement, T.124 and variants excepted, with the character qualification required for the original award may be awarded a clasp to the medal. The award of the clasp will not entitle the recipient to any further gratuity or pension addition. Applications for the award are to be made on Form S.218 endorsed "CLASP ONLY," and forwarded as directed in clause 7, accompanied by the Service Certificate or a certified copy thereof.

12. *Second Clasp.*—A man holding the medal and clasp who completes a further 15 years' service under the same conditions required for the award of the first clasp, may be awarded a second clasp to the medal. Applications for the award are to be made on Form S.218 as directed above.

Note.—Pensioners are not debarred from counting the additional service for the award of the clasps.

13. *W.R.N.S. Ratings.*—W.R.N.S. ratings will qualify for the medal and clasp under the same conditions as for men. The gratuity will however, be £17 and the additional allowance 85p a year.

REGULATIONS CONCERNING THE ACCEPTANCE AND WEARING BY PERSONS IN THE SERVICE OF THE CROWN OF ORDERS, DECORATIONS AND MEDALS CONFERRED BY HEADS OR GOVERNMENTS OF FOREIGN STATES AND BY MEMBERS OF THE COMMONWEALTH OVERSEAS OF WHICH THE QUEEN IS NOT HEAD OF STATE

(United Kingdom and Dependent Territories)

ORDERS AND DECORATIONS

1. No person in the service of the Crown may accept and wear the insignia of any such Order or decoration without Her Majesty's permission.

2. Such permission, if granted, will be either:—

(*a*) unrestricted, allowing the insignia to be worn on any occasion; or

(*b*) restricted, allowing the insignia to be worn only on particular occasions associated with the country concerned.

The grant of both unrestricted and restricted permission will be conveyed by letter from Her Majesty's Private Secretary.

3. Full and unrestricted permission is contemplated in the case of Orders conferred:

(*a*) for distinguished services in saving or attempting to save life;

(*b*) on any officer in the Royal Navy, Army or Royal Air Force, or any United Kingdom official, in recognition of services (*a*) while lent to a Commonwealth Government or (*b*) while lent to a foreign Government provided that he is not in receipt of any emoluments from British public funds during the period of the loan.

4. Restricted permission is particularly contemplated in the case of Orders or decorations conferred in recognition of personal attention to a Head of State, or a member of the Royal Family of a foreign or Commonwealth country, on the occasion of State or official visits by such personages.

5. Restricted permission will also be given for the wearing of insignia of Orders and decorations conferred:—

(1) on United Kingdom officials in connection with a State visit by Her Majesty the Queen;

(2) on members of deputations of British regiments to Heads of States;

(3) on members of Special Missions when The Queen is represented at a Coronation, Wedding, Funeral, or similar occasion; or on any Diplomatic Representative, when specially accredited to represent Her Majesty on such occasions (but not on the members of his Staff).

Permission will not be given to:

(*a*) the Heads or other members of Her Majesty's Diplomatic or Consular establishments abroad, when leaving, whether on transfer or on final retirement.

(*b*) officers of British naval, military or air squadrons or units visiting foreign countries and Member countries of the Commonwealth overseas, except as provided at (2) above.

6. Applications for The Queen's permission whether full or restricted, will be submitted to Her Majesty by Her Principal Secretary of State for Foreign and Commonwealth Affairs, who however shall be under no obligation to consider them unless, before the bestowal of the Order or decoration, the country concerned has ascertained either through the British Diplomatic Representative there or through its Diplomatic Representative at Her Majesty's Court, that having regard to these Regulations the award would not give rise to any objection.

In no case can applications be considered in respect of Orders conferred more than five years previously, or offered in connection with events so long prior to the proposal to award them.

7. Permission will not be granted for the wearing of the insignia of Orders and decorations conferred otherwise than by the Heads or Governments of States recognised by Her Majesty as such.

MEDALS*

8. Medals, with the exceptions specified below, and state decorations not indicating membership of an Order of Chivalry, are subject to the Regulations in the same manner as Orders. If granted, unrestricted permission is given by letter; restricted permission is given by certificate.

9. Medals for saving or attempting to safe life whether conferred on behalf of the Head or Government of a foreign or Commonwealth State or by private Life-Saving Societies or Institutions, may be accepted and worn, subject only to the restrictions imposed by the Regulations for the Services concerned.

Applications for Her Majesty's permission to wear other medals conferred by Private Societies or Institutions cannot be entertained.

10. Applications for permission to wear medals in warlike operations will not be entertained if the granting of such permission would be at variance with considerations of general policy or public interest.

GENERAL

11. The wives of persons in the service of the Crown are regarded for the purposes of these Regulations as sharing the disabilities of their husbands concerning the acceptance of foreign or Commonwealth awards.

12. Persons employed in the commissioned or salaried service of the Crown on a temporary basis are subject to these Regulations in the same way as those employed on a permanent and pensionable basis.

13. Members of the various police and constabulary forces maintained in the United Kingdom and Dependent Territories are uniformly regarded as subject to these Regulations, with the exception, however, of British Transport Commission Police and Dock and Harbour Police Forces established under private Statutes.

14. Persons who have retired from the service of the Crown remain subject to these Regulations in so far as concerns the acceptance of Orders, decorations or medals offered in respect of services rendered before their retirement.

15. The regulations shall be regarded as applying, in the same way as to British subjects, to British-protected persons who are such by virtue of their connection with a Protectorate or Trust Territory administered under the supervision of Her Majesty's Principal Secretary of State for Foreign and Commonwealth Affairs; they may also be regarded as applying in the same manner to British-protected persons who are such by virtue of their connection with a Protected State administered under the supervision of the said Principal Secretary of State, but Orders, decorations and medals conferred upon such British-protected persons by their Rulers are not regarded as falling within the scope of these Regulations.

Support King George's Fund for Sailors *and you are supporting more than one charity*

King George's Fund for Sailors is the central fund for all marine charities in the U.K. Its purpose is to ensure that money given on behalf of distressed seafarers and their dependants is distributed where and when it is most needed.
